## For An Act To Be Entitled

AN ACT TO AMEND AND UPDATE LAWS REGARDING *NEWBORN SURRENDERS*; TO CLARIFY WHEN PARENTS' RIGHTS NO LONGER ATTACH REGARDING SAFE HAVEN INFANTS; TO *AMEND AND EXPAND* DEFINITIONS UNDER THE LAWS REGARDING SAFE HAVEN; AND FOR OTHER PURPOSES.

## Subtitle

TO CLARIFY WHEN PARENTS' RIGHTS NO LONGER ATTACH REGARDING SAFE HAVEN INFANTS AND TO AMEND DEFINITIONS UNDER THE LAWS REGARDING SAFE HAVEN.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

*SECTION 1. DO NOT CODIFY. Legislative findings and intent.*

*The General Assembly finds that:*

*(1) Acts 2001, No. 236, § 9-34-201 et seq., otherwise known as the "Safe Haven Act", allows a medical provider, such as an emergency department of a hospital, a law enforcement agency, or a fire department to take possession of a newborn child thirty (30) days old or younger without adverse legal consequences to the parent if the parent voluntarily leaves the child with the medical provider, law enforcement agency, or fire department;*

*(2) There is a heightened need to encourage safe, voluntary surrenders of newborns whose parents determine they cannot care for them, even when the letter of the law is not followed;*

(3) The more places that newborns can be safely relinquished for adoption without the fear of adverse legal outcomes to the birth parents, the better;

(4) There is a need to clarify that if a parent or child's identity is inadvertently released to the Department of Human Services, the same protections from liability shall be afforded to the parents when a surrender is made under this section;

(5) Currently, the Safe Haven Act does not address parental rights and recently, several recent cases have revealed issues resulting from ambiguous statutory language and no clear procedure existing to ensure due process protections; and

(6) There is a need to clarify when and how parental rights are terminated when a surrender is made under this section in an effort to expedite permanency for surrendered newborns while also ensuring the parents' constitutional rights are protected.

SECTION 2. Arkansas Code § 9-34-201(3), concerning the definition of "medical provider", is amended to read as follows:

(3) "Medical provider" means any ~~emergency~~ medically staffed department of a hospital licensed under § 20-9-214.

SECTION 3. Arkansas Code § 9-34-202(b), concerning the protocol followed when a medical provider, law enforcement agency, or fire department that takes possession of a child in accordance with the Safe Haven Act, is amended to add an additional subdivision to read as follows:

(3)(A) If the identity of a parent or child is released or made known to the Department of Human Services in violation of subsection (b)(2) of this section, the case shall proceed as a dependency-neglect action as defined under § 9-27-303, but with the same protections from liability as if an anonymous surrender was made under this section.

(B)(i) If the child is relinquished at a location defined in § 9-34-201, the parent shall not be held criminally liable for the relinquishment or have a true finding of maltreatment or abandonment entered against the parent if the parent's identity is known and the Department of Human Services proceeds under § 9-27-341.

(ii) The department shall not subsequently use a

resulting termination of parental rights against a parent who surrendered his or her child under this section.

SECTION 4. Arkansas Code § 9-34-203 is amended to read as follows:

9-34-203. Care of the child and permanency plan.

(a) Upon delivery of the child to a medical provider, law enforcement agency, or fire department, the law enforcement officer, an appropriate employee of the fire department, or an appropriate employee of the hospital shall take the child into protective custody for seventy-two (72) hours under the Child Maltreatment Act, § 12-18-101 et seq.

(b)(1) The law enforcement officer, employee of the fire department, or employee of the hospital shall immediately notify the Division of Children and Family Services, which shall initiate a dependency-neglect petition under the Arkansas Juvenile Code of 1989, § 9-27-301 et seq., and shall proceed under § 9-27-341.

(2)(A) Within fourteen (14) days of filing a dependency-neglect petition, the Department of Human Services shall publish a notification by warning order in a newspaper having general circulation in the county where the proceeding was filed one (1) time a week for four (4) weeks.

(B) The notification shall contain:

(i) The caption of the pleadings in the dependency-neglect case;

(ii) The location where the child was delivered;

(iii) The date the child was delivered;

(iv) Notice that a dependency-neglect proceeding has been filed, and that any parent claiming rights to the child must file a responsive pleading or motion and appear before the court hearing the case to defend the parent's claim within thirty (30) days from the date of last publication; and

(C) If the identity of a parent or child is released or made known to the Department of Human Services in violation of § 9-34-202(b)(2), the case shall proceed as a dependency-neglect action as defined under § 9-27-303, but with the same protections from liability as if an anonymous surrender was made under this section.

(D) If no responsive pleadings are filed by the parent within thirty (30) days from the date of last publication and there are

prospective adoptive parents seeking to adopt the child, the Department of Human Services may proceed with the filing of an adoption petition without further notice.
