6-61-139. Emergency and security plans - Disclosure exempted.

An emergency or security plan required by law or otherwise implemented by a postsecondary institution is confidential and is not subject to the Freedom of Information Act of 1967, § 25-19-101 et seq.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that the safety of public school and postsecondary institution students is of critical importance; that the disclosure of emergency and security plans by public schools and postsecondary institutions threatens student safety and inhibits the school's or institution's ability to plan for crisis situations; and that this act should become effective at the earliest opportunity to prevent such disclosures and promote the safety of students. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
