(a) If a foreign medical corporation complies with this subchapter, the Arkansas State Medical Board may issue a certificate of registration to the foreign medical corporation.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that access to medical care is becoming increasingly more difficulty in this state; that difficulties with access to medical care may reach crisis levels as recent changes in federal law increase the demand for medical care without an accompanying increase in the number of medical providers in the state; and that this act is immediately necessary to ensure broad access to medical care by reducing disincentives to the entry of medical care providers into Arkansas. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
