

By: Senator Irvin

SENATE RESOLUTION

TO CELEBRATE THIRTY-FIVE YEARS OF FAMILY-OWNED AND
ARKANSAS-BASED CG ROXANE LLC AND ITS CRYSTAL GEYSER
ALPINE SPRING WATER.

Subtitle

TO CELEBRATE THIRTY-FIVE YEARS OF
FAMILY-OWNED AND ARKANSAS-BASED CG
ROXANE LLC AND ITS CRYSTAL GEYSER ALPINE
SPRING WATER.

WHEREAS, CG Roxane LLC is a family-owned and family-operated bottled water company that has been bottling Crystal Geysers LLC Alpine Spring Water since its establishment in 1990; and

WHEREAS, Crystal Geysers LLC Alpine Spring Water is the number one (1) nationally distributed bottled spring water in the United States; and

WHEREAS, CG Roxane LLC's most well-known product is the square-shaped gallon, which is produced at five (5) of the company's seven (7) spring sources, including the Norman, Arkansas, spring source; and

WHEREAS, the Norman, Arkansas, CG Roxane LLC plant has been in operation since 2008; and

WHEREAS, last year, the Norman, Arkansas, CG Roxane LLC plant shipped one hundred thirty-two million (132,000,000) bottles of spring water and eight million two hundred thousand (8,200,000) cases of spring water, all

produced with fifty percent (50%) recyclable polyethylene terephthalate; and

WHEREAS, CG Roxane LLC takes pride in supporting the local communities where CG Roxane LLC plants are operated by a total of thirty-two (32) local team members; and

WHEREAS, CG Roxane LLC supports local firefighters and donates to local college scholarship funds in the communities where its plants are operated; and

WHEREAS, CG Roxane LLC strives constantly to improve regarding sustainability by:

(1) Abiding by its founding principle of bottling spring water less than one and five-tenths (1.5) miles from the natural spring source, including offering Arkansas consumers Crystal Geysers Natural Spring Water from the Ouachita Mountains in Norman, Arkansas;

(2) Since 2019, offering its consumers natural spring water in a bottle made of fifty percent (50%) recycled polyethylene terephthalate sourced from its recycling plants in California and Tennessee;

(3) Since January 2025, constructing fully recyclable overwrap made of fifty percent (50%) recycled material; and

(4) Constantly investing in new equipment to save water during the production process and never overpumping from the preserved water table that the Ouachita Mountains offer to the local communities, because the quality of its spring water is very important to CG Roxane LLC,

NOW THEREFORE,

BE IT RESOLVED BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

THAT the Senate celebrate thirty-five (35) years of family-owned and Arkansas-based CG Roxane LLC and its Crystal Geysers Alpine Spring Water.

BE IT FURTHER RESOLVED THAT upon adoption, a copy of this resolution be provided to the owners of CG Roxane LLC by the Secretary of the Senate.
