Senator Jonathan Dismang, Co-Chair  
Representative Lane Jean, Co-Chair  
Joint Budget Committee  
Arkansas General Assembly

Dear Co-Chairs:

I respectfully request the following amendments to the 2026-2027 Operations Appropriation Bill for the Department of Corrections - Division of Correction.

Please amend SECTION 17 - SPECIAL LANGUAGE - REALLOCATION OF RESOURCES as follows:

SECTION 17. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. REALLOCATION OF RESOURCES. Upon determination by the Board of Corrections, at the request of the Secretary of Corrections, that a reallocation of resources within the Divisions of Community Correction and Division of Correction is necessary for the efficient and effective operation of the department, the Board, with approval of the Governor and approval by the Arkansas Legislative Council or Joint Budget Committee, shall have the authority to instruct the Department Secretary, to request from the Chief Fiscal Officer of the State, a transfer of positions, programs, funds, appropriations, and line-item appropriations within or between existing and newly created divisions, offices, sections, or units of the department. If it is determined that the requested transfer should be made, the Chief Fiscal Officer of the State shall then initiate

State Capitol Building • Little Rock, AR 72201  
Telephone: (501) 682-2345  
[www.governor.arkansas.gov](http://www.governor.arkansas.gov)

the necessary transfer documents to reflect the transfers upon the fiscal records of the State Treasurer, the State Auditor, the Chief Fiscal Officer of the State, and the Department of Corrections Division of Corrections and Community Correction. Provided, however, that the Department Secretary shall be limited to submitting no more than two requests, encompassing a single purpose listed in this section, during any fiscal year per division. Transfer authority shall further be limited to no more than five percent (5%) of the total General Revenue and Special Revenue appropriation, funding, and positions specific to each division, office, section or unit from which funds are transferred. ~~However, there shall be no fund transfers to or from the County Jail Reimbursement Fund.~~ A Reallocation of Resources Transfer shall be limited to the following specific purposes:

- a) Costs to open and operate temporary beds;
- b) Payment of Debt Service;
- c) Payment of Overtime Expenses;
- d) Unanticipated increases for medical or private prison contracts;
- e) Construction/renovation/equipping of new beds;
- f) Deficits in Farm or Industry Program;
- g) Losses not covered by insurance proceeds;
- h) Costs of personnel for critical services necessary to carry out the mission of the agency.

Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that the Department of Corrections Divisions of Correction and Community Correction may operate more efficiently if some flexibility is provided to the Board of Corrections authorizing broad powers under the Reallocation of Resources provisions herein. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court jurisdiction, this entire section is void.

The provisions of this section shall be in effect only from July 1, ~~2025~~ 2026 through June 30, ~~2026~~ 2027.

The above request is necessary to remove conflicting special language regarding the transfer of funds to the County Jail Reimbursement Fund, as it is inconsistent with Section 26 of this bill, thereby ensuring internal consistency and proper fiscal administration.

Please amend SECTION 29 - SPECIAL LANGUAGE - CARRY FORWARD - GENERAL REVENUE YEAR END FUND BALANCE as follows:

SECTION 29. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. CARRY FORWARD - GENERAL REVENUE YEAR END FUND BALANCE. (a) The Chief Fiscal Officer of the State shall cause to be transferred on his or her books and those of the State Treasurer and Auditor of State the balance of General Revenue funds remaining in the Division of Correction Inmate Care and Custody Fund Account on June 30, ~~2026~~ 2027 into a sub-fund created within the Division of Correction Inmate Care and Custody Fund Account to be used for County Jail Reimbursement or maintenance needs within the Department of Corrections - Division of Correction. The balance of General Revenue in the sub-fund of the Division of Correction Inmate Care and Custody Fund Account at the beginning of any fiscal year shall not exceed five million dollars (\$5,000,000). For this reason, any general revenue which would cause the balance of sub-fund of the Division of Correction Inmate Care and Custody Fund Account to exceed five million dollars (\$5,000,000) shall be reclaimed by the Department of Finance and Administration pursuant to the same procedures as other general revenue recapture. (b) Any carry forward of the unexpended balance of funding as authorized herein, may be carried forward under the following conditions:

- (1) The Office of Budget of the Department of Finance and Administration shall report to the Legislative Council all amounts carried forward by the September meeting of the Legislative Council or the Joint Budget Committee meeting which report shall include the name of the agency, board, commission, or institution and the amount of funding carried forward, the program name or line item and the funding source; and
- (2) The Department of Corrections - Division of Correction shall provide a written report to the Legislative Council or Joint Budget Committee containing all information set forth in subdivisions (b) (1) of this section no later than thirty (30) days prior to the time the Department presents its budget request to the Legislative Council or Joint Budget Committee, or both; and
- (3) Thereupon, the Department of Finance and Administration shall include all information obtained in subdivision (b) (2) of this section in the budget manuals.

The provisions of this section shall be in effect only from July 1, ~~2025~~ 2026 through June 30, ~~2026~~ 2027.

The above request is necessary to correct the fund name referenced in the special language to ensure consistency with Ark. Code Ann §19-22-102.

Thank you for your consideration.

Sincerely,

Dear Co-Chairs:

I respectfully request the following amendments to the 2026-2027 Operations Appropriation Bill for the Department of Energy and Environment - Division of Environmental Quality.

Immediately following Section 40, please insert the following new sections and renumber accordingly:

SECTION XX. SPECIAL LANGUAGE - CODE AMENDMENT. Arkansas Code § 8-9-404(a)(3)(B), concerning definitions and commercial generator fees, is amended to read as follows:

(a)(3)(B) Except for the rim removal fees fee imposed under this section, a tire retailer shall not charge any other fee to a person who purchases the service of removal of a tire from a rim and replaces it with a used tire.

SECTION XX. SPECIAL LANGUAGE - CODE AMENDMENT. Arkansas Code § 8-9-404(d)(3), concerning definitions and commercial generator fees, is amended to read as follows:

(d)(3)(A) The commercial generator fee shall be imposed at the rate of three dollars

(\$3.00) for each new tire that is sold or delivered to an end user that removes used tires from the rim and replaces them with a new tire.

~~(B) Except for the commercial generator fees imposed under this section, the commercial generator shall not charge any other fee to the end user.~~

~~(C)~~ (B)

(i) For any used tires collected by a commercial generator, the first transportation of the used tire from the end user to the commercial generator's facility does not require a licensed tire transporter.

(ii) Any subsequent transportation of the used tire by the commercial generator for recycling or disposal requires a licensed tire transporter and shall be accounted for using the electronic uniform used tire manifest system.

~~(D)~~ (C) Each commercial generator shall register with the department and comply with all requirements related to collecting and reporting commercial generator fees.

SECTION XX. SPECIAL LANGUAGE - CODE AMENDMENT. Arkansas Code §8-9-404(e), Rim removal fees - Import fees - Commercial generator fees - Definitions, is repealed:

~~(e)(1) It is the purpose and intent of this section that only one (1) of the following fees imposed under this section be charged for the transaction of removing a tire from a rim that is related to the sale of a replacement tire:~~

~~(A) The rim removal fee; or~~

~~(B) The commercial generator fee.~~

~~(2) If a person establishes that he or she has paid one (1) of the fees for a tire, the tire retailer or tire generator shall not charge an additional fee for that tire.~~

SECTION XX. SPECIAL LANGUAGE - CODE AMENDMENT. Arkansas Code § 8-9-405(a)(1), Used tire program reimbursements, is amended to read as follows:

(a) The Division of Environmental Quality shall establish the Used Tire Recycling and Accountability Program to:

(1) Reimburse used tire programs for used tire transportation, recycling, and disposal costs at a rate not to exceed \$2.31 per tire;

SECTION XX. SPECIAL LANGUAGE - CODE AMENDMENT. Arkansas Code § 8-9-405(b)(9) and (10), concerning used tire program reimbursements, is amended to read as follows:

(9)

~~(A) Establish tire collection centers within each county served by the used tire program that accepts tires from tire retailers at no charge if the tire retailer establishes that it:~~

State Capitol Building • Little Rock, AR 72201

Telephone: (501) 682-2345

[www.governor.arkansas.gov](http://www.governor.arkansas.gov)

~~(i) Collects the rim removal fee imposed under § 8-9-404(a);~~  
and

~~(ii) Complies with the electronic uniform used tire manifest system under § 8-9-407.~~

~~(B) The tire collection centers under this subdivision (b)(9) may be at any one (1) or more of the following:~~

~~(i) (A) A solid waste disposal facility;~~

~~(ii) (B) A tire processing facility; or~~

~~(iii) (C) A tire retailer; and~~

~~(10) Establish at least one (1) tire collection centers within each county served by the used tire program that adequately serves the program area.~~

The above requests will allow the Department to stabilize funding for the Used Tire Recycling and Accountability Program by capping the reimbursement rates for all used tire districts to the actual amount available for reimbursement (\$2.31 per tire according to Legislative Audit's 2022 Waste Tire report) and by removing the restriction on participating retailers of charging additional fees to cover costs to transport and recycle or dispose of used tires. The current reimbursement rates of \$2.80 to \$2.92 per tire are unsustainable and create a persistent deficit which must be covered by the Used Tire Recycling Fund.

Thank you for your consideration.

Sincerely,

Sarah Huckabee Sanders  
Governor of Arkansas
