SECTION 2. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that professional recognition payments for county assessors, full-time employees of county assessors' offices, and state employees who work with property to facilitate the administration of property tax in this state would not be available this year without the necessary changes made by this act; and that the absence of the

professional recognition payments imperils the ability to meet the requirements of the Arkansas Constitution in connection with the proper assessment of property tax. Therefore, an emergency is declared to exist and this act being immediately necessary for the preservation of public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
