SECTION 18. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. EMERGENCY GRANTS & EXTRA HELP POOL. An Institution of higher education that suffers an

emergency/disaster event resulting in all or a significant portion of campus operations being interrupted, may request disaster assistance through the Arkansas Department of Higher Education. Upon the declaration of an emergency by the Governor, the institution may request, subject to the recommendation of the Director of the Department of Higher Education and approval of the Governor, a grant from the Disaster Relief Fund to assist in returning that campus to operation and/or to a sister campus providing services to the students from the affected campus. Certified law enforcement officers employed by an institution of higher education may be granted jurisdiction at the sister institution, upon agreement of both institutions. The Department of Higher Education is authorized a pool of 500 extra help positions for use in such emergency situations. These positions may be assigned to the campus suffering the disaster event or to a sister campus providing services to the students from the affected campus. The Governor may waive the 1,500 hour limit of ACA 6-63-314 on these assigned extra help pool positions.

The provisions of this section shall be in effect only from July 1, ~~2015~~ 2016 through June 30, ~~2016~~ 2017.

SECTION 19. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.

REALLOCATION OF RESOURCES FOR INSTITUTIONS OF HIGHER EDUCATION. Upon determination by the president or chancellor of an institution of higher education that a reallocation of resources for purposes of reorganization or consolidation of administrative functions within the institution is necessary for efficient and effective operations of the institution, the president or chancellor, with approval of the institution's board of trustees, may have the authority to transfer positions, appropriations and related funds between campuses, divisions, branches, and other budgetary units of the institution, after receiving prior approval of the Legislative Council or Joint Budget Committee. The transfers of positions, programs, or activities shall be used for those purposes for which the appropriations were approved by the General Assembly. The transfers, consolidations, or reorganizations which involve academic programs shall be reviewed by the Department of Higher Education prior to submission to the Legislative Council or Joint Budget Committee. Provided, however, that the institution shall be limited to submitting no

more than two (2) individual transaction transfer requests during any fiscal year and shall be further limited to no more than five percent (5%) of the total General Revenue and Special Revenue appropriation, funding, positions specific to each institution, and no Tobacco Settlement funds or appropriations may be reallocated pursuant to this section.

Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for institutions of higher education each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for institutions of higher education and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that institutions of higher education may operate more efficiently if some flexibility is provided to institutions of higher education authorizing broad powers under this Section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

The provisions of this section shall be in effect only from July 1, ~~2015~~ 2016 through June 30, ~~2016~~ 2017.

SECTION 20. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. LOANS. In order to provide timely payments under financial aid appropriations made in this Act, the Chief Fiscal Officer of the State is authorized to provide loans from the Budget Stabilization Trust Fund to make available all funds attributable to the financial aid programs under the then current official revenue estimates. In the event of an unanticipated state revenue shortfall, any such loans remaining at the end of a fiscal year shall be repaid from revenues distributed in the first two months of the next fiscal year. Funds for appropriations made in this Act for purposes other than financial aid shall not be affected by the application of this provision.

The provisions of this section shall be in effect only from July 1, ~~2015~~ 2016 through June 30, ~~2016~~ 2017.

SECTION 21. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. WORK FORCE 2000 DEVELOPMENT FUND PROCEDURES. Such funds as may be transferred shall not exceed 93.691% of the total funds available from the Work Force 2000 Development Fund during the fiscal year. In the event that a technical institute or comprehensive lifelong learning center which receives support from the Work Force 2000 Development Fund as determined by law transfers or merges into the Arkansas Technical College and Community College System for which Work Force 2000 Development Fund monies are determined by law, then the actual amount of support from the Work Force 2000 Development Fund in the preceding fiscal year for such educational institution shall be made available irrespective of any other provision of law which sets out maximum levels of support from such fund.

The funds distributed under Arkansas Code 26-51-205(d)(2)(C) in excess of those amounts collected and distributed prior to June 30, 2014 shall be deposited into the Skills Development Fund to be used only for personal services, grants, operation, support, and improvement of occupational, vocational, technical, and workforce development programs by the Department of Career Education - Office of Skills Development. The distributions of funds under Arkansas Code 26-51-205(d)(2)(C) in excess of those amounts collected and distributed prior to June 30, 2014 shall not apply to proceeds allocated to schools, colleges and educational institutions under Arkansas Code 26-51-205(d)(2)(A) and 26-51-205(d)(2)(B).

This is usually accomplished by delineating such maximums in the appropriation act(s) for institutions of higher education and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that institutions of higher education may operate more efficiently if some flexibility is provided to institutions of higher education authorizing broad powers under this Section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. SECTION 45. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2016 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2016 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2016.
