SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that using accurate data is indispensable when considering the fiscal impact of legislation for this state; that vendors may not provide accurate data and the state needs an independent audit process to enable the state to verify the accuracy of vendor data; and that this act is immediately necessary because it is vital to know the fiscal impact of the passage of legislation to protect the residents of this state. Therefore, an emergency is declared to exist, and

this act being immediately necessary for the preservation of the public peace, health, and safety shall become effective on:

(1) The date of its approval by the Governor;

(2) If the bill is neither approved nor vetoed by the Governor, the expiration of the period of time during which the Governor may veto the bill; or

(3) If the bill is vetoed by the Governor and the veto is overridden, the date the last house overrides the veto.
