(2) Failure to notify the director will result in removal from the approved list and such department will need to apply for authorization in accordance with this part.

(b) After the effective date of this part, requests by municipal police departments to patrol controlled-access facilities shall provide the following information:

(1) The request shall be:

(A) On letterhead stationery of the municipal police department; and

(B) Signed by the chief of police;

(2) Population of the municipality;

(3) The size of the police force;

(2) Such records shall be kept for a period of five (5) years.

(3) On request, such records shall be submitted to the division.

(c) It shall be presumed that the affected municipality is abusing its police power if:

(1) Thirty percent (30%) or more of the total tickets written for traffic violations are written for offenses occurring on the controlled-access facility; or

(2) More than fifty percent (50%) are:

(b)(1) Once an appeal has been filed with the director's office, the director may personally hear the appeal or may designate a hearing officer to hear the appeal and make recommendations to the director for a final order.

(2) The appeal hearing shall be held in accordance with the Arkansas Administrative Procedure Act, Arkansas Code § 25-15-201 et seq.

(c)(1) Filing the notice of appeal does not automatically stay the withdrawal of authority for the municipal police department to patrol the controlled-access facilities.

(2) If a stay of authorization is not granted, the hearing on the appeal should be held within forty-five (45) days of the filing of the notice of appeal unless for good cause a party requests a continuance.
