SECTION 3. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. ARKANSAS STATE BOARD OF OPTOMETRY EMPLOYMENT OF ATTORNEYS. None of the funds appropriated in this Act for Maintenance and General Operation shall be expended in payment for services of attorneys, unless the agency shall first make a request in writing to the Attorney General of the State of Arkansas to provide the required legal services. The Attorney General's Office shall provide the requested legal services, or, if the Attorney General's Office shall determine that sufficient personnel are not available to provide the requested legal services, the Attorney General shall certify the same to the agency and may authorize the agency to employ legal counsel and to expend monies appropriated for Maintenance and General Operations therefore, if:

(1) The Attorney General determines, and certifies in writing, that such agency needs the advice or assistance of legal counsel, and

(2) The Attorney General consents in writing to the employment of the legal counsel to be retained by the agency, and

(3) The Attorney General determines that the agency re-advertises annually for legal counsel if outside legal counsel is hired and that any amount to be paid for outside legal counsel has received prior review by the Arkansas Legislative Council or Joint Budget Committee.

Such certification shall be required with respect to each instance of

the employment of special legal counsel, or shall be required annually with respect to legal counsel employed on a retainer basis. A copy of such certification shall be entered in the official minutes of the agency, and shall be retained in the fiscal records of the agency for audit purposes. Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that the Arkansas State Board of Optometry may operate more efficiently if some flexibility is provided to the Arkansas State Board of Optometry authorizing broad powers under this Section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

SECTION 4. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Procurement Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 5. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this act shall be in compliance with the stated reasons for which this act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget

manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 6. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2013 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2013 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2013.
