SECTION 3. Arkansas Code § 6-63-308 is amended to read as follows:

6-63-308. Overtime for ~~classified~~ certain positions – Limitations.

6-63-318. Extra help positions.

(a) A position authorized as extra help in an institution of higher education shall be assigned a title authorized by an institution’s operative appropriation act, and any person hired in an extra help position shall meet the minimum qualifications for the position.

(b)(1) The division shall establish and maintain a temporary transition pool of fifty (50) positions to be used to establish additional temporary positions in an institution if the institution does not have

sufficient positions available to address organizational transition issues such as succession planning or other changes involving administration of the institution.

(2) An institution shall use temporary transition pool positions only if the personnel service needs exceed the number of positions authorized by the General Assembly and were not anticipated at the time of the passage of the institution's operative appropriation bill.

(3) A position from the temporary transition pool shall not be authorized for an institution until the specific position is:

(A) Requested by the institution;

(B) Recommended by the division; and

(C) Reviewed by the Legislative Council or, if the General Assembly is in regular, fiscal, or extraordinary session, the Joint Budget Committee.

(4) Temporary transition pool positions shall be authorized for not more than one hundred eighty (180) calendar days in a fiscal year and may not be renewed or extended.

(2) To obtain a position from the pool under subsection (c)(1) of this section, an institution shall surrender a position not being utilized at the time of the request.

(3) A request for a position from the pool under subsection (c)(1) of this section shall be fulfilled upon recommendation of the division and review by the Legislative Council or, if the General Assembly is in regular, fiscal, or extraordinary session, the Joint Budget Committee.

(b) The Division of Higher Education shall establish and publish policies and procedures for the administration of career service recognition payments to employees of institutions upon a determination by the Director of the Division of Higher Education that the respective institution has sufficient funds available for that purpose.

(c) Nonfaculty employees of institutions who meet eligibility requirements established by subsection (a) of this section shall become eligible for annual career service recognition payments on the anniversary date of the completion of such service according to the following schedule:

SECTION 5. Arkansas Code Title 21, Chapter 5, Subchapter 14, is repealed.

~~21-5-1401.—Title.~~

~~This subchapter shall be known and may be cited as the “Higher Education Uniform Classification and Compensation Act”.~~

~~21-5-1402. Definitions.~~

~~As used in this subchapter:~~

~~(1) “Class” or “classification” means a group of positions sufficiently similar as to duties performed, scope of discretion and responsibility, minimum requirements of education or training, skill, experience, and other characteristics that the same class title, the same test of fitness, and the same grade have been or may be applied to each position in the group;~~

~~(2) “Classified employee” means a person regularly appointed or employed in a position of state service by an institution of higher education for which:~~

~~(A) He or she is compensated on a full-time basis or on a pro rata basis; and~~

~~(B) A class title and grade are established in the appropriation act for the institution in accordance with the classification and compensation plan enacted in this subchapter;~~

~~(3) “Class specification” means a written document that identifies a group of positions that require the same type of work and responsibility and sets out the general components of the job description for each position in the category by providing a class title, class code, distinguishing features and examples of work, knowledge, skills, and abilities, and the necessary minimum education and experience requirements to perform the assigned duties;~~

~~(4)(A) “Crossgrade” means a temporary reclassification of a position during the fiscal year.~~

~~(B) The Division of Higher Education may authorize a temporary crossgrade through a change in the classification of a position from the classification authorized in an institution’s appropriation act between legislative sessions to assure correct classification and for other purposes with the following restrictions:~~

~~(i) A position shall not be crossgraded to a classification at a grade higher than the grade originally authorized for the~~

~~position by the General Assembly in the institution's appropriation act;~~

~~(ii) A position may be crossgraded to a classification at the same or lower grade than the position as originally authorized for the position by the General Assembly in the institution's appropriation act;~~

~~(iii) Positions that have been crossgraded may be restored to the original authorized class during the fiscal year with the approval of the division for those positions within the same occupational group;~~

~~(iv) Position classifications may be crossgraded or restored to their original classifications only after the review and approval of the division;~~

~~(v) Positions established under the pay plan may not be crossgraded to positions having an authorized line item maximum salary established by the General Assembly in the institution of higher education's appropriation act; and~~

~~(vi) Positions having an authorized line item maximum salary by the General Assembly in the institution's appropriation act may not be crossgraded from line item status to classified status;~~

~~(5) "Demotion" means the change in duty assignment of an employee from a position in one classification to a position in another classification of a lower grade;~~

~~(6) "Grade" means an authorized pay range for classifications assigned to the pay plan having a minimum pay level, midpoint pay level, and maximum pay level as provided in this subchapter;~~

~~(7) "Head of the institution" means the executive head of an institution of higher education;~~

~~(8) "Institution of higher education" or "institution" means a public institution of higher education supported, in whole or in part, by appropriation of state funds;~~

~~(9)(A)(i) "Job sharing" means a form of employment in which the hours of work of two (2) or more persons are arranged in such a way as to cover one (1) regular full-time position.~~

~~(ii) The division may authorize job sharing for any regular full-time position.~~

~~(B) The Director of the Division of Higher Education or~~

~~his or her designee shall promulgate necessary rules to carry out this subdivision (9);~~

~~(10) "Maximum pay level" means the highest authorized level of pay for a grade for normal compensation administration purposes;~~

~~(11) "Midpoint pay level" means the rate of pay midway between the minimum pay level and the maximum pay level established for each grade;~~

~~(12) "Minimum pay level" means the entry level pay rate for classifications assigned to the compensation plan;~~

~~(13)(A) "Occupational group" means a collection of classes having similar job description components and sharing a primary function.~~

~~(B) In determining the occupational group to which a class is assigned, consideration shall be given to the type of work performed, the education or experience required, job elements or tasks, and the purpose of the job;~~

~~(14) "Pay level" means any single rate of pay in a grade, including the minimum pay level, midpoint pay level, and maximum pay level;~~

~~(15) "Position" means an office or employment that is legislatively authorized in an institution of higher education, occupied or vacant, requiring the services of one (1) full-time equivalent employee;~~

~~(16) "Promotion" means the change in duty assignment of an employee from a position in one classification to a position in another classification of a higher grade; and~~

~~(17)(A) "Reclassification" means a change in the assignment of a position from one classification title to another classification title of either a higher or lower grade when material and permanent changes in the duties and responsibilities of the position being recommended for reclassification have occurred or when it is necessary to establish a new classification title to meet federal standards as a prerequisite for federal programs.~~

~~(B) Positions eligible for reclassification within an institution of higher education are only those positions assigned a specific classification title and grade.~~

~~(C) Positions having a line-item maximum salary are exempt from the provisions in this section and may not be reclassified from line-item status to a classified designation bearing a salary grade.~~

~~(D) Positions within an institution of higher education~~

~~designated within a classification title and grade shall not be reclassified to a classification title for which a line item maximum annual salary has been established.~~

~~(E) Interim reclassifications approved by the division shall be implemented through the crossgrading of existing positions within an institution of higher education or through the acquisition of pool positions as authorized in § 21-5-1415(a)(1).~~

~~21-5-1403. Regular salary procedures and restrictions.~~

~~Arkansas Constitution, Article 16, § 4, provides: "The General Assembly shall fix the salaries and fees of all officers in the State, and no greater salary or fee than that fixed by law shall be paid to any officer, employee or other person, or at any rate other than par value; and the number and salaries of the clerks and employees of the different departments of the State shall be fixed by law." Therefore, the following provisions are applicable to all authorized regular salary positions in appropriation acts unless specific exception is made otherwise by law:~~

~~(1) For any position authorized by the General Assembly of the State of Arkansas for the benefit of any institution of higher education for which the provisions of this subchapter are to be applicable, it is the intent of the General Assembly that this subchapter govern with respect to:~~

~~(A) The entry pay level;~~

~~(B) The frequency with which increases in pay may be~~

~~granted; and~~

~~(C) The maximum annual salary that may be paid for the grade assigned each employee;~~

~~(2) For any position authorized by the General Assembly for the benefit of any institution of higher education for which a maximum annual salary is set out in dollars, it is the intent of the General Assembly that the position be paid at a rate of pay not to exceed the maximum established for the position during any one (1) fiscal year and that the maximum annual salary authorized is for full-time employment;~~

~~(3)(A) For all positions authorized by the General Assembly for any institution of higher education, it is the intent of the General Assembly in determining the annual salaries of employees in those positions, that the head of the institution take into consideration the ability of the employee~~

~~and length of service.~~

~~(B) It is not the intent of the General Assembly that the maximum annual salaries as authorized in the appropriation act or pay increases established for the various grades under this subchapter be paid unless the employee meets the qualifications associated with each pay level and then only within the limitations of the appropriations and funds available for that purpose.~~

~~(C) An employee authorized by the General Assembly shall not receive from appropriated or cash funds, either from state, federal, or other sources, compensation in an amount greater than that established by the General Assembly as the maximum annual salary for the employee, unless specific provisions are made by law; and~~

~~(4) An employee of an institution of higher education shall not be paid any additional cash allowances, including without limitation uniform allowance, clothing allowance, motor vehicle depreciation or replacement allowance, fixed transportation allowance, or meals and lodging allowance other than for reimbursement for costs actually incurred by the employee unless the allowances are specifically set out by law as to eligibility of employees to receive the allowances, and the maximum amount of such allowances are established by law for each employee or for each class of employees eligible to receive the allowances.~~

~~21-5-1404. Effect on appropriation acts.~~

~~(a) All appropriation acts of all institutions of higher education subject to this subchapter shall be governed by this subchapter with respect to grades, class titles, salary increases, salary increase eligibility, and other provisions unless special language in the appropriation act of the institution specifically allows the institution to provide salary increases, grade assignments, class title assignments, salary increase eligibility, and other provisions different from those provided by this subchapter.~~

~~(b) When the intent of the General Assembly, by amendment to appropriation bills, is to allow a higher grade for a classification than that listed in this subchapter, the grade assigned to the classification in the appropriation act for the classification, as designated with the higher grade, shall be the grade for the classification in the institution during the biennium.~~

~~(c) When a higher grade is authorized in this subchapter for classifications that are not reflected in the appropriation act of an institution, this subchapter shall set the grades to be authorized in an institution's appropriation act for the biennium unless special language in the appropriation act of an institution allows the institution to provide salary increases other than that provided in this subchapter.~~

~~(d) It is the intent of this section that the institutions governed by this subchapter be authorized to allow grades as provided in the appropriation acts of the institutions, provided that the rules that apply to salary increases under this subchapter shall not be waived unless special language in the appropriation act of the institution authorizes the institution to provide increases other than those authorized under this subchapter.~~

~~21-5-1405. Division of Higher Education—Duties.~~

~~(a) The Division of Higher Education shall perform the following administrative duties with respect to the institution of higher education classification and compensation plan, subject to this subchapter:~~

~~(1) Determine that each position of an institution of higher education affected by this subchapter is allocated to a class having a written class specification based on the duties and responsibilities assigned to the position and the requirements necessary to satisfactorily perform the duties;~~

~~(2) Assist institutions in the allocation of positions to classes established in this subchapter and in the appropriation acts covering each of the institutions affected by this subchapter, and disallow the allocation of a position to a class that is not in conformance with this subchapter;~~

~~(3)(A) Authorize the temporary reclassification of positions in an institution affected by this subchapter in cases in which it has been determined by the division that there are material changes in the duties and responsibilities assigned to the position when there is no available vacant position having the proper classification and when it is impracticable to restructure the duties of the position to the proper classification.~~

~~(B) The reclassification of positions may also be authorized when it is necessary to establish a new classification to meet~~

~~federal standards as a prerequisite for federal programs, provided that a position is not placed in a class and receive pay at a salary rate in excess of the maximum salary rate authorized for the position that was reclassified as provided in the appropriation act of the institution;~~

~~(4)(A) Review all class specifications and all classes and grades and the compensation plan affecting all institutions covered by this subchapter and submit to the Legislative Council and the Governor in advance of the regular session and fiscal session of the General Assembly recommendations for revisions, modifications, or additions.~~

~~(B) When necessary, the division shall confer with the staff of the Legislative Council on the development of and revisions to uniform classification and compensation systems.~~

~~(C) Time periods for the development of recommendations and time periods for the review by the Legislative Council of those recommendations shall be as established by the Legislative Council.~~

~~(D) The time periods for recommendations and for review shall be sufficiently in advance of budget hearings for the regular session and fiscal session to allow for the thorough review by the Legislative Council;~~

~~(5) Develop and implement rules to accomplish the purposes of this subchapter;~~

~~(6)(A) Establish a procedure to allow the head of the institution to review the qualifications of applicants whose education and experience either do not meet or exceed that required by the class specification but who have other job-related qualifications that might be validly substituted for the class requirements.~~

~~(B) The procedure under subdivision (a)(6)(A) of this section is intended to allow institutions to substitute job-related education and experience for the specific requirements stated in the class specification without the necessity for the revision of the class specification.~~

~~(C) The procedure under subdivision (a)(6)(A) of this section shall require the final approval of the Director of the Division of Higher Education, with the review of the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee;~~

~~(7)(A) Review institution personnel transactions reported as~~

~~unqualified appointments.~~

~~(B) Unqualified appointments shall be reported by the division to the Legislative Council unless one (1) of the following actions is taken:~~

~~(i) Questionable appointments are reviewed by the director;~~

~~(ii) Payroll actions for questionable appointments that are determined by the director to be unqualified for the specific appointment are not processed until the unqualified appointment is removed from the payroll or is placed into a position in the institution for which the individual meets the minimum qualifications of the classification; or~~

~~(iii) Corrective action is documented by the institution.~~

~~(C) It is the specific responsibility of the head of each institution to certify that the qualifications of persons appointed to positions within the institution do meet or exceed the minimum education and experience requirements as stated in the class specification;~~

~~(8)(A) Establish each year, upon the review of the Personnel Subcommittee of the Legislative Council, new classifications at an appropriate grade in order to meet new or changed conditions and report at the end of each fiscal year all class titles contained in § 21-5-1406 for which a class specification has not been written.~~

~~(B) Any classification established under this subdivision (a)(8) shall remain in effect for the remainder of the fiscal year during which the classification was established unless specifically authorized to continue by the General Assembly as an addition to this subchapter;~~

~~(9) Revise, as necessary, the class specification of a classification in order to ensure the accuracy of the description of the assigned duties and the minimum requirements necessary to perform these duties and thereby maintain a valid relationship between the requirements and the duties and responsibilities of the jobs;~~

~~(10) Administer and maintain a system for the evaluation of employee performance effectiveness;~~

~~(11) Provide assistance to institutions in identifying, developing, and maintaining training and resource programs; and~~

~~(12) Develop and implement, as needed and upon the review of the~~

~~Legislative Council, rules to ensure a uniform system of personnel administration within higher education.~~

~~(b) To ensure and provide for the accuracy and efficiency of this subchapter and to provide for an efficient and equitable system of personnel management, the division, with the review of the Legislative Council, shall:~~

~~(1) Study on a continuing basis and modify and revise when necessary the current classifications, the class specifications, minimum requirements, and other requirements;~~

~~(2) Create when necessary new classifications at an appropriate grade that will accurately describe those positions for which no appropriate classification exists;~~

~~(3) Determine those positions that are improperly classified and reclassify those positions to the appropriate classification in accordance with this subchapter; and~~

~~(4) Develop and implement the policies, rules, and procedures necessary for the implementation of this subchapter.~~

~~21-5-1406. Classification of positions.~~

~~(a)(1) There are established for the institutions of higher education covered by this subchapter the classification titles and grades.~~

~~(2) No payment of salaries may be made except in conformity with the maximum annual salary rates assigned to the grades established by this section for each year as provided in the appropriation act of the institution and in this subchapter.~~

~~21-5-1407.— Compensation plan.~~

~~(a) There is established for institutions of higher education covered by this subchapter a compensation plan for the setting of salaries and salary increases, when deserved, of all employees serving in positions covered by this subchapter.~~

~~(b)(1) No employee shall be paid at a rate of pay higher than the appropriate rate in the grade assigned to his or her class, and no employee shall be paid more than the highest pay level established for the employee's grade unless otherwise provided for in this subchapter.~~

~~(2) However, an employee presently employed in a position who is being paid at a rate in excess of the maximum for his or her assigned grade may continue to receive his or her rate of pay.~~

~~(c) It is the intent of the General Assembly to authorize, in the enactment of the compensation plans, rates of pay for each of the appropriate grades assigned to a class, but it is not the intent of the General Assembly that any pay increases be automatic or that any employee have a claim or a right to pay increases unless the head of the institution determines that the employee, by experience, ability, and work performance, is eligible for the increase in pay authorized for the grade assigned by classification to the employee's position.~~

~~(d) Pay levels established in this subchapter are for compensation management purposes and are not to be construed as a contract, right, or other expectation of actual employee salary determination.~~

~~(e) The following grades and pay levels are the authorized pay plan, effective July 1, 2021, and thereafter, for the state service for all positions of institutions covered by this subchapter to which a classification title and salary grade have been assigned in accordance with this subchapter and the appropriation act of the institution:~~

~~(f) It is the intent of the General Assembly that the compensation plans in this section shall be implemented and function in compliance with other provisions in this subchapter and other fiscal control laws of this~~

state, when applicable.

~~(g) With the approval of the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee, salaries established by this section may exceed the maximum pay level for the grade assigned by the classification by no more than twenty five percent (25%) for no more than ten percent (10%) of the positions authorized in the institution's appropriation act.~~

~~21-5-1408. Implementation of plan—Changes in class specifications.~~

~~(a) For the purposes of implementing the higher education uniform classification and compensation plan for the institutions of higher education covered by this subchapter, the General Assembly determines that the class specifications prepared by the Division of Higher Education in classifying the positions authorized in the appropriation act of each institution be the class specifications to be followed in implementing the respective appropriations for all part-time and full-time employees of the institutions covered by this subchapter.~~

~~(b) Changes in class specifications may be made, in whole or in part, by rule of the division, and the changes shall be reported on a quarterly basis to the Legislative Council.~~

~~21-5-1409. Implementation procedure for grade changes—Salary adjustments.~~

~~(a) The Division of Higher Education has administrative responsibility for enforcing compliance by institutions of higher education affected by this subchapter in implementing classification and grade changes.~~

~~(b)(1) The division may authorize a salary increase of up to two percent (2%) each fiscal year upon certification by institutions of higher education that sufficient funds exist to implement salary increases.~~

~~(2) An employee whose adjusted annual salary falls below the entry pay level for the grade assigned to his or her classification shall have his or her annual salary further adjusted to the entry pay level.~~

~~(3) A salary increase under subdivision (b)(1) of this section may be established as an increase to the employee's salary or as a lump sum.~~

~~(4) A salary increase authorized by subdivision (b)(1) of this section may allow an employee's compensation to exceed the maximum pay level~~

~~amount set out for the position.~~

~~(c)(1) In addition to a compensation increase under subsection (b) of this section, the maximum annual salary for which an employee covered by this subchapter is eligible may be increased:~~

~~(A) By a percentage up to two percent (2%) with written approval by the Director of the Division of Higher Education; or~~

~~(B) More than two percent (2%) only with written approval of the Director of the Division of Higher Education after review by the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee.~~

~~(2) The salary increase may be established as an increase to the employee's salary or as a lump sum.~~

~~(3) An employee compensated at the highest pay level rate authorized for his or her classification is eligible to receive the salary increase authorized in this section as a lump-sum payment.~~

~~(d) Salary adjustments made by the director under this section shall be reported to the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee.~~

~~(e) All percentage calculations stipulated in this subchapter or any other law affecting salaries of employees of institutions of higher education may be rounded to the nearest even dollar amount by the division when making the increases to employee salaries as provided under subdivision (c)(1) of this section.~~

~~21-5-1410. New appointments—Other compensation plan provisions.~~

~~(a) A new appointment to a position in an institution of higher education covered by this subchapter shall be paid at the minimum pay level for the grade assigned to the classification unless otherwise authorized by law.~~

~~(b) Special rates of pay may be established for either classifications or positions for the following reasons:~~

~~(1) Prevailing labor market conditions;~~

~~(2) An extraordinarily well-qualified candidate;~~

~~(3) The need to retain trained, competent employees;~~

~~(4) An employee assigned additional duties as a result of the elimination of a position by an institution; or~~

~~(5) To meet the requirements of state or federal laws.~~

~~(c)(1) An institution may request a special rate of pay for a specific classification or position due to prevailing market rates of pay up to the midpoint pay level of the appropriate grade of a classification on the appropriate pay table for the assigned grade with the written approval of the Director of the Division of Higher Education.~~

~~(2) An institution may request a special rate of pay for a specific classification or position due to prevailing market rates of pay up to the maximum pay level for the assigned grade only with the approval of the director after review by the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee.~~

~~(3) The Division of Higher Education shall maintain a register of classifications or positions for which special rates of pay have been established due to prevailing market rates of pay.~~

~~(4) The division shall file a report of special rates of pay established due to prevailing market rates of pay with the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee, at the next regularly scheduled meeting following the approval.~~

~~(d)(1) A special rate of pay may be established for an exceptionally well-qualified applicant whose educational background or experience qualifies the applicant to perform the job with little or substantially less orientation and training than would be required for another qualified applicant.~~

~~(2)(A) The head of the institution may approve a special rate of pay under subdivision (d)(1) of this section up to fifteen percent (15%) above the minimum pay level for the grade assigned to the classification and shall report all actions under the division's procedures.~~

~~(B) The director may approve a special rate of pay under subdivision (d)(1) of this section above fifteen percent (15%) up to thirty percent (30%) above the minimum pay level for the grade assigned to the classification.~~

~~(C) The division may approve a special rate of pay under subdivision (d)(1) of this section above thirty percent (30%) up to the maximum pay level for the grade assigned to the classification after review by the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee.~~

~~(3) The division shall file a report of special rates of pay established under this subsection with the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee, at the next regularly scheduled meeting following the approval.~~

~~(e)(1) The head of the institution may approve special rates of pay to retain a trained, competent employee or due to the assignment of additional duties as a result of the elimination of positions by the institution, subject to the following:~~

~~(A) The assignment of additional duties is permanent and the duties assigned are beyond the scope of work currently being performed by the employee;~~

~~(B) The same employee may not receive a special rate of pay under this subdivision (e)(1) more than one (1) time during a biennium; and~~

~~(C) All increases up to ten percent (10%) approved under this subdivision (e)(1) shall be reported by the institution to the division, and increases above ten percent (10%) shall be approved by the division.~~

~~(2) The division shall file a report of all salary increases established under this subsection with the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee, at the next regularly scheduled meeting following the approval for review.~~

~~(f)(1)(A) An employee promoted on or after July 1, 2019, shall receive a salary increase up to ten percent (10%).~~

~~(B) However, an employee's rate of pay upon promotion shall not exceed the maximum pay level of the grade assigned to the classification.~~

~~(2) An employee who upon promotion is receiving a rate of pay below the minimum pay level established for the new grade shall be adjusted to the minimum pay level for that grade.~~

~~(3) An employee who returns to a position in a classification the employee formerly occupied within a twelve-month period after promotion from the classification is eligible for a rate of pay no greater than that for which the employee would have been eligible had the employee remained in the lower-graded classification.~~

~~(g)(1)(A) Upon demotion, an employee's pay shall be decreased by up to ten percent (10%).~~

~~(B) However, an employee's rate of pay upon demotion shall not exceed the maximum pay level of the grade assigned to the classification.~~

~~(2) If the employee's salary falls below the lowest minimum pay level of the new grade upon demotion, his or her salary shall be adjusted to the minimum pay level for the grade.~~

~~(h)(1) If an employee accepts a new position that is a transfer, the employee may receive a change in pay, as follows:~~

~~(A) If the employee's salary falls below the minimum pay level of the new grade, then his or her salary shall be adjusted to the minimum pay level for the grade; or~~

~~(B) If a special rate of pay has been established under this section, then his or her salary shall be appropriately adjusted.~~

~~(2) A transferring employee's rate of pay shall not exceed the maximum pay level of the grade assigned to the new position unless otherwise authorized.~~

~~(i) An employee who is placed in a lower-graded position on the same pay table because the original position has expired due to lack of funding, program changes, or withdrawal of federal grant funds may continue to be paid at the same rate as the employee was being paid in the higher-graded position upon approval of the division after seeking the review of the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee.~~

~~(j) If an employee who has been terminated for more than thirty (30) working days returns to service at the institution, the institution may offer up to the employee's last rate of pay not to exceed the maximum pay level established for the grade.~~

~~(k) Upon transfer of employment between institutions, an employee shall receive a lump sum payment from the original institution for any overtime that has been accrued and not been paid and for any compensatory time accrued that has not been used at the higher rate of either the:~~

~~(1) Average regular rate of pay received by the employee during the last three (3) years of his or her employment; or~~

~~(2) Final regular rate of pay received by the employee.~~

~~(l) Any special rate of pay established under this section shall not affect the salary level or salary eligibility of any existing employee within the institution.~~

~~(m)(1) A special rate of pay is subject to the institution's ability to certify funding for a special rate of pay established under this section.~~

~~(2) An institution shall not use merit adjustment funds for a special rate of pay established under this section.~~

~~21-5-1411. Shift differential.~~

~~(a)(1) Upon the approval of the Division of Higher Education, an employee whose working hours do not conform to normal state business hours shall be eligible for additional compensation up to twelve percent (12%) of the hourly rate for which he or she is eligible under this subchapter as a shift differential if:~~

~~(A) The institution of higher education routinely schedules more than one (1) work shift per day;~~

~~(B) The shift to which the employee is assigned is a full work shift; and~~

~~(C) The employee is regularly assigned to the late shift or is assigned to the shift on a regularly scheduled rotating basis.~~

~~(2) An employee assigned to an evening shift shall not receive additional compensation that exceeds six percent (6%) above that for which he or she is eligible under this subchapter.~~

~~(3) An employee assigned to a night shift shall not receive additional compensation that exceeds twelve percent (12%) above that for which he or she is eligible under this subchapter.~~

~~(4)(A) An employee at or near the maximum authorized salary level for the grade assigned to his or her classification may be compensated at an additional rate not to exceed twelve percent (12%) of his or her eligible salary under this subchapter.~~

~~(B) When granting additional compensation has the effect of temporarily exceeding the highest pay level for the grade assigned to the employee's classification, the additional compensation shall not be construed as exceeding the highest pay level for that grade.~~

~~(b)(1) A person employed in areas providing critical support, custody, and care to designated client service units at state-operated inpatient hospital facilities, at state-operated human development centers, and at maximum security units at correctional facilities during weekend hours is eligible to receive up to twenty percent (20%) of the hourly rate for which~~

~~he or she is eligible under this subchapter paid as a shift or weekend differential.~~

~~(2) Designated weekend hours begin no earlier than 2:30 p.m. on Friday and end no later than 8:00 a.m. on the following Monday.~~

~~(c)(1) If a facility uses shifts other than traditional eight hour shifts, a shift differential may be paid for those shifts exceeding the normal day shift of the facility.~~

~~(2) If shift and weekend differentials are provided to an employee, the total compensation may exceed the highest pay level for the grade for those positions included in this subchapter.~~

~~(3)(A) The institution shall identify the shifts, job classifications, and positions to be eligible for the shift differential and the differential percentage for which each classification is eligible within each shift.~~

~~(B) The shift schedule, classifications, positions, and the percentage of shift differential for which the class titles are eligible shall be submitted to the division for approval by the Director of the Division of Higher Education.~~

~~(C) Subsequent changes to the shift schedule, classifications, grades, positions, and shift differential percentages shall receive prior approval by the director.~~

~~(d) An employee who is receiving additional compensation under this section and then is reassigned to a normal shift shall revert on the day of the reassignment to the rate of pay for which he or she is eligible under this subchapter.~~

~~(e) The division shall report all shift differential approvals to the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee.~~

~~21-5-1412. Compensation differentials.~~

~~(a) To address specific employee compensation needs not otherwise provided for in this subchapter, an institution of higher education may pay additional compensation for current employees in specific positions or for classifications of positions assigned to a compensation plan authorized by the General Assembly for one (1) or more compensation differentials.~~

~~(b)(1) Authorization for one (1) or more compensation differentials~~

~~may be approved if the:~~

~~(A) Institution has documented the need for a compensation differential for specified positions or classifications;~~

~~(B) Institution submits to the Division of Higher Education a plan of the terms and conditions for eligibility that must directly address the needs of the targeted positions or classifications for any requested compensation differential;~~

~~(C) Cost of implementing and maintaining a compensation differential is within the institution's existing appropriation and shall not be implemented using funds specifically set aside for other programs within the institution; and~~

~~(D) Compensation differential has been approved by the division after review by the Legislative Council or, if the General Assembly is in session, the Joint Budget Committee.~~

~~(2) Any compensation differential authorized under this section shall be renewed each fiscal year.~~

~~(3) The cumulative total of any compensation differentials paid to an employee shall not exceed twenty-five percent (25%) of the employee's base salary.~~
