

April 3, 2026

The Honorable Kim Hammer, Co-Chairperson
The Honorable Aaron Pilkington, Co-Chairperson
JBC-PEER Review
State Capitol Building, Room 315
Little Rock, Arkansas 72201

Dear Senator Hammer and Representative Pilkington:

Under Arkansas Procurement Law, all non-exempt contracts for “services” as defined in Arkansas Procurement Law, must be presented for legislative review if they have an annual contract amount that equals or exceeds fifty thousand dollars (\$50,000) in any contract year or a total projected contract amount of three hundred fifty thousand dollars (\$350,000) over the term of the contract. See Ark. Code Ann. § 19-61-116.

With this letter, the Department of Shared Administrative Services, Office of State Procurement (OSP), is presenting for legislative review all such contracts received this month. In addition, one ratification request is being presented for review. Arkansas State University – Jonesboro is presenting contract RA10252196 for ratification. Due to an internal error by ASU, the contract was awarded to C. Bahn Strategic Consulting for external communications and PR strategy consultant services; however, the contract was not submitted for legislative review before the contractor began performing services.

None of the remaining contracts presented appear, on their face, to have been procured in violation of Arkansas Procurement Law. We ask for their favorable review.

Additionally, as requested during the September 20, 2024, ALC meeting, I also note the date the original RFPs were issued, and the RFP method (MAP or traditional) utilized for the procurement:

Agency Name	Contract No.	Contractor Name	Date Issued	RFP Method
Northwest Arkansas Community College	RARFP26003	Kinco Constructors LLC	01/30/2026	Traditional
Arkansas Tech University	RFP25021	REDBEA LLC	05/22/2025	Traditional
U of A Fayetteville	RA1264302	Stone & Ward Inc	12/04/2025	MAP
U of A Pine Bluff	RA18410000	Yellow Velvet Studios	01/20/2026	Traditional
U of A Pine Bluff	RA18510000	Quiet Contender	01/20/2026	Traditional
Arkansas State University - Jonesboro	RA10252196	C Bahn Strategic Consulting	07/17/2025	Traditional
U of A Fayetteville	RA1264304	AVAD3 Event Productions	11/21/2025	MAP
U of A Fayetteville	RA1264303	Atriade LLC	11/13/2025	MAP

Finally, as required by Section 19 of Act 782, OSP reports that it has completed its work with Ikaso Consulting to review and revise portions of the Arkansas Procurement Rules. The rules have been published and the public comment period closed on March 3, 2026. OSP will present the rules to the Rules Subcommittee at its next meeting.

If you have any questions, we will do our best to answer them.

Sincerely,

A handwritten signature in black ink that reads "Jessica Patterson". The signature is written in a cursive, flowing style.

Jessica Patterson
Director – Office of State Procurement

OSP Approval Request Request for Qualifications (RFQ)

Complete all sections of this *OSP Approval Request—Request for Qualifications* form and follow the steps specified in the *Request for Qualifications Procedures*. Email the completed form to the Office of State Procurement review mailbox at osp.review@arkansas.gov to ensure timely review.

Pursuant to Arkansas Code Annotated § 19-65-201(e)(1), if approved by the Office of State Procurement, this RFQ request must be submitted to the Legislative Council for review **prior to** conducting the RFQ. Legislative Council review deadlines apply.

Procurement Unit Requesting the RFQ

Requesting Department: 0125 - Arkansas State University - Jonesboro

Requesting Division: System's Office Purchasing Contact: Lisa Glasco

Phone Number: 870-972-2028 Email: lglasco@astate.edu

General Information

Description of Service/Commodity: Real Estate Services

Anticipated Start Date of Resulting Contract: 7/1/2026

Anticipated Expiration Date of Resulting Contract: Until house has sale

Anticipated Project Amount: Unknown

Why is an RFQ the most suitable method of procurement?

An RFQ is the most suitable method of procurement for real estate services because the selection should be based primarily on the provider's qualifications, experience, and knowledge of the real estate market rather than price alone. Real estate transactions require professional expertise, strategic negotiation, and an understanding of local market conditions, all of which significantly impact the outcome of a purchase, sale, or lease. By using an RFQ, the organization can evaluate firms based on their professional capabilities and past performance, then negotiate fair and reasonable compensation with the most qualified firm. This approach helps ensure the best value and reduces risk in complex real estate transactions.

Why should cost not be considered in the procurement?

Cost should not be considered in the procurement because the compensation for real estate services is typically a commission based on the final sale price of the property rather than a fixed fee. Since the commission is only paid if the property is successfully sold and is usually calculated as a percentage of the sale price, the primary factor in selecting a real estate service should be the firm's qualifications, experience, and ability to effectively market and sell the property. Choosing the most qualified professional increases the likelihood of achieving the best market value for the property, which ultimately provides greater financial benefit than selecting a provider based solely on cost.

How will the cost of the contract be controlled?

The cost of the contract will be controlled by establishing a predetermined commission rate in the contract that will be applied to the final sale price of the property. Because the compensation is based on a

percentage of the sale, the real estate service will only receive payment upon the successful sale of the property. This structure ensures the cost is tied directly to performance and aligns the interests of the service provider with obtaining the best possible market value for the property. Additionally, the commission rate and contract terms will be clearly defined and approved prior to execution to ensure costs remain reasonable and within established guidelines.

Provide additional details as needed.

House of the President of the University will be sold using Real Estate Services

If this request to conduct an RFQ also includes a request to award to multiple contractors, please note that a multiple award request must include a rationale and basis for the multiple award contract and the number of contractors required to fulfill the need (see Arkansas Code Annotated § 19-61-509).

If a multiple award is desired, provide the rationale and basis for the multiple award contract.

No multiple award will be issued.

For a multiple award request, indicate the number of contractors required to fulfill the need.

[Click here to enter text.](#)

To Be Completed by the Office of State Procurement

- Approved: The requestor has submitted an acceptable rationale to justify the request.
- Denied: The requestor has not submitted an acceptable rationale to justify the request and should utilize the appropriate method of procurement required by law.

Re: Request for Ratification of Services Provided by C. Bahn Strategic Consulting

I am writing to request the ratification of a contract for services provided by C. Bahn Strategic Consulting (“Bahn”) entered into pursuant to Request for Proposal #26-06 (the “RFP”), but not reviewed as required by A.C.A. § 19-61-116.

On August 5, 2025, Arkansas State University (“A-State”) issued the RFP for external communications and PR strategy consultant services. The RFP was ultimately awarded to Bahn. Due to an internal error by A-State, the contract awarded from the RFP was not submitted for legislative review. However, following being named the awardee, the contractor began performing services under the RFP.

A-State discovered the error, and the contract awarded from the RFP has now been submitted for legislative review for any future services (Contract # RA10252196). This ratification request is for services already performed without legislative review.

A-State is requesting a ratification for services performed in the amount of \$37,500.00.

Your consideration of this ratification request is greatly appreciated.

Sincerely,

Lisa Glasco, CPCP, CPPB, CPPO, NIGP-CPP, APO

Amd. 1	3,225,188.00	0.00	Crossland received bids for the repair work. The buildings and storm damage were thoroughly reviewed. Bids came back in higher than insurance adjuster's report. Due to inflation of 12.5%, cost of repairs have increased along with the thorough review of the storm damage revealed more damage than in the original estimate.	12/15/2027
	7,100,039.81		Provided in Separate Document - See Attached \$2 AIA document AIA 1 o 1 2017 Crossland Construction with work with Core Architect to repair and renovate the entire NWACC Benton County campus. Repairs are from the May 2024 Tornado. Every building on campus has damage. Core will have a Running List with the Construction Schedule that aligns with the Insurance Claim.	

3. Agency: Northwest Arkansas Community College **Contractor:** KINCO CONSTRUCTORS
Location: Little Rock **State:** AR

Service Type: Technical & General Services (TGS)

Total Authorized: \$0.00 **Org. Term:** 03/17/2026 08/01/2027 **Procurement:** RFP

Total After Review: \$1,186,000.00 **Funding:** Cash - 100%

Total Projected: \$1,186,000.00 **MOF:** **Contract Number:** RARFP26003

Org/Amt: **Amount** **Paid To Date** **Objective:** **New Exp Date**

1,186,000.00			NWACC determined that the Burns Hall TRANE chiller required replacement due to normal equipment wear and declining performance. NWACC engaged SCM, the on-call architect, to evaluate project requirements, develop design documents, and establish the timeline for project initiation and completion. This decision followed a comprehensive assessment of the chiller's condition and an analysis of potential impacts on campus operations. The replacement project is intended to improve energy efficiency and ensure reliable climate control for students, faculty, and staff throughout the academic year. Timely completion is critical. The Burns Hall Chiller Replacement is a required project and must be fully completed before the start of the Fall semester. To minimize disruption to summer activities in Burns Hall, all work associated with the replacement must be finalized prior to the beginning of the Fall term. Key project milestones include: - RFP solicitation issued on January 30, 2026 - Site tour conducted on February 6, 2026 - Bid opening held on February 20, 2026 - Letter of Intent issued to Kinco Constructors on February 24, 2026 - Chiller installation scheduled for completion by August 1, 2026
