### **Subtitle**

TO CREATE THE ARKANSAS MILITARY CHILD SCHOOL TRANSITIONS ACT OF 2021; AND TO ADVANCE ACHIEVEMENT OF EDUCATIONAL SUCCESS ON BEHALF OF CHILDREN OF MILITARY FAMILIES.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. DO NOT CODIFY. Legislative findings and intent.  
The General Assembly finds that:

(1) The Arkansas Military Child School Transitions Act of 2021 will strengthen the state's direction for establishing and maintaining effective school transition programs in support of dependents of uniformed services families who may change states and school districts six (6) or more times during their kindergarten through twelfth grade (K-12) years during their parents' service;

(2) This legislation consolidates all relevant state and interstate compact guidance relating to state and school district support for smooth school transitions established by this act;

(3) While the changes are primarily structural, this act

provides an added provision to permit enrollment in distance and digital education coursework for inbound transitioning students;

(4) Virtual enrollment is a United States Department of Defense priority that enables seamless transitions to new curricula and prevents untimely disruptions to high school graduations of children of military families;

(5) This act extends eligibility to dependent children of dual status military technicians who are required, as a condition of employment, to serve in a military capacity in the reserve component units in which they also serve in a civilian capacity;

(6) Dual status military technicians are liable for directed reassignments similar to active duty service members, and may also be mobilized and deployed similar to all active duty service members; and

(7) This act extends eligibility to dependent children of traditional Guardsmen and reservists who are relocating to Arkansas to take advantage of a civilian employment opportunity or to assume a position in an Arkansas-based reserve component unit.

SECTION 2. Arkansas Code Title 6, Chapter 28, is amended to add an additional chapter to read as follows:

CHAPTER 28

ARKANSAS MILITARY CHILD SCHOOL TRANSITIONS ACT OF 2021

Subchapter 1 – Arkansas Military Child School Transitions

6-28-101. Title.

This chapter shall be known and may be cited as the "Arkansas Military Child School Transitions Act of 2021".

6-28-102. Legislative findings.

The General Assembly finds that:

(1) Maintaining a positive education trajectory is challenging for children of uniformed services families due to their parents' frequent reassignments and deployments, which interrupt academic progress, social growth, and achievement;

(2) Ensuring a quality, effective education for their children is the top concern of military families, which translates to a personnel readiness issue for the uniformed services when service members elect to separate to ensure education stability for their children;

(3) Countering disruptions adversely impacting successful school transitions are best led by advance notice of a child of a military family's pending transition, swift transfer of education records, well-trained school administrators assessing those records, and the collaborative building of an effective future curriculum plan with military service families;

(4) Consistent application of qualification and eligibility guidelines provide the basis for a child of a military family's effective educational experience;

(5) Advanced access to interscholastic and club sports and other extracurricular activities is essential to social development and reinforcing a welcoming reception at new schools;

(6) The uniform collection and sharing of information regarding the numbers of children of military families transitioning helps decision makers craft programs and make the well-informed decisions that bolster broad education success for children of military families;

(7) Cooperation and informed collaboration among the educational system, parents and legal guardians, and children of military families are essential to the academic success of a child of a military family;

(8) Coordination of state and public school district efforts to serve the purposes and carry out the obligations of this chapter are best met through a consolidated state coordinating body to orchestrate collaborative efforts of the state, public school districts, installation commands, and military service families;

(9) Arkansas is recognized for its establishment and exercise of local programs that facilitate successful school transfers on behalf of children of military families that provide public school districts with the resources, methodologies, and personnel training to support effective transitions by all children of military families;

(10) Consolidating guidance and administration of programs established by the Division of Elementary and Secondary Education and public school districts ensures smooth transitions for children of military families; and

(11) To best meet the needs of children of military families requires periodic needs assessment across the state and the potential modification, expansion, or extension of programs.

6-28-103. Purpose.

(a) The purpose of this chapter is to:

(1) Maximize the potential for effective school transitions by children of uniformed services families through provisions of this act administered by the Division of Elementary and Secondary Education and implemented by public school districts; and

(2) Consolidate state and Interstate Compact on Educational Opportunity for Military Children guidance.

(b) The kindergarten through grade twelve (K-12) success of students of military families is challenged by frequent relocations due to base reassignments and deployments of their parents or legal guardians.

(c) To better meet the needs of children of Arkansas-based active and reserve component uniformed services families, this act expands and extends the application of the provisions of the Interstate Compact on Educational Opportunity for Military Children, § 6-4-301 et seq., by:

(1) Facilitating the timely enrollment of children of military families and ensuring the children of military families are not placed at a disadvantage due to difficulty in the transfer of education records from a previous public school, including a public school in another state;

(2) Facilitating the placement process for children of military families so children of military families are not disadvantaged by variations in attendance requirements, scheduling, lesson sequencing, grading, course content, and assessment;

(3) Facilitating the qualification and eligibility for enrollment, educational programs, and participation in extracurricular activities;

(4) Facilitating the on-time graduation of children of military families;

(5) Providing for the adoption and enforcement of administrative rules to implement this chapter;

(6) Providing for the uniform collection and sharing of information between and among public school districts; and

(7) Promoting flexibility and cooperation between the educational system, military installation leaders and their commands, parents and legal guardians, and children of military families to achieve educational success for the children of military families.
