citizens of this state will not receive the services essential to their well-being; and that this act is immediately necessary to eliminate the confusion created by current law and to ensure that the essential revenues from the taxes levied on tobacco products continue to be collected. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
