(B) A member of a rescue organization with noncertified

personnel operating from their own residential property or the residential property of another person are not exempt from this subchapter;

(4) The owner of a dog or cat that has been determined by a veterinarian to be unfit for sterilization because the surgery would endanger the life of the animal; and

(5)(A) Owners of dogs that are specifically trained as service dogs or used for hunting or field-trial competition.

(B) Dogs used for hunting or field-trial competitions shall be kept in appropriate pens at all times except when actually engaged in hunting, field-trial competitions, or related activities.

(C) An owner of a dog used for hunting or field-trial competition shall present on request a state issued hunting license from the most recent hunting season.

(D) If the dog is used to hunt waterfowl, the hunting license shall contain a federal and state waterfowl stamp.

(E) An owner of a dog that are used for field-trial competition shall present on request documentation proving participation in field-trial activities within the past twelve (12) months.

(F) Dogs that are specifically trained and used as service dogs include guide dogs or assistance dogs for the hearing impaired.

(c)(1) An owner has the burden of proving that the intact animal is:

(A) A dog or cat that meets the criteria in subsection (b) of this section;

(B) Sterilized; or

(C) Registered with a registered organization as listed in subdivision (b)(1) of this section.

(2) The registration shall include:

(i) A registration number issued by the registering organization; and

(ii) At least a three-generation pedigree.

20-19-603. Application – Fee.

(a)(1) The county clerk of each county in Arkansas shall administer a certification program to allow owners of dogs or cats that are over the age of six (6) months to obtain an intact-animal license.

(2) Except for an animal that is exempt under § 20-19-602(b), an

owner of a dog or cat that is over the age of six (6) months shall apply for an intact-animal license by:

(A) Submitting a request for the license to the county clerk of the county where the animal resides that includes:

(i) Proof of current rabies vaccination; and

(ii) A statement that the owner is in compliance with this subchapter; and

(B) Payment of an annual fee of fifty dollars (\$50.00);

(3) An intact-animal license is valid for twelve (12) months from the date of issue.

(4) A license under this section may be denied or revoked by any appropriate government entity having adjudication powers over local, city, county, or state affairs.

(b) A license fee paid under subdivision (a)(2)(B) of this section is disbursed as follows:

(1) Twenty-five dollars (\$25.00) of each fee shall be retained in the county of issuance to cover the costs of administering and managing the license program; and

(2) Twenty-five dollars (\$25.00) of each fee shall be utilized to fund a sterilization program within the county of issuance.

20-19-604. Violations.

(a) Upon conviction of a violation of this subchapter, an owner shall be fined not less than one hundred dollars (\$100) and not more than five hundred dollars (\$500) for each offense.

(b) The court may, in lieu of a fine, require the sterilization of a dog or cat.

20-19-605. Enforcement.

(a) This subchapter may be enforced by animal control officers, law enforcement officers, wildlife officers, code officers, health officials, or any other authorized agency.

(b) A person who does not meet the requirements of subsection (a) of this section and knowingly provides enforcement for violations of this subchapter, on conviction is guilty of a class D misdemeanor.
