LSP Tour Bus

Each quarter Angola welcomes over 9,000 tourists to visit the facility. The visitors are exposed to the radical transformation that is taking place there as a result of an effective moral rehabilitation program.

"The Farm"

The LSP Angola grounds are beautified by the lush and lovely tropical flowers and plants. This greenhouse is one aspect of the culture that is creating an atmosphere of joy and peace. Rather than stark, dry, depressing surroundings, Angola is one of the most beautiful places in Louisiana.

LSP at Angola acreage is mainly devoted to farming and cattle raising. To keep inmates constructively active, the majority of inmates work eight hours a day, five days per week. The primary crops are:

Wheat, cotton, corn, soybeans, tomatoes, cabbage, okra, watermelon, onions, beans and peppers.

Approximately four million pounds of vegetables are processed at LSP each year. In addition to row crops, LSP maintains a beef herd of approximately 1,500 cattle.

CHAP 5 PRINCIPLES OF ENGINE OPERATION

- Each stroke rotates the crankshaft $\frac{1}{2}$ revolution (180°), so a cycle is 2 complete revolutions or 720° of crankshaft rotation.

1 Stroke $\Rightarrow 180^\circ \Rightarrow \frac{1}{2}$ Revolution

2 Stroke $\Rightarrow 360^\circ \Rightarrow 1$ Revolution

3 Stroke $\Rightarrow 540^\circ \Rightarrow 1\frac{1}{2}$ Revolution

...estimated that construction of this swimming pool will cost \$88,000. A large group of citizens donated \$40,000 toward the construction of the pool, and an additional \$8,000 was raised through a local fund-raising activity. If 20 local businesses agree to donate the same amount, how much will each business need to contribute?

$$\frac{188,000}{20} = 9,400$$

$$40,000 + 20 = 42,000$$

...proposed swimming pool area will be presented to the city council. The scale of the diagram represents 5 meters of actual distance. What are the overall dimensions (including the area) in the diagram?

***Death and Burial
With Dignity***

LSP has the leading prison Hospice program in the nation. The National Prison Hospice Association has called LSP's program "the model for all prison hospice programs." The extensive use of inmate volunteers and inmate visitors in place of, and in conjunction with actual family visits, plus the willing and active role of security staff, sets LSP's program apart from other programs around the U.S.
