and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 3. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this Act shall be in compliance with the stated reasons for which this Act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

Provided further, that all contracts for professional or consultant services shall be submitted monthly to the Chief Fiscal Officer of the State for reporting to the Legislative Council.

SECTION 5. EMERGENCY CLAUSE. It is hereby found and determined by the Seventy-Sixth General Assembly that monies provided by the Seventy-Fifth General Assembly for the operations of the agency to which monies are provided by this Act are, due to unforeseen conditions, insufficient for said agency to continue to provide essential governmental services, that the provisions of this Act will provide the necessary monies for such agency to continue such services, and that delay in the effective date of this Act could work irreparable harm upon the proper administration and provision of essential governmental services. Therefore, an emergency is hereby declared to exist and this Act, being necessary for the immediate preservation of the public peace, health and safety, shall be in full force and effect from and after its passage and approval.
