No more than two years prior to making any changes to the current pharmaceutical dispensing fee, the State shall conduct an independent survey utilizing generally accepted accounting principles, to determine the cost of dispensing a prescription by pharmacists in Arkansas. Only factors relative to the cost of dispensing shall be surveyed. These factors shall not include actual acquisition costs or average profit or any combination of actual acquisition costs or average profit. The survey results shall be the basis for establishing the dispensing fee paid to participating pharmacies in the Medicaid prescription drug program in accordance with Federal requirements. The dispensing fee shall be no lower than the cost of dispensing as determined by the survey. Nothing in this section shall be construed to prohibit the State from increasing the dispensing fee at any time.

The provisions of this section shall be in effect only from July 1, ~~2010~~ 2012 through June 30, ~~2011~~ 2013.

SECTION 11. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. MEDICAL SERVICES - GENERAL MEDICAID RATE METHODOLOGY PROVISIONS.

(a) Rates established by the Division of Medical Services for the services or programs covered by this Act shall be calculated by the methodologies approved by the Centers for Medicare and Medicaid Services (CMS). The Division of Medical Services shall have the authority to reduce or increase rates based on the approved methodology. Further, the Division of Medical Services shall have the authority to increase or decrease rates for good cause including, but not limited to: (1) Identification of provider(s) who can render needed services of equal quality at rates less than traditionally charged and who meet the applicable federal and state laws, rules and regulations pertaining to the provision of a particular service; (2) Identification that a provider or group of providers has consistently charged rates to the Arkansas Medicaid Program greater than to other purchasers of medical services of similar size;

- (3) The Division determines that there has been significant changes in the technology or process by which services are provided by a provider or group of providers which has affected the costs of providing services, or;
- (4) A severe economic downturn in the Arkansas economy which has affected the overall state budget of the Division of Medical Services.

The Division of Medical Services shall make available to requesting providers, the CMS's inflationary forecasts (CMS Market Basket Index). Rates established with cost of living increases based on the CMS Market Basket Index or other indices will be adjusted annually except when the state budget does not provide sufficient appropriation and funding to affect the change or portion thereof.

(b) Any rate methodology changes proposed by the Division of Medical Services both of a general and specific nature, shall be subject to prior review by the Legislative Council or Joint Budget Committee.

The provisions of this section shall be in effect only from July 1, ~~2010~~ 2012 through June 30, ~~2011~~ 2013.

SECTION 12. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. FUND USAGE AUTHORIZED. The Arkansas Children's Hospital may request the Department of Human Services - Division of Medical Services to retain in the Department of Human Services Grant Fund account an amount not to exceed \$2,100,000 from funds made available by this Act for the Child and Family Life Institute, Section 4, item number 06 to be used to match federal funds used for supplemental Medicaid payments to Arkansas Children's Hospital. These retained funds shall not be recovered to transfer to the General Revenue Allotment Reserve Fund.

SECTION 13. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. STATE PLAN. The State Plan must include the provision of EPSDT services as those services are defined in §1396d(r). See §§ 1396a(a)(10)(A), 1396d(a)(4)(B); see also 1396a(a)(43). Section 1396d(r) lists in detail the screening services, vision services, dental services, and hearing services that the State Plan must expressly include, but with regard to treatment services, it states that EPSDT means "[s]uch other necessary health care, diagnostic

services, treatment, and other measures described in subsection (a) of this section to correct or ameliorate defects and physical and mental illnesses and conditions discovered by the screening services, whether or not such services are covered under the State plan." 42 U.S.C. § 1396d(r)(5) (emphasis added). Reading §1396a, § 1396d(a), and § 1396d(r) together, we believe that the State Plan need not specifically list every treatment service conceivably available under the EPSDT mandate.

The State Plan, however, must pay part or all of the cost of treatments to ameliorate conditions discovered by the screening process when those treatments meet the definitions set forth in § 1396a. See §1396d(r)(5); see also §§1396a(a)(10), 1396a (a)(43), and 1396d(a)(4)(B). The Arkansas State Plan states that the "State will provide other health care described in [42 U.S.C. 1396d(a)] that is found to be medically necessary to correct or ameliorate defects and physical and mental illnesses and conditions discovered by the screening services, even when such health care is not otherwise covered under the State Plan." See State Plan Under Title XIX of the Social Security Act Medical Assistance Program, State Of Arkansas at §4.b. This provision Meets the EPSDT mandate of the Medicaid Act.

We affirm the district court's decision to the extent that it holds that a Medicaid-Eligible individual has a federal right to early intervention day treatment when a physician recommends such treatment. Section 1396d(r)(5) states that EPSDT includes any treatments or measures outlined in §1396d(a). There are twenty-seven sub-parts to §1396d(a), and we find that sub-part (a)(13), in particular, when read with the other sections of the Medicaid Act listed above, mandates that early intervention day treatment be provided when it is prescribed by a physician. See 42 U.S.C. §1396d(a)(13) (defining medical assistance reimbursable by Medicaid as "other diagnostic, screening, preventive, and rehabilitative services, including any medical or remedial services recommended by a physician...for the maximum reduction of physical and mental disability and restoration of an individual to the best possible functional level"). Therefore, after CHMS clinic staff perform a diagnostic evaluation of an eligible child, if the CHMS physician prescribes early intervention day treatment as a service that would lead to the maximum reduction of medical and physical disabilities and restoration of the child to his or her best possible functional level, the Arkansas State Plan must reimburse the treatment. Because CHMS clinics are the only providers of early

intervention day treatment, Arkansas must reimburse those clinics.

SECTION 14. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. MEDICAL SERVICES - STATE MEDICAID PROGRAM/PERSONAL CARE PROGRAM.

(a) It is the legislative intent that the Department of Human Services in its administration of the Arkansas Medicaid Program set forth Medicaid provider participation requirements for "personal care providers" that will insure sufficient available providers to meet the required needs of all eligible recipients, to include insuring available in home services twenty-four (24) hours a day and seven (7) days a week for personal care.

(b) For the purposes of this section, "private care agencies" are defined as those providers licensed by the Department of Labor, certified as ElderChoices Providers and who furnish in home staffing services for respite, chore services, and homemaker services, and are covered by liability insurance of not less than one million dollars (\$1,000,000) covering their employees and independent contractors while they are engaged in providing services, such as personal care, respite, chore services, and homemaker services.

(c) The purpose of this section is to allow the private care agencies defined herein to be eligible to provide Medicaid reimbursed personal care services seven (7) days a week, and does not supercede Department of Human Services rules establishing monthly benefit limits and prior authorization requirements.

(d) The availability of providers shall not require the Department of Human Services to reimburse for twenty-four (24) hours per day of personal care services.

(e) The Arkansas Department of Human Services, Medical Services Division shall take such action as required by the Centers for Medicare and Medicaid Services to amend the Arkansas Medicaid manual to include, private care agencies, as qualified entities to provide Medicaid reimbursed personal care services.

(f) The private care agencies shall comply with rules and regulations promulgated by the Arkansas Department of Health which shall establish a separate licensure category for the private care agencies for the provision of Medicaid reimbursable personal care services seven (7) days a week.

(g) The Arkansas Department of Health shall supervise the conduct of the personal care agencies defined herein.

(h) The purpose of this section is to insure the care provided by the private care agencies, is consistent with the rules and regulations of the Arkansas Department of Health.

The provisions of this section shall be in effect only from July 1, ~~2010~~ 2012 through June 30, ~~2011~~ 2013.

SECTION 15. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. REVIEW OF RULES IMPACTING STATE MEDICAID COSTS. (a) In light of the rapidly rising potential costs to the State attributable to the Medicaid program and the importance of Medicaid expenditures to the health and welfare of the citizens of this State, the General Assembly finds it desirable to exercise more thorough review of future proposed changes to rules that might impact those costs or expenditures.

(b) As used in this section, "rule impacting state Medicaid costs" means a proposed rule, as defined by § 25-15-202(8), or a proposed amendment to an existing rule, as defined by § 25-15-202(8), that would, if adopted, adjust Medicaid reimbursement rates, Medicaid eligibility criteria, or Medicaid benefits, including without limitation a proposed rule or a proposed amendment to an existing rule seeking to accomplish the following:

(6) Reduce the cost of administering Arkansas Medicaid;

(7) Increase Arkansas Medicaid revenues;

(8) Reduce fraud and abuse in the Arkansas Medicaid program;

(9) Change any of the methodologies used for reimbursement of providers;

(10) Seek a new waiver or modification of an existing waiver of any provision under Medicaid, Title XIX, of the Social Security Act,

including a waiver that would allow a demonstration project;

(11) Participate or seek to participate in Social Security Act Section 1115(a)(1) waiver authority that would allow operation of a demonstration project or program;

(12) Participate or seek to participate in a Social Security Act Section 1115(a)(2) request for the Secretary of the Department of Health and Human Services to provide federal financial participation for costs associated with a demonstration project or program;

(13) Implement managed care provisions under Section 1932 of Medicaid, Title XIX of the Social Security Act; or

(14) Participate or seek to participate in the Centers for Medicare and Medicaid Services Innovation projects or programs.

(c)(1) In addition to filing requirements under the Arkansas Administrative Procedure Act, § 25-15-201 et seq., and § 10-3-309, the Department of Human Services shall, at least thirty (30) days before the expiration of the period for public comment, file a proposed rule impacting state Medicaid costs or a proposed amendment to an existing rule impacting state Medicaid costs with the Senate Interim Committee on Public Health, Welfare, and Labor and the House Interim Committee on Public Health, Welfare, and Labor, or, when the General Assembly is in session, with the Senate Committee on Public Health, Welfare, and Labor and the House Committee on Public Health, Welfare and Labor.

(2) Any review of the proposed rule or proposed amendment to an existing rule by the Senate and House Interim Committees on Public Health, Welfare and Labor or the Senate and House Committees on Public Health, Welfare, and Labor shall occur within forty-five (45) days of the date the proposed rule or proposed amendment to an existing rule is filed with the committees.

(d)(1) If adopting an emergency rule impacting state Medicaid costs, in addition to the filing requirements under the Arkansas Administrative Procedure Act, § 25-15-201 et seq. and § 10-3-309, the Department of Human Services shall notify the Speaker of the House of Representatives, the President Pro Tempore of the Senate, the chair of the Senate Committee on Public Health, Welfare, and Labor, and the chair of the House Committee on Public Health, Welfare and Labor of the emergency rule and provide each of them a copy of the rule within five (5) business days of adopting the rule.

(2) Any review of the emergency rule by the Senate and House Interim Committees on Public Health, Welfare and Labor or the Senate and House Committees on Public Health, Welfare, and Labor shall occur within forty-five (45) days of the date the emergency rule is provided to the chairs.

(e)(1) The Joint Budget Committee may review a rule impacting state Medicaid costs during a regular, fiscal, or special session of the General Assembly.

(2) Actions taken by the Joint Budget Committee when reviewing a rule impacting state Medicaid costs shall have the same effect as actions taken by the Legislative Council under § 10-3-309.

(3) If the Joint Budget Committee reviews a rule impacting state Medicaid costs, it shall file a report of its actions with the Legislative Council as soon as practicable.

(f) This section expires on June 30, ~~2011~~ 2013.

SECTION 16. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Procurement Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 17. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this act shall be in compliance with the stated reasons for which this act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 18. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits

the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2012 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2012 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2012.
