

Title 14. Local Government
Chapter II. Department of Agriculture
Subchapter A. Generally
Part 5. Arkansas Unpaved Roads Program
Subpart 1. General Provisions

14 CAR § 5-101. Purpose and enabling legislation.

This part implements the Arkansas Unpaved Roads Program provided for in the Arkansas Unpaved Roads Program Act, Arkansas Code § 14-305-101 et seq.

Authority. Arkansas Code § 14-305-110.

14 CAR § 5-102. Definitions.

As used in this part:

(1)(A) "Best management practices" means practices for the construction and maintenance of unpaved roads that are broadly accepted by road engineers and maintenance professionals as the most effective approaches to managing unpaved roads that minimize sediment impacts to adjacent water bodies and aquatic habitats.

(B) Best management practices include the Environmentally Sensitive Road Maintenance Practices for Dirt and Gravel Roads guidance issued by the United States Forest Service;

(2) "Department" means the Department of Agriculture; and

(3)(A) "Unpaved road" means a surface of natural material or crushed aggregate that has not been incorporated into a bound layer using:

- (i) Asphalt;
- (ii) Oil; or
- (iii) Other such binder.

(B) Roads with driving surface aggregate shall be considered unpaved for purposes of the program.

Authority. Arkansas Code § 14-305-110.

Subpart 2. Eligibility, Application, and Selection

14 CAR § 5-201. Eligibility.

(a) Counties are eligible to apply for grants for program funding for county-owned and maintained roads in Arkansas that are open to public vehicle travel.

(b) If different entities own the unpaved road right-of-way and the property on which the unpaved road traverses, only the entity that owns, manages, and maintains the road right-of-way is eligible to apply for program funding, unless the property is managed for the public trust.

(c) Privately owned roads, including those open to public use, and those owned by associations, private conservancies, nonprofit companies, and other nonpublic entities are not eligible to apply for program funding.

(d) Eligible unpaved roads include only roads open to public motor vehicle travel for a minimum of eight (8) consecutive weeks annually.

(e)(1) All applicants must complete training held by the Department of Agriculture in best management practices and maintain certification as provided in this part before becoming eligible to apply for project funding.

(2) Training certification is valid for a period of five (5) years.

(f) Projects are eligible for funding only if the projects meet the requirements of the Arkansas Unpaved Roads Program Act, Arkansas Code § 14-305-101 et seq., and this part.

Authority. Arkansas Code § 14-305-110.

14 CAR § 5-202. Grant applications.

(a) All applications for program funding must be received on the application packet form approved by the Department of Agriculture, and the application must include the

following information in addition to the information required under Arkansas Code § 14-305-105(b):

(1) A work plan, which consists of a detailed hand-drawn or digitally produced sketch of the proposed project, with a plan view of the road with all planned features including but not limited to any:

- (A) Pipes;
- (B) Aggregates;
- (C) Underdrains; and
- (D) Surface features;

(2) The name of the waterbody impacted by the project;

(3) All general contracts associated with the project; and

(4) The applicant's signature.

(b) All applicants shall be notified in writing of the department's funding decision.

Authority. Arkansas Code § 14-305-110.

14 CAR § 5-203. Project funding and expenses.

(a) Projects shall be funded in accordance with Arkansas Code § 14-305-106.

(b) Applicants may apply for the full or partial costs of materials, equipment, and labor required for implementation of the grant project, up to seventy-five thousand dollars (\$75,000).

(c) The following expenses may be included for consideration of project funding:

(1) Material expenses, including, but not limited to:

- (A) Pipe;
- (B) Stone;
- (C) Fill;
- (D) Fabric; and
- (E) Aggregate;

(2)(A) Equipment expenses for the use of equipment that is owned by the applicant.

(B) Reimbursement of applicant-owned equipment costs may be considered for project funding if the expense is:

(i) Less than or equal to the current Federal Emergency Management Agency Schedule of Equipment Rates as published by the Federal Emergency Management Agency; or

(ii) Supported by a legitimate quote or invoice acceptable to the Department of Agriculture;

(3) The cost of contractual labor must be equal to Davis-Bacon Act, 40 U.S.C. § 3141 et seq., wage determinations unless sufficient documentation is provided to the department to justify another amount;

(4)(A) Equipment expenses for the use of equipment that that is rented or leased by the applicant.

(B) Reimbursement for the cost of equipment rented or leased by an applicant may be considered for project funding if the equipment rented or leased was:

(i) Necessary to complete the project for which the applicant applied; and

(ii) Only used on the project for which it was rented or leased;

(5)(A) Expenses for work performed by contractors or subcontractors.

(B) However, the funding shall be paid to the grant recipient and not directly to the grant recipient's subcontractors; and

(6) Expenses for engineering, permitting, or other similar consultant costs, not to exceed ten percent (10%) of the total grant amount between the department and the grant recipient.

(d) Grant funds shall not be used to purchase or maintain equipment.

(e) Grantee's salaries and other associated personnel expenses are not eligible for funding.

Authority. Arkansas Code § 14-305-110.

14 CAR § 5-204. Combined funds.

(a)(1) Program funds may be combined with other funding sources to pay for a project.

(2) Program funds may only be used on the program project.

(3) If program funds are combined with other funding sources, the grant recipient must maintain an accounting acceptable to the Department of Agriculture of which funds were spent on which portions of the project, and the accounting must be provided to the department at the department's request and in accordance with 14 CAR § 5-305(e) of this part.

(b) Project funds shall not be combined with other funding sources that have requirements that are in conflict with best management practices.

(c) Projects may be completed in stages where program funds are used to complete a particular phase of the project and other funding sources are used to fund different stages of a project.

Authority. Arkansas Code § 14-305-110.

Subpart 3. Project Administration

14 CAR § 5-301. Unpaved Roads Program Stakeholder Advisory Committee.

(a) The Department of Agriculture shall form a committee to serve the department in an advisory role.

(b) The committee shall:

(1) Review and rank grant applications and provide evaluations to the department; and

(2) Provide technical expertise in the subject matters of unpaved roads, including, but not limited to:

(A) Construction methods and technologies;

(B) Sediment abatement methods;

(C) Conservation of:

- (i) Land;
- (ii) Soil; and
- (iii) Water;
- (D) Watershed management;
- (E) Road system assessment;
- (F) Fisheries; and
- (G) Aquatic biology.

Authority. Arkansas Code § 14-305-110.

14 CAR § 5-302. Grant funding, project monitoring, and reporting.

(a) When an entity is selected for grant funding, the recipient and the Department of Agriculture shall enter into an agreement regarding the:

- (1) Terms and conditions of the project; and
- (2) Disbursement of grant funds to the recipient.

(b) The department shall monitor projects funded by the program to ensure compliance with the purpose of the project and the program, and grant recipients shall cooperate with the department.

(c) Grant applicants and recipients are subject to audits and inspections by the department at any time from the grant application process up to three (3) years following the closure of the project.

(d) Grant recipients shall notify the department of the occurrence of anything that may affect the grant recipient's ability to complete the project in the time allotted in Arkansas Code § 14-305-107.

(e) For good cause shown, the department may allow one (1) extension not to exceed one (1) year for a grant recipient that is unable to complete its unpaved road project within the period stated in Arkansas Code § 14-305-107.

Authority. Arkansas Code § 14-305-110.

14 CAR § 5-303. Grant changes and amendments.

(a) If unforeseen circumstances arise and so require, the Department of Agriculture may, at its discretion, make changes to the scope of the project that affect the requested funds or completion timeframe of the grant project.

(b) Before any project may be materially modified by a grant recipient, the department must approve any proposed changes.

(c) The department may approve project modifications if the modification does not result in a failure to meet any of the selection criteria from Arkansas Code § 14-305-105 that initially qualified the project for funding under the program.

(d) If an approved modification results in a reduction of the total project costs and excess funding, the department will deobligate the excess grant moneys.

Authority. Arkansas Code § 14-305-110.

14 CAR § 5-304. Enforcement provisions.

(a) The Department of Agriculture may attempt to resolve compliance issues by instituting corrective action, including, but not limited to, a warning letter against a grant recipient who fails to comply with any of the terms agreed upon in the grant agreement.

(b) The department, after unsuccessfully attempting to resolve compliance issues through a corrective action, may withhold, reduce, or deobligate the grant recipient's program grant moneys.

(c) The department may take other action as appropriate to recapture program grant moneys expended in contravention to this part.

Authority. Arkansas Code § 14-305-110.

14 CAR § 5-305. Completion of unpaved road projects.

(a) Grant recipients shall comply with the project completion requirements of Arkansas Code § 14-305-107.

(b) Upon completion of the project, the grant recipient shall notify the Department of Agriculture and schedule a final inspection of the project.

(c) A final inspection must be completed after project completion.

(d) The final inspection must include the grant recipient and the department or the department's designee, and the parties must verify:

(1) The project is completed in accordance with the program standards and to the satisfaction of the department;

(2) All work elements classified as in-kind services are also completed in accordance with program standards and to the satisfaction of the department; and

(3) That work elements proposed in the work plan have been properly installed.

(e) Upon completion of the project, the grant recipient shall provide the department a final financial report including:

(1) The separate accounting of grant funds required in Arkansas Code § 14-305-107; and

(2) A financial report inclusive of grant and nongrant funds.

(f) Projects are not closed until the department issues a closure letter.

(g) Grant recipients shall comply with the record retention requirements in Arkansas Code § 14-305-108.

Authority. Arkansas Code § 14-305-110.
