TO AMEND THE SPECIAL ANNUAL FEE FOR A TROUT SPECIAL PERMIT; TO AUTHORIZE AN INCREASE FOR THE SPECIAL ANNUAL FEE FOR A TROUT SPECIAL PERMIT AND THE FEE FOR A LIFETIME TROUT STAMP AND LIFETIME COMBINATION TROUT AND STATE DUCK STAMP.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. DO NOT CODIFY. Legislative findings and intent.

(a) The General Assembly finds that:

(1) Trout fishing in Arkansas annually generates an estimated one hundred eighty million dollars (\$180,000,000);

(2) Trout fishing brings in revenue to the state through tourism, which is Arkansas's second leading industry;

(3) Trout fishing supports Arkansans who work in the multi-million dollar tourism industry and Arkansans who are avid trout anglers;

(4) Arkansas anglers and nonresident anglers trust the Arkansas State Game and Fish Commission to provide quality trout fishing

opportunities;

(5) Trout do not naturally reproduce well in most Arkansas waters and need to be grown and stocked with the help of hatcheries and Arkansas State Game and Fish Commission staff;

(6) Hatchery renovations are needed in order to maintain trout production levels at hatcheries in the state and to support Arkansas's trout-fishing industry; and

(7) An increase in funding is necessary for hatchery renovations, trout management, and improvements in fishing opportunities in the state.

(b) It is the intent of the General Assembly that an increase in the special annual fee for a trout special permit will provide the necessary funding for hatchery renovations, trout management, and improvements in fishing opportunities in the state.
