SECTION 10. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. CONTINGENCY RESTRICTION - UTILITIES DIVISION. In the event of unforeseen conditions, additional appropriations become necessary that are not authorized or contemplated in the Utilities Division appropriation of this Act and such events make it necessary that the Public Service Commission - Utilities Division receives additional appropriations to carry out the objectives of the agency, the Director of the Public Service Commission is hereby authorized to request the approval of the Governor and the Chief Fiscal Officer of the State, as hereinafter provided, for transfer of the additional appropriations provided in the Contingency appropriation to the appropriations provided by the Utilities Division appropriation, but in no event shall the transfers exceed the appropriations provided in the Contingency appropriation of this Act. Whenever the Director of the Public Service Commission deems it necessary to establish additional appropriations as authorized herein, he or she shall file with the Governor a written report accompanied by necessary supporting documents setting forth the facts, justifications, and circumstances that necessitate such appropriation. Upon receipt of such reports and supporting documents, the Governor, or his or her

designee, shall study the same, and if he or she shall determine that such additional appropriations are being sought in strict compliance with this Act, the Governor, after seeking prior review and prior approval by the Arkansas Legislative Council or the Joint Budget Committee, may approve or modify such request for additional appropriations as in his or her judgment he or she deems necessary, and shall forward a copy thereof to the Chief Fiscal Officer of the State. Upon receipt thereof, the Chief Fiscal Officer of the State shall direct the State Auditor to process said transfer upon his books in accordance with the provisions as set out therein.

Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that the Public Service Commission - Utilities Division may operate more efficiently if some flexibility is provided to the Public Service Commission - Utilities Division authorizing broad powers under this Section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

The provisions of this section shall be in effect only from July 1, ~~2020~~ 2021 through June 30, ~~2021~~ 2022.

SECTION 11. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. REFUND TO EXPENDITURE. The proceeds from the reimbursement of travel expenses received by the Public Service Commission, shall be deposited into the same State Treasury Fund or Fund Account from which the original travel expenditure was incurred as a refund to expenditure to the credit of the appropriation from which the original expenditure was made.

The provisions of this section shall be in effect only from July 1, ~~2020~~

2021 through June 30, ~~2021~~ 2022.

SECTION 12. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.

CONTINGENCY RESTRICTION - TAX DIVISION. In the event additional appropriations become necessary that are not authorized or contemplated in the Tax Division appropriation of this Act and specific cases, situations, and/or programs make it necessary that the Arkansas Public Service Commission – Tax Division receives additional appropriations to carry out the objectives of the Division, the Chairman of the Arkansas Public Service Commission is hereby authorized to request the approval of the Governor and the Chief Fiscal Officer of the State for transfers of the appropriations provided in the Contingency line item of the Tax Division appropriation of this Act to other line items within the Tax Division appropriation. In no event shall the transfers in any fiscal year exceed the appropriations provided in the Contingency line item of the Tax Division appropriation of this Act. The Governor may approve or modify such request for transfer of appropriations as in his or her judgment he or she deems necessary, and shall seek prior review and approval of the Arkansas Legislative Council or Joint Budget Committee and inform the Chief Fiscal Officer of the State. Upon notification, the Chief Fiscal Officer of the State shall direct the State Auditor to process said transfer upon his or her books in accordance with the provisions as set out herein.

Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization law. Further, the General Assembly has determined that the Public Service Commission - Tax Division may operate more efficiently if some flexibility is provided to the Public Service Commission - Tax Division authorizing broad powers under this Section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a

severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

The provisions of this section shall be in effect only from July 1, ~~2020~~ 2021 through June 30, ~~2021~~ 2022.

SECTION 13. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Procurement Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 14. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this act shall be in compliance with the stated reasons for which this act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 15. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2021 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2021 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2021.
