SECTION 23. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS

CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. VOCATIONAL START-UP. The funds and appropriations contained herein for Vocational Start-Up shall be allocated in accordance with rules and regulations established by the State Board of Career Education, after the rules and regulations have undergone a prior review by the Administrative Rules and Regulations Subcommittee of the Arkansas Legislative Council or Joint Budget Committee.

Of the funds and appropriation authorized by Item (01) in the section of this Act for Adult Basic and General Adult Education, a sum of \$300,000 each fiscal year shall be made available to eligible entities approved by the State Board of Career Education, in order to expand the vocational education and training opportunities available to area citizens in need of adult educational training or retraining due to changing technology.

Further, if the appropriation is not fully funded due to a decrease in the official revenue forecast or the available carryover balance of the Department of Career Education Public School Fund Account, the Department of Career Education may reduce proportionally the amount made available to eligible entities approved by the State Board of Career Education in order to expand the vocational education and training opportunities to area citizens in need of adult educational training or retraining due to changing technology.

The provisions of this section shall be in effect only from July 1, ~~2012~~ 2013 through June 30, ~~2013~~ 2014.

All funds that become available for Adult Education shall be distributed to those administrative units determined to be operating efficient and effective adult education programs, under criteria established by the State Board of Career Education. The criteria shall include the

relative efficiency of administration of the program in the counties served and achievement of federal performance indicators. The State Board of Career Education shall promulgate rules and regulations for the distribution of funds in accordance with criteria to be determined by the Board. In the distribution of funds to local units the Board shall consider performance in meeting state and federal performance indicators. Unallocated funds will be redistributed based upon need as determined by the State Board of Career Education.

The provisions of this section shall be in effect only from July 1, ~~2012~~ 2013 through June 30, ~~2013~~ 2014.

The Chief Fiscal Officer of the State shall establish, upon request from the Department of Career Education, a special appropriation line item to be used in the acquisition of promotional items. Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that the Department of Career Education may operate more efficiently if some flexibility is provided to the Department of Career Education authorizing broad powers under this Section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget

Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

SECTION 27. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. SECONDARY TECHNICAL CENTER AID PROVISIONS.

(a)(1) Secondary technical center aid shall be calculated and distributed by the Department of Career Education based upon each secondary technical center's eligible student full-time equivalent count.

(2) Secondary technical center aid shall not be based upon the percentage of total enrollment from any one sending school.

(b) This section expires on June 30, ~~2013~~ 2014.

SECTION 28. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Procurement Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 29. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this act shall be in compliance with the stated reasons for which this act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 30. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2013 is essential to the operation of

the agency for which the appropriations in this Act are provided, and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2013 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2013.
