### **Subtitle**

TO PROTECT THE PRIVACY OF SURVIVING FAMILY MEMBERS OF A LAW ENFORCEMENT OFFICER WHO DIES IN THE LINE OF DUTY; AND TO EXEMPT CERTAIN LAW ENFORCEMENT RECORDS FROM DISCLOSURE; AND TO DECLARE AN EMERGENCY.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. DO NOT CODIFY. Legislative findings and determinations.

The General Assembly finds and determines that:

(1) The nature of a profession in law enforcement is inherently dangerous, with law enforcement officers frequently facing life threatening situations;

(2) During the course of his or her duties, a law enforcement officer routinely relies on audio and video recording devices to record his or her movements and actions;

(3) Due to the inherently dangerous nature of a profession in

law enforcement, a law enforcement officer's death that occurs in the line of duty is likely to be captured and depicted on an audio or video recording device;

(4) Absent a compelling public interest, or the necessity to evaluate a law enforcement officer's conduct, or an official purpose such as a criminal, civil, or administrative proceeding or an official investigation into a law enforcement officer's death, the disclosure of an audio or visual depiction of the death of a law enforcement officer would have little value to the public other than to satisfy a morbid curiosity concerning the death of a law enforcement officer;

(5) Presently, there are audio and video recordings that depict the death of a law enforcement officer available in various public forums for viewing and sharing which have the potential to encourage copycat acts of violence against law enforcement officers and to incite other acts of violence against law enforcement officers, and which also subject the surviving family members of the deceased law enforcement officer to viewing the murder or death of their family member on television, internet, social media, and other publically accessible forums - causing the surviving family members to relive the pain associated with the death and allowing the public to view and publically share with others sensitive depictions of the final moments and death of their family member - thereby invading the privacy of the deceased law enforcement officer's family; and

(6) It is the intent of this act to:

(A) Protect the privacy belonging to family members of a deceased law enforcement officer; and

((B) Discourage copycat acts of violence or other similar forms of violence against law enforcement officers.

SECTION 2. Arkansas Code Title 12, Chapter 6, is amended to add an additional subchapter to read as follows:

Subchapter 6 – Law Enforcement Agencies in General

12-6-601. Confidentiality of certain law enforcement records – Definitions.

(a) As used in this section:

(1) "Access a record" means to view a photograph or video

recording or to listen to an audio recording;

(2) "Custodian of the record" means a person identified by the governmental entity that possesses the record and is responsible for safeguarding and providing access to the record;

(3) "Death of a law enforcement officer" means all acts or events that caused or otherwise relate to the death of a law enforcement officer who was acting in the course of his or her official duties, including any related acts or events immediately preceding or subsequent to the acts or events that caused or otherwise relate to the death;

(4) "Family member" means a spouse, biological or adopted child, parent, or sibling of the deceased law enforcement officer;

(5) "Law enforcement officer" means a person vested by law with a duty to maintain public order and to make arrests for offenses;

(6)(A) "Notice" means that from all the facts and circumstances known to the person at the time, the person has reason to know that the facts and circumstances exist.

(B) Notice may be communicated in person or through other means, including without limitation, by telephone, telegraph, teletype, telecopier, facsimile, or other form of wire or wireless communication, or by mail or private carrier; and

(7) "Record" means a photograph, video recording, or audio recording, including any audio or video footage captured on a body-worn camera or a dashboard camera.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that it is of public interest to protect the privacy of the family members of a deceased law enforcement

officer; that currently, there are no safeguards or procedures in place to ensure that a recording that depicts the death of a law enforcement officer is released in a proper, respectful, and authorized manner; and that this act is immediately necessary because it provides a balanced procedure to achieve proper release of a video or audio recording that depicts a law enforcement officer's death while taking into account the privacy belonging to the family members of the deceased law enforcement officer. Therefore, an emergency is declared to exist, and this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
