SECTION 10. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.

TRANSFER OF FUNDS - PROMOTIONAL ITEMS. The Chief Fiscal Officer of the State shall establish upon request from the Arkansas Department of Education - Arkansas State Library a special appropriation line item to be used in the acquisition of promotional items. When the Department of Education - Arkansas State Library wishes to transfer monies from its operating expenses to promotional items, the request shall be forwarded to the Chief Fiscal Officer of the State for processing after prior approval by the Arkansas Legislative Council or Joint Budget Committee. Determining the maximum number of employees and the maximum amount of appropriation and general revenue funding for a state agency each fiscal year is the prerogative of the General Assembly. This is usually accomplished by delineating such maximums in the appropriation act(s) for a state agency and the general revenue allocations authorized for each fund and fund account by amendment to the Revenue Stabilization Law. Further, the General Assembly has determined that the Department of Education - Arkansas State Library may operate more efficiently if some flexibility is provided to the Department of Education - Arkansas State Library authorizing broad powers under this Section. Therefore, it is both necessary and appropriate that the General Assembly maintain oversight by requiring prior approval of the Legislative Council or Joint Budget Committee as provided by this Section. The requirement of approval by the Legislative Council or Joint Budget Committee is not a severable part of this Section. If the requirement of approval by the Legislative Council or Joint Budget Committee is ruled unconstitutional by a court of competent jurisdiction, this entire section is void.

The provisions of this section shall be in effect only from July 1, ~~2023~~ 2024 through June 30, ~~2024~~ 2025.

SECTION 11. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. STATE FUNDING FOR LIBRARIES PROVISIONS.

(i) The Department of Education – Arkansas State Library provides grants and aid to Libraries across the state. The Arkansas State Library has developed the Standards for State Aid to public libraries which creates standards public libraries must meet to be eligible for state aid.

(ii) The Standards for State Aid to Public Libraries contains the requirement that a public library shall maintain a one-mill county or city property tax, and the requirement that the library have a qualified librarian.

(iii) Less populated areas in the State may not have the ability to pass and maintain a one-mill county or city property tax.

(iv) Due to the importance that the public library represents to rural communities, the Arkansas State Library shall review and modify the requirements that prevent rural public libraries from receiving state grant and aid that is authorized by the General Assembly, as set out in subsection (v).

(v) Therefore, the Arkansas State Library shall promulgate rules that allow a public library to adequately demonstrate a source of revenue in lieu of the requirement to maintain a one-mill county or city property tax.

(vi) One month prior to the distribution of state aid to public libraries for the 2025 Fiscal Year, the Arkansas State Library shall report to the Arkansas Legislative Council or Joint Budget Committee, if meeting in legislative session, the revised Standards for State Aid to Public Libraries which shall address in writing the actions taken to address the issues as set out in this section. The report shall include all criteria, including but not limited to how a local public library may become certified to receive funding from the Arkansas State Library.

(vii) The provisions of this section shall be in effect only from July 1, ~~2023~~ 2024 through June 30, ~~2024~~ 2025.

SECTION 12. COMPLIANCE WITH OTHER LAWS. Disbursement of funds authorized by this act shall be limited to the appropriation for such agency and funds made available by law for the support of such appropriations; and the restrictions of the State Procurement Law, the General Accounting and

Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary Procedures and Restrictions Act, or their successors, and other fiscal control laws of this State, where applicable, and regulations promulgated by the Department of Finance and Administration, as authorized by law, shall be strictly complied with in disbursement of said funds.

SECTION 13. LEGISLATIVE INTENT. It is the intent of the General Assembly that any funds disbursed under the authority of the appropriations contained in this act shall be in compliance with the stated reasons for which this act was adopted, as evidenced by the Agency Requests, Executive Recommendations and Legislative Recommendations contained in the budget manuals prepared by the Department of Finance and Administration, letters, or summarized oral testimony in the official minutes of the Arkansas Legislative Council or Joint Budget Committee which relate to its passage and adoption.

SECTION 14. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2024 is essential to the operation of the agency for which the appropriations in this Act are provided, and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2024 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2024.
