SECTION 51. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. LANDFILL POST-CLOSURE TRUST FUND.

(a) The General Assembly finds that:

(1) A growing number of regional solid waste management districts within the state are facing difficulty in funding the necessary costs of ~~closure and~~ post-closure care of landfills owned by the districts; and

(2) Without ~~closure and~~ post-closure care of landfills, irreparable harm to human health and the environment will occur.

(b) Notwithstanding Arkansas Code § 8-6-1001 et seq. and any Landfill Post-Closure Trust Fund cleanup restrictions enumerated in this Act, the Arkansas ~~Department~~ Division of Environmental Quality also may:

(1) Expend monies from the Landfill Post-Closure Trust Fund to a state-approved contractor or the regional solid waste management district to complete all actions necessary to achieve the ~~final closure and~~ post-closure care of a landfill owned by a regional solid waste management district if the ~~department~~ division determines that the regional solid waste management district:

(A) Has filed for protection under federal bankruptcy law;

(B) Is unable to meet its debt obligations in the ordinary course of its operations; or

(C) Is otherwise insolvent.

(c) This section is in effect only from July 1, ~~2020~~ 2021 through June 30, ~~2021~~ 2022.

SECTION 52. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.

All funds that are held in any trust fund administered by the Arkansas ~~Department~~ Division of Environmental Quality may be invested and reinvested, subject to the written approval of the Office of the Treasurer, and all investments as authorized for use by the Office of the Treasurer may be available to the listed funds. The movement of these funds into and out of investments shall be by fund transfers as directed by the Director of the Arkansas ~~Department~~ Division of Environmental Quality or the Director's designee.

The provisions of this section shall be in effect only from July 1, ~~2020~~ 2021 through June 30, ~~2021~~ 2022.

SECTION 53. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. SHARED SERVICES.

(a)(1)(A) The Chief Fiscal Officer of the State may create paying accounts on his or her books and on the books of the Treasurer of State and the Auditor of State for the payment of personal services and operating expenses by the Department of Energy and Environment.

(B) Upon prior approval of the Arkansas Legislative Council, or if meeting in Legislative Session the Joint Budget Committee, the Chief Fiscal Officer of the State shall direct the transfer of funds and appropriations to the Shared Services Paying Account appropriation section of this act and the transfer of positions to the Regular Salaries – Shared Services appropriation section of this act on the books of the Treasurer of State, the Auditor of State, and the Chief Fiscal Officer of the State.

(2) The transfer authority provided in subdivision (a)(1) of this section for efficiencies and to eliminate duplication of services are limited only to those services that are provided for multiple divisions of a department, including without limitation to administration, human resources, procurement, communications, fleet operations, and information services.

(3) The transfer authority provided to the department in subdivision (a)(1) of this section may be used to make transfers only within the department's appropriation act or between other appropriation acts

authorized for the department.

(b)(1) Each department utilizing the Shared Services Paying Account section or Regular Salaries – Shared Services section of this act shall submit a report to be included in the Budget Manuals for hearings, conducted by the General Assembly, listing all shared services transfers of positions, funds, and appropriation under this section, which shall be submitted as instructed by the Department of Finance and Administration - Office of Budget for uniformity.

(2) A report submitted under subdivision (b)(1) of this section shall include the following:

(A) The position number, authorized position title, class code, grade, business area, and name of the division, section, or unit for the position being transferred to the Regular Salaries – Shared Services section of this act; and

(B) The fund center, appropriation, appropriation amount, commitment item or items, business area, and name of the division, section, or unit for the fund or appropriation being transferred to the Shared Services Paying Account.

(c)(1) It is the intent of the Ninety-Second General Assembly that the authority under this section to transfer positions is intended for use for the time period prior to Fiscal Year ~~2022~~ 2023 to allow cabinet-level departments to establish a centralized Regular Salaries - Shared Services section, with the recommendation that the position transfer authority granted under this section be discontinued after that time.

(2) The Bureau of Legislative Research shall bring the recommendation in subdivision (c)(1) of this section to the attention of the chairs conducting the ~~2021~~ 2022 ~~Regular~~ Fiscal Session pre-session budget hearings, the chairs of the Special Language Subcommittee, and the members of the Special Language Subcommittee during pre-session budget hearings.

(d) Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a cabinet-level department each fiscal year is the prerogative of the General Assembly and is usually accomplished by delineating the maximums in the appropriation act or acts and establishing authorized positions and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization Law. Further, the General Assembly has determined that the

cabinet-level departments created under Acts 2019, No. 910, may operate more efficiently if some flexibility is provided as authorized under this section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee, as provided by this section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

(e) The provisions of this section shall be in effect from the date of passage through June 30, ~~2021~~ 2022.

SECTION 54. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Procurement Law, the General Accounting and Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 55. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this act shall be in compliance with the stated reasons for which this act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 56. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2021 is essential to the operation of

the agency for which the appropriations in this Act are provided, and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2021 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2021.
