INTRODUCTION

This Statewide Transportation Improvement Program (STIP) for Federal Fiscal Years 2016 through 2020 has been prepared by the Arkansas State Highway Commission in response to 23 U.S.C. 135 - Statewide Planning, as continued by the Fixing America's Surface Transportation (FAST) Act.

Authorization for the listed projects may be requested for any phase of development (i.e., preliminary engineering, right of way, utilities, or construction) during F.Y. 2016-2020. Authorization for pre-construction phases may be requested in advance of the year a project is scheduled for construction to assure the project can be advertised and let to contract as scheduled in this STIP.

With respect to urban areas greater than 50,000 in population, projects listed in the Transportation Improvement Programs (TIPs) that have been developed by the various Metropolitan Planning Organizations (MPO) are hereby included as part of the overall Federal-aid Highway Program and Federal-Aid Transit Program. For additional information on projects located within a MPO Area, contact the appropriate MPO.
