

# HANDOUT 1

10/XX/2013 — NOTICE OF RULE-MAKING

The Arkansas Health Insurance Marketplace hereby issues the following proposed Operating Rules under Arkansas Code § 23-61-801 et seq. The proposed Operating Rules address the general operations of the Marketplace, including without limitation the organization, conduct, and meetings of the Marketplace's Board of Directors; promulgation of rules; application for grants; information to be made available for public guidance; and staff organization.

A public hearing will be held on (Date) at (Time) at (Physical Address). The proposed Operating Rules are available for review at (Physical Address). You may also access it on the Marketplace's website [www.arhim.arkansas.gov](http://www.arhim.arkansas.gov), and download it from the "Proposed Rules" section of the website's general menu. All written comments and supporting data must be submitted no later than (Date that is thirty (30) days after first publication of notice).

If you need this material in a different format, such as large print, contact (Contact Person) at (Contact Person's Phone Number).
