Dear Senator English and Representative Bentley:

As directed by Section 15 of Act 213 of 2022, I am reporting to Arkansas Legislative Council (ALC) the status of our efforts regarding reimbursement rates under the Living Choices Assisted Living Waiver.

DHS has implemented Act 198 of 2023 to establish cost reporting for Medicaid-funded assisted living facilities. The first cost report analysis and public comment responses were compiled and posted on March 4, 2024. Responses can still be found at <https://humanservices.arkansas.gov/rules/ar-living-choices-al-waiver/>.

Formal approval of the new proposed rate resulting from the first cost report analysis was received from both CMS and ALC in the third quarter of 2024. The new rate of \$86.73 was implemented effective September 1, 2024, and is currently being used for claims submissions.

The annual cost reporting period for 2026 has closed for provider submission. All providers participating in the Living Choices Medicaid waiver program have submitted their required report. DHS has contracted Meyers and Stauffer to compile cost report data and produce a report for submission. Meyers and Stauffer covered the content of the cost report and instructions for completing and submitting data. Data analysis is nearing completion, with Meyers and Stauffer concluding their requests for follow-up information from providers. DHS anticipates receiving the final report around June 30th, with results reported to ALC by Summer 2026.

Finally, as requested in the May 31, 2024, ALC meeting, please see the attached change of ownerships or closures for the previous month of May.

Very respectfully,

A handwritten signature in black ink that reads 'Janet H Mann'.
