(c)(1) Collateral resources available to the victim from the offender shall be considered when awarding a claim.

(2) However, the victim shall not be penalized for the failure of an offender to meet legal obligations to pay for the costs of the victim's recovery.

(d) Payments to third-party providers shall be made to prevent cash intended for the victim's bills to be used by or on behalf of the offender.

(2) Legal services expenses shall not be deducted from the otherwise compensable amount unless amount is over ten thousand dollars (\$10,000).

(f) Upon request of the claimant, the board may convert future economic loss, other than allowable expense, to a lump sum, but only upon a finding by the board of either of the following:

(1) That the award in a lump sum will promote the interests of the claimant;
or

(2) That the present value of all future economic loss does not exceed one thousand dollars (\$1,000).

(g) An award payable in installments for future economic loss may be made only for a period that the board can reasonably determine future economic loss and may be modified by the board upon finding that a significant change in circumstances has occurred.
