## A Bill

Regular Session, 2025

SENATE BILL 117

By: Senator C. Penzo

By: Representative Long

### For An Act To Be Entitled

AN ACT TO CREATE THE NATUROPATHIC PHYSICIAN PRACTICE ACT; TO PROVIDE FOR LICENSURE OF NATUROPATHIC PHYSICIANS IN ARKANSAS; TO CREATE THE ARKANSAS STATE BOARD OF NATURAL MEDICINE; AND FOR OTHER PURPOSES.

### Subtitle

TO CREATE THE NATUROPATHIC PHYSICIAN PRACTICE ACT; TO PROVIDE FOR LICENSURE OF NATUROPATHIC PHYSICIANS IN ARKANSAS; AND TO CREATE THE ARKANSAS STATE BOARD OF NATURAL MEDICINE.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

*SECTION 1. Arkansas Code Title 17 is amended to add an additional chapter to read as follows:*

#### CHAPTER 108

#### NATUROPATHIC PHYSICIAN PRACTICE ACT

#### Subchapter 1 – General Provisions

#### 17-108-101. Title.

This subchapter shall be known and may be cited as the "Naturopathic Physician Practice Act".

#### 17-108-102. Legislative findings and intent.

(a) The General Assembly finds that:

(1) The practice of naturopathic medicine in this state affects the public health, safety, and welfare and should be subject to regulation and control in the public interest; and

(2) Naturopathic physicians comprise a distinct healthcare profession that affects the public health, safety, and welfare and increases freedom of choice in health care in this state.

(b) It is the intent of the General Assembly to ensure that naturopathic physicians and the practice of naturopathic medicine as defined in this subchapter merit the confidence of the public, that only qualified persons be authorized to practice naturopathic medicine in this state, and that a person shall not practice naturopathic medicine without a valid existing license.

17-108-103. Definitions.

As used in this subchapter:

(1) "Approved naturopathic medical school" means a medical school approved by the Arkansas State Board of Natural Medicine under this subchapter that prepares a naturopathic physician for the practice of naturopathic medicine;

(2) "Clinical laboratory procedure" means the use of venipuncture consistent with naturopathic medical practice, commonly used diagnostic modalities consistent with naturopathic practice, the recording of a patient's health history, physical examination, ordering and interpretation of radiographic diagnostics, and other standard imaging and examination of body orifices, excluding endoscopy and colonoscopy;

(3) "Electromagnetism" means the administration of electricity or its derivatives to assist in tissue healing and regeneration by cell stimulation, removal of edema and inflammatory mediators, and angiogenesis;

(4) "Homeopathic medicine" means a system of medicine based on the use of infinitesimal doses of substances capable of producing symptoms similar to those of the disease treated, as listed in the Homeopathic Pharmacopoeia of the United States;

(5) "Hygiene" means the use of preventive techniques, including personal hygiene, asepsis, public health, and safety;

(6) "Laboratory examination" means:

(A) Phlebotomy;

(B) A clinical laboratory procedure;  
(C) An orificial examination;  
(D) A physiological function test; and

naturopathic education and training;

(7) "Naturopathic medicine" means:

(A) A system of health care for the prevention, diagnosis,  
and treatment of human health conditions, injury, and disease;

(B) The promotion or restoration of health; and

(C) The support and stimulation of a patient's inherent  
self-healing processes through patient education and the use of naturopathic  
therapies and therapeutic substances;

(8)(A) "Naturopathic physical medicine" means the manual  
administration of mechanical treatment to body structures or tissues for the  
purpose of restoring normal physiological function to the body by normalizing  
and balancing the musculoskeletal system of the body, including massage,  
stretching, resistance, or joint play examination.

(B) "Naturopathic physical medicine" does not include:

(i) The employment or application of chiropractic or  
spinal adjustments and the principles or techniques of chiropractic science;  
or

(ii) The manipulation or adjustment of the spine or  
extremity joints of the human body beyond the elastic barrier, including  
small amplitude movement at or beyond the end range of normal joint motion;

(9) "Naturopathic physician" means an individual licensed under  
this subchapter as a naturopathic physician to practice naturopathic medicine  
in this state;

(10) "Naturopathic therapeutic medicine" means the use of one  
(1) or more of the following physical agents in a manner consistent with  
naturopathic medical practice on a part or the whole of the body, by hand or  
by mechanical means, in the resolution of a human ailment or condition:

(A) Air;

(B) Water;

(C) Heat;

(D) Cold;

(E) Sound;

(F) Light;

(G) Electromagnetism;

(H) Soft tissue therapy;

(2) "Naturopathic doctor";

(3) "Doctor of naturopathic medicine";

(4) "Doctor of naturopathy";

(5) "N.D.";

(6) "ND";

(7) "NMD"; and

(8) "N.M.D.".

(c) An individual represents the individual's self to be a naturopathic physician or a naturopathic doctor when the individual uses or adopts any of the terms in subdivisions (b)(1)-(8) of this section in reference to the individual's self.

(d)(1) An individual shall not represent the individual's self to the public as a naturopathic physician, naturopathic doctor, a doctor of naturopathic medicine, or a doctor of naturopathy, or as being otherwise authorized to practice naturopathic medicine in the state, unless the individual is licensed under this subchapter.

(2) An individual who is not licensed under this subchapter is guilty of a Class A misdemeanor if he or she:

(A) Holds himself or herself out as a naturopathic physician or naturopathic doctor;

(B) Uses any combination or abbreviation of the term "naturopathic physician" or "naturopathic doctor" indicating or implying that he or she is a naturopathic physician or naturopathic doctor; or

(C) Acts as a naturopathic physician without being licensed by the Arkansas State Board of Natural Medicine.

17-108-106. Approved naturopathic medical school.

(a) The Arkansas State Board of Natural Medicine shall establish, by rule, guidelines for an approved naturopathic medical school and specifications for the education of naturopathic physicians in this state.

(b) The guidelines established under subsection (a) of this section shall include that the approved naturopathic medical school shall require at a minimum:

(1) Graduation from:

(A) A naturopathic medical education program in the United States providing the degree of Doctor of Naturopathy or Doctor of Naturopathic Medicine, that:

(i) Offers graduate-level, full-time didactic, and

supervised clinical training;

(ii) Is accredited or has achieved candidacy status for accreditation by the Council on Naturopathic Medical Education or an equivalent federally recognized accrediting body for naturopathic medical programs also recognized by the Arkansas State Board of Natural Medicine; and

(iii) Is an institution of higher education or part of an institution of higher education that is either accredited or is a candidate for accreditation by a regional or national institutional accrediting agency recognized by the United States Secretary of Education;

(B) A degree-granting institution of higher education that, before the existence of the Council on Naturopathic Medical Education, offered a full-time, structured curriculum in basic sciences and supervised patient care comprising a doctoral naturopathic medical education requiring not less than one hundred thirty-two (132) weeks of coursework to be completed within a period of not less than thirty-five (35) months, that was reputable and in good standing in the judgment of the Arkansas State Board of Natural Medicine and which, if still in existence, has current programmatic accreditation by the Council on Naturopathic Medical Education or a federally recognized equivalent accrediting agency;

(C) A diploma-granting, degree-equivalent institution of higher education located in Canada that, before the existence of the Council on Naturopathic Medical Education, had provincial approval for participation in government-funded student aid programs, offered a full-time, structured curriculum in basic sciences and supervised patient care comprising a doctoral naturopathic medical education requiring not less than one hundred thirty-two (132) weeks of coursework to be completed within a period of not less than thirty (30) months, was reputable and in good standing in the judgment of the Arkansas State Board of Natural Medicine, and, if still in existence, has current programmatic accreditation by the Council on Naturopathic Medical Education or a federally recognized equivalent accrediting agency, and currently has provincial approval for participation in government-funded student aid programs; or

(D) A diploma-granting, degree-equivalent institution of higher education located in Canada that has provincial approval for participation in government-funded student aid programs, offers graduate-level, full-time didactic, and supervised clinical training, and is

accredited or has achieved candidacy status for accreditation by the Council on Naturopathic Medical Education or an equivalent federally recognized accrediting body for naturopathic medical programs also recognized by the Arkansas State Board of Natural Medicine; and

(2) Successful completion of a competency-based national naturopathic medicine licensing examination administered by the North American Board of Naturopathic Examiners, or an equivalent agency recognized by the Arkansas State Board of Natural Medicine, or, for graduates of approved naturopathic medical programs in the United States before the existence of the Council on Naturopathic Medical Education, a competency-based state naturopathic medicine licensing examination, or equivalent Canadian provincial licensing examination for the practice of naturopathic medicine approved by the Arkansas State Board of Natural Medicine.

#### Subchapter 2 – Regulatory Agency

17-108-201. Arkansas State Board of Natural Medicine – Powers and duties.

The Arkansas State Board of Natural Medicine shall:

(1) Regulate the licensure of naturopathic physicians and determine the hours of continuing education units required for maintaining a license as a naturopathic physician;

(2) Prescribe the manner in which records of examinations and treatments shall be kept and maintained;

(3) Establish:

(A) Standards for professional responsibility and conduct;

(B) Criteria for advertising or promotional materials;

(C) Continuing education hours and content;

(D) Standards for the state jurisprudence examination;

(E) Schedules for providing licensing examinations and for the issuance of examination results;

(F) Procedures and standards for reviewing licensing examination scores;

(G) Procedures for reviewing transcripts demonstrating completion of an approved naturopathic medical school;

(H) Requirements for issuance and renewal of licenses; and

- (I) Any other matter necessary to implement this chapter;
- (4) Identify disciplinary actions and circumstances that require disciplinary action;
- (5) Develop a means to provide information to all naturopathic physicians in the state;
- (6) Provide for:
  - (A) The investigation of complaints against naturopathic physicians or persons holding themselves out as naturopathic physicians in the state;
  - (B) The publication of information for the public about naturopathic physicians and the practice of naturopathic medicine in the state; and
  - (C) An orderly process for reinstatement of a license; and
- (7) Create and maintain a list of approved naturopathic medical schools that meet statutory requirements under this chapter.

Subchapter 3 – Licensure

17-108-301. Qualifications for licensure.

The Arkansas State Board of Natural Medicine shall license an applicant who:

- (1) Submits, in accordance with rules of the board, the following items to the board:
  - (A) An application for licensure developed by the board and submitted in accordance with rules of the board;
  - (B) An application fee submitted in an amount and manner established by rules of the board;
  - (C) Evidence that the applicant has:
    - (i) Graduated from an approved naturopathic medical school;
    - (ii) Successfully completed a competency-based national naturopathic medicine licensing examination; and
    - (iii) Passed a state jurisprudence examination that meets standards established in rules of the board;
  - (D) Evidence of professional liability insurance with policy limits not less than prescribed by the board;

(2) Is determined by the board to be physically and mentally capable of safely practicing naturopathic medicine with or without reasonable accommodation; and

(3) Has not had a license to practice naturopathic medicine or other healthcare license, registration, or certificate refused, revoked, or suspended by any other jurisdiction for reasons that relate to the applicant's ability to skillfully and safely practice naturopathic medicine unless that license, registration, or certification has been restored to good standing by that jurisdiction.

17-108-302. Scope of practice.

A licensee may practice naturopathic medicine to provide primary care in alignment with naturopathic medical education to:

- (1) Perform physical examinations;
- (2) Order laboratory examinations;
- (3) Order diagnostic imaging studies;
- (4) Interpret the results of laboratory examinations for diagnostic purposes;
- (5) Order and, based on a radiologist's report, take action on diagnostic imaging studies in a manner consistent with naturopathic training;
- (6) Prescribe, administer, dispense, and order food, extracts of food, nutraceuticals, vitamins, amino acids, minerals, enzymes, botanicals and their extracts, botanical medicines, homeopathic medicines, all dietary supplements, and nonprescription drugs as defined by the Federal Food, Drug, and Cosmetic Act, 21 U.S.C. § 301 et seq., as existing on January 1, 2025;
- (7) Use routes of administration of therapeutic substances that include oral, nasal, auricular, ocular, rectal, vaginal, and transdermal consistent with the education and training of a naturopathic physician;
- (8) Perform naturopathic therapeutic medicine;
- (9) Employ the use of naturopathic therapy; and
- (10) Use therapeutic devices, barrier contraception, and durable medical equipment.

17-108-303. License expiration and renewal – Denial and revocation – Continuing education.

- (a) A license issued or renewed under this chapter shall expire two

(2) years following its issuance or renewal.

(b) The Arkansas State Board of Natural Medicine may renew the license of any naturopathic physician who, upon the expiration of his or her license:

(1) Has submitted an application for renewal;

(2) Has paid the renewal fee established by rules of the board;

(3) Meets the qualifications for licensure under this subchapter and rules of the board; and

(4) Meets the continuing education requirements established by the board.

(c) The board shall grant an opportunity for a hearing to applicants and licensees for whom the board intends to refuse to issue or renew a license, or whose license the board proposes to revoke or suspend.

17-108-304. Display of license.

A naturopathic physician shall display his or her license in his or her place of business in a location clearly visible to his or her patients and shall also display evidence of the naturopathic physician having completed an approved naturopathic medical school.

17-108-305. Referral requirement.

A naturopathic physician shall refer to a physician licensed to practice in the state any patient whose medical condition is determined, at the time of evaluation or treatment, to be beyond the scope of practice of the naturopathic physician.

17-108-306. Criminal background check.

(a)(1) Each applicant for a license issued by the Arkansas State Board of Natural Medicine is required to apply to the Identification Bureau of the Division of Arkansas State Police for a state and federal criminal background check to be conducted by the Identification Bureau of the Division of Arkansas State Police and the Federal Bureau of Investigation.

(2) A license shall not be issued to an applicant until the board receives and approves the state and federal criminal background check.

(b) The criminal background check shall conform to applicable federal standards that are in effect on January 1, 2025, and shall include the taking of fingerprints.

(c) The applicant shall sign a release of information to the board and shall be responsible to the Division of Arkansas State Police for the payment of any fee associated with the criminal background check.

(d) Upon completion of the criminal background check, the Identification Bureau of the Division of Arkansas State Police shall forward to the board all releasable information obtained concerning the applicant in the commission of any offense listed in subsection (e) of this section.

(e) Except as provided in subsection (f) of this section, a person shall not receive or hold a license issued by the board if the person has been convicted of or pleaded guilty or nolo contendere to any felony listed under § 17-3-102 or a crime involving fraud, dishonesty, untruthfulness, or untrustworthiness, or is a registered sex offender or required to register as a sex offender.

(f)(1) The provisions of subsection (e) of this section may be waived by the board upon the request of:

(A) An affected applicant for licensure; or

(B) The person holding a license subject to sanctions.

(2) Circumstances for which a waiver may be granted shall include without limitation:

(A) The age at which the crime was committed;

(B) The circumstances surrounding the crime;

(C) The length of time since the crime was committed;

(D) Subsequent work history;

(E) Employment references;

(F) Character references; and

(G) Other evidence demonstrating that the applicant does not pose a threat to the public.

(g)(1) Information received by the board from the Identification Bureau of the Division of Arkansas State Police or the Federal Bureau of Investigation under this section shall not be available for examination except by:

(A) The affected applicant for licensure or his or her authorized representative; or

(B) The person whose license is subject to revocation or his or her authorized representative.

(2) A record, file, or document shall not be removed from the

custody of the division.

(h) Information made available to the affected applicant for licensure or the person whose license is subject to revocation shall pertain to that person only.

(i) Rights of privilege and confidentiality established in this section shall not extend to any document created for purposes other than the background check.

(j) The board may adopt rules to fully implement this section.

SECTION 2. Arkansas Code § 17-102-102(1), concerning the definition of "acupuncture" within the Arkansas Acupuncture Practices Act, is amended to read as follows:

(1) "Acupuncture" means the insertion, manipulation, and removal of filiform needles from the body and the use of other modalities and procedures at specific locations on the body for the prevention, cure, or correction of a malady, illness, injury, pain, or other condition or disorder by controlling and regulating the flow and balance of energy and functioning of the patient to restore and maintain health, but acupuncture shall not be considered surgery;
