### **Chapter XXI. Alcoholic Beverage Control Division, Department of Finance and Administration**

#### **Subchapter A. Generally**

#### **Part 810. Rules Governing the Oversight of Medical Marijuana Cultivation Facilities, Processors, and Dispensaries by the Alcoholic Beverage Control Division**

**Codification Notes.** This part as promulgated prior to codification into the Code of Arkansas Rules provided as follows:

##### "SECTION 1. AUTHORITY OF THE BOARD

These rules governing the oversight of medical marijuana cultivation facilities, processors and dispensaries in Arkansas are duly adopted and promulgated by the Arkansas Alcoholic Beverage Control Board pursuant to Amendment No. 98 of the Constitution of the State of Arkansas of 1874, The Medical Marijuana Amendment of 2016."

#### **Subpart 1. Generally**

##### **20 CAR § 810-101. Scope.**

This part governs the:

- (1) Oversight of medical marijuana cultivation facilities, processors, and dispensaries in Arkansas;
- (2) Requirements for record keeping, security, and personnel at:
  - (A) Cultivation facilities;
  - (B) Processors; and
  - (C) Dispensaries;
- (3) Requirements for the manufacturing, processing, packaging, dispensing, disposing, advertising, and marketing of medical marijuana by:

- (A) Cultivation facilities;
  - (B) Processors; and
  - (C) Dispensaries;
- (4) Procedures for inspecting and investigating:
- (A) Cultivation facilities;
  - (B) Processors; and
  - (C) Dispensaries; and
- (5) Procedures for sanctioning, suspending, and terminating cultivation facility, processors, and dispensary licenses for violations of the Arkansas Medical Marijuana Amendment of 2016, Ark. Const. amend. 98, or this part.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-102. Definitions.**

As used in this part:

(1) "Acquire" or "acquisition" means coming to possess marijuana by means of any legal source herein authorized, not from an unauthorized source, and in accordance with the Arkansas Medical Marijuana Amendment of 2016, Ark. Const. amend. 98, and any rules promulgated under the amendment;

(2) "Amendment" means the Arkansas Medical Marijuana Amendment of 2016, Ark. Const. amend. 98;

(3) "Approved laboratory" means a laboratory that:

(A) Is accredited by:

(i) The National Institute on Drug Abuse (NIDA);

(ii) The National Environmental Laboratory Accreditation Conference (NELAC); and

(iii) The International Organization for Standardization (ISO) or similar accrediting entity as determined by the Department of Health; and

(B) Has been approved by the Department of Health specifically for the

testing of usable marijuana;

(4) "Authorized personnel" means any employee employed by a licensed facility and granted permission by the facility to enter into restricted areas;

(5) "Batch" means:

(A) With regard to usable marijuana, a homogenous, identified quantity of usable marijuana, no greater than ten pounds (10 lbs.), that is harvested during a specified time period from a specified cultivation area; and

(B) With regard to oils, vapors, and waxes derived from usable marijuana, an identified quantity that is:

(i) Uniform;

(ii) Intended to meet specifications for identity, strength, and composition; and

(iii) Manufactured, packaged, and labeled during a specified time period according to a single manufacturing, packaging, and labeling protocol;

(6) "Biannual" means every six (6) months;

(7) "Cannabinoid" means any of the chemical compounds that are the active constituents of marijuana;

(8) "Cannabinoid concentrate" means a substance obtained by separating cannabinoids from marijuana by a:

(A) Mechanical extraction process;

(B) Chemical extraction process using a nonhydrocarbon-based or other solvent, such as:

(i) Water;

(ii) Vegetable glycerin;

(iii) Vegetable oils;

(iv) Animal fats;

(v) Isopropyl alcohol;

(vi) Ethanol; or

(C) A chemical extraction process using the hydrocarbon-based solvent carbon dioxide, provided that the process does not involve the use of pressure or heat

over one hundred eighty degrees (180°);

(9) "Cannabinoid edible" means food or potable liquid into which a cannabinoid concentrate, cannabinoid extract, or dried marijuana leaves or flowers have been incorporated;

(10) "Cannabinoid extract" means a substance obtained by separating cannabinoids from marijuana by:

(A) A chemical extraction process using a hydrocarbon-based solvent, such as:

- (i) Butane;
- (ii) Hexane; or
- (iii) Propane;

(B) A chemical extraction process using the hydrocarbon-based solvent carbon dioxide, if the process uses high heat or pressure; or

(C) Any other processes identified by the Arkansas Alcoholic Beverage Control Division;

(11) "Cardholder" means a:

- (A) Qualifying patient;
- (B) Dispensary agent;
- (C) Cultivation facility agent;
- (D) Transporter agent;
- (E) Processor facility agent; or
- (F) Designated caregiver;

(12) "Commercially available" means any candy, food, gum, or beverage that is produced or sold by a third party;

(13) "Commission" means the Medical Marijuana Commission;

(14) "Contractor" means any person or business under contract to complete repairs or improvements or to provide services to the licensed facility;

(15) "Cultivation facility" means an entity that:

- (A) Has been licensed by the Medical Marijuana Commission; and
- (B) Cultivates, prepares, manufactures, processes, packages, sells, and

delivers usable marijuana to a dispensary;

(16) "Cultivation facility agent" means an employee, supervisor, or agent of a cultivation facility who:

- (A) Is twenty-one (21) years of age or older;
- (B) Works at the cultivation facility; and
- (C) Has registered with the Alcoholic Beverage Control Division;

(17) "Department" means the Department of Health;

(18) "Deliver" means to move medical marijuana product between a licensed dispensary and a qualified patient or designated caregiver;

(19) "Designated caregiver" means:

(A) A person who:

- (i) Is at least twenty-one (21) years of age;
- (ii) Has not been convicted of an excluded felony offense;
- (iii) Has agreed to assist a physically disabled qualifying patient with

the medical use of marijuana; and

(iv) Has registered with the Department of Health pursuant to the requirements of the Arkansas Medical Marijuana Amendment 2016, Ark. Const. amend. 98, and this part.

(B) "Designated caregiver" includes, without limitation, a parent:

- (i) Of a qualifying patient who is under the age of eighteen (18); and
- (ii) Required to register as a designated caregiver under the Arkansas

Medical Marijuana Amendment of 2016, Ark. Const. amend. 98;

(20) "Dispensary" means an entity that has been licensed by the Medical Marijuana Commission pursuant to the requirements of the Arkansas Medical Marijuana Amendment of 2016, Ark. Const. amend. 98;

(21) "Dispensary agent" means:

(A) An employee, supervisor, volunteer, or agent of a dispensary who:

- (i) Is twenty-one (21) years of age or older;
- (ii) Works at the dispensary; and
- (iii) Has registered with the Alcoholic Beverage Control Division; and

(B) An owner, officer, or board member of a dispensary who has registered with the Alcoholic Beverage Control Division pursuant to the requirements of the Arkansas Medical Marijuana Amendment of 2016, Ark. Const. amend. 98;

(22) "Division" means the Alcoholic Beverage Control Division;

(23) "Enclosed, locked facility" means a room, greenhouse, or other enclosed area equipped with locks or other security devices that permit access only by an authorized individual;

(24) "Enforcement" means the Alcoholic Beverage Control Enforcement Division;

(25) "Excluded felony offense" means:

(A)(i)(a) A felony offense as determined by the jurisdiction where the felony offense occurred.

(b) The Medical Marijuana Commission, the Department of Health, or the Alcoholic Beverage Control Division shall determine whether an offense is a felony offense based upon a review of the relevant court records concerning the conviction for the offense.

(ii) An offense that has been sealed by a court or for which a pardon has been granted is not considered an excluded felony offense; or

(B) A violation of state or federal controlled-substance law that was classified as a felony in the jurisdiction where the person was convicted, but not including an offense:

(i) For which the sentence, including any term of probation, incarceration, or supervised release, was completed ten (10) or more years earlier; or

(ii) That has been sealed by a court or for which a pardon has been granted;

(26) "Flowering" means the reproductive state of cannabis in which the plant is in a light cycle intended to stimulate the production of flowers, trichome, and cannabinoids characteristic of marijuana;

(27) "Harvest lot" means a specifically identified quantity of marijuana that is:

(A) Uniform in strain;

- (B) Cultivated using the same growing practices;
- (C) Harvested at the same time at the same location; and
- (D) Cured under uniform conditions;

(28) "Immature marijuana plant" means a seedling or nonflowering marijuana plant;

(29) "Inventory tracking system" means the required seed to sale tracking system that tracks medical marijuana from either seed or immature plant state until the usable marijuana is sold to a qualified patient or designated caregiver or is destroyed;

(30) "Licensed facility" means either a cultivation facility, processor, transporter, or dispensary licensed by the Medical Marijuana Commission;

(31) "Lot" means:

(A) An identified portion of a batch, that is uniform and that is intended to meet specifications for:

- (i) Identity;
- (ii) Strength; and
- (iii) Composition; or

(B) In the case of a vapor, oil, or wax derived from usable marijuana, an identified quantity produced in a specified period of time in a manner that is uniform and that is intended to meet specifications for:

- (i) Identity;
- (ii) Strength; and
- (iii) Composition;

(32) "Manufacturing and processing":

(A) Means the manufacturing, processing, compounding, or conversion of marijuana into cannabinoid:

- (i) Products;
- (ii) Concentrates; or
- (iii) Extracts; and

(B) Does not mean the drying of marijuana;

(33) "Marijuana" or "medical marijuana" means marijuana in any form

described in the Arkansas Medical Marijuana Amendment of 2016, Ark. Const. amend. 98, or rules promulgated by:

(A) The Alcoholic Beverage Control Division;

(B) The Department of Health; or

(C) The Medical Marijuana Commission;

(34) "Mature marijuana plant" means a marijuana plant that is flowering;

(35) "Medical marijuana container" means a sealed, traceable, food-compliant, child-proof packaging that:

(A) Cannot be opened by a child or that prevents ready access to toxic or harmful amounts of the packaged product; and

(B) Meets the testing requirements in accordance with the method described in 16 C.F.R. § 1700.20, as existing on January 1, 2017;

(36) "Process lot" means any amount of cannabinoid:

(A) Concentrates or extract of the same type and processed at the same time using the same extraction methods, standard operating procedures, and batches for the harvest lot; or

(B) Products of the same type and processed at the same time using the same ingredients, standard operating procedures, and batches from the same harvest lot or process lots of cannabinoid concentrate or extract;

(37) "Processor" means an entity that:

(A) Has been licensed by the Medical Marijuana Commission; and

(B) May acquire, possess, manufacture, process, prepare, deliver, transport, and supply marijuana to a dispensary or cultivation facility;

(38) "Processor agent" means an employee, supervisor, or agent of a processor who:

(A) Is twenty-one (21) years of age or older;

(B) Works at the processor; and

(C) Has registered with the Alcoholic Beverage Control Division;

(39) "Production area" means any area in a cultivation facility or dispensary used for the growing of medical marijuana plants;

(40) "Qualifying medical condition" means one (1) or more of the following:

(A) Cancer, glaucoma, positive status for human immunodeficiency virus/acquired immune deficiency syndrome, hepatitis C, amyotrophic lateral sclerosis, Tourette's syndrome, Crohn's disease, ulcerative colitis, post-traumatic stress disorder, severe arthritis, fibromyalgia, Alzheimer's disease, or the treatment of these conditions;

(B) A chronic or debilitating disease or medical condition or its treatment that produces one (1) or more of the following:

(i) Cachexia or wasting syndrome;

(ii) Peripheral neuropathy;

(iii) Intractable pain, which is pain that has not responded to ordinary medications;

(iv) Treatment or surgical measures for more than six (6) months;

(v) Severe nausea;

(vi) Seizures, including without limitation those characteristic of epilepsy; or

(vii) Severe and persistent muscle spasms, including, without limitation those characteristic of multiple sclerosis; and

(C) Any other medical condition or its treatment approved by the Department of Health pursuant to its rules and the Arkansas Medical Marijuana Amendment of 2016, Ark. Const. amend. 98;

(41) "Qualifying patient" means a person who has:

(A) Been diagnosed by a physician as having a qualifying medical condition; and

(B) Registered with the Department of Health in accordance with this part and the Arkansas Medical Marijuana Amendment of 2016, Ark. Const. amend. 98;

(42) "Registry identification card" means a document issued by the Department of Health that identifies a person as a qualifying patient or a designated caregiver or a document issued by the Alcoholic Beverage Control Division that identifies a person as an agent of a cultivation facility, dispensary, processor, or transporter;

(43) "Sealed" means expunge, remove, sequester, and treat as confidential the record or records of a felony offense;

(44) "Shipping container" means a sealable, tamper-evident container used for the transport of medical marijuana between licensed facilities;

(45) "Testing" means the process and procedures provided by an approved laboratory for testing of usable marijuana, consistent with provisions of this part;

(46) "Transport" means to move medical marijuana between licensed facilities or between a licensed facility and approved laboratory;

(47)(A)(i) "Usable marijuana" means the stalks, seeds, roots, dried leaves, flowers, oils, vapors, waxes, and other portions of the marijuana plant, and any mixture or preparation thereof.

(ii) "Usable marijuana" includes cannabinoid:

(a) Edibles;

(b) Concentrates; and

(c) Extracts.

(B) "Usable marijuana" does not include the weight of any ingredients other than marijuana that are combined with marijuana and prepared for consumption as food and drink;

(48) "Unique identification number" or "UIN" means a unique number generated by the inventory tracking system and assigned to all usable marijuana for the purpose of tracking the marijuana from its seed form to ultimate sale to a qualified patient/designated caregiver or destruction; and

(49) "Visiting qualifying patient" means a patient with a qualifying medical condition who:

(A) Is not a resident of Arkansas or who has been a resident of Arkansas for less than thirty (30) days;

(B) Is in actual possession of a registry identification card or its equivalent that is issued under the laws of another state, district, territory, commonwealth, or insular possession of the United States; and

(C) Has registered with the Department of Health.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

## **Subpart 2. Oversight and Inspection Requirements**

### **20 CAR § 810-201. Inspection and investigation.**

(a)(1) A licensed facility shall be subject to reasonable inspection by the Alcoholic Beverage Control Division.

(2) The Director of the Alcoholic Beverage Control Division, the Director of the Alcoholic Beverage Control Enforcement Division, or an enforcement agent may:

(A) Inspect, without the need for a search warrant, the licensed premises of a dispensary, cultivation facility, or processor including any marijuana and marijuana product on the premises, equipment used in cultivating, processing, testing, or storing marijuana, the licensed facility's records and computers, at any time;

(B) Issue a written report or notice of his or her findings;

(C) Exercise law enforcement powers, if authorized, and take any other action the Director of the Alcoholic Beverage Control Division or Director of the Alcoholic Beverage Control Enforcement Division determines is necessary; and

(D) Enlist the assistance of any law enforcement officer not directly employed by the Alcoholic Beverage Control Enforcement Division toward performance of these enforcement duties.

(b) A dispensary, cultivation facility, or processor and any licensee, employee, or agent shall cooperate with the Director of the Alcoholic Beverage Control Division, the Director of the Alcoholic Beverage Control Enforcement Division, an enforcement agent, an employee of the Alcoholic Beverage Control Board, or assisting law enforcement officer acting in an official capacity to enforce the laws related to marijuana, including but not limited to:

(1) Permitting entry upon and inspection of the licensed premises; and

(2) Providing access to records required by this part and computers, when

requested by:

- (A) The Director of the Alcoholic Beverage Control Division;
- (B) The Director of the Alcoholic Beverage Control Enforcement Division;
- (C) An enforcement agent; or
- (D) An assisting law enforcement officer.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-202. Inspection required prior to operation.**

(a) All licensed facilities shall notify the Alcoholic Beverage Control Division of their intent to commence operations.

(b) The Alcoholic Beverage Control Division shall conduct or request the Alcoholic Beverage Control Enforcement Division to conduct a thorough inspection of the premises for the following:

- (1) Verify possession and accuracy of detailed plans and elevation drawings required by 20 CAR §§ 810-402 and 810-502;
- (2) Verify connection and accessibility to the inventory tracking system;
- (3) Verification of operational alarm and video surveillance systems;
- (4) Verification of secure locks throughout the facility;
- (5) Verification of controls to limited access areas;
- (6) Verification of compliance with perimeter restrictions;
- (7) Any existing personnel records as required by 20 CAR § 810-1904; and
- (8) Review of initial inventory required by 20 CAR § 810-1002 and verify for accuracy.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-203. Biannual inspections required.**

(a) The Alcoholic Beverage Control Division or the Alcoholic Beverage Control Enforcement Division shall conduct, at minimum, one (1) inspection every six (6) months of all licensed facilities.

(b) The biannual inspections shall, without limitation:

(1) Verify possession and accuracy of detailed plans and elevation drawings required by 20 CAR §§ 810-402 and 810-502;

(2) Verify connection and accessibility to the inventory tracking system;

(3) Verification of operational alarm and video surveillance systems;

(4) Verification of secure locks throughout the facility;

(5) Verification of controls to limited access areas;

(6) Verification of compliance with perimeter restrictions;

(7) Verification of current, complete, and accurate personnel records; and

(8) Review biannual inventory reports required by 20 CAR § 810-1002 and verify for accuracy.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

#### **20 CAR § 810-204. Closure of business.**

The Alcoholic Beverage Control Division may issue an order providing for the manner and condition under which usable marijuana may be transferred or sold to another licensed facility or must otherwise be disposed of under the following circumstances:

(1) Revocation of a license;

(2) Surrender of a license; or

(3) Expiration of a license.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

### **Subpart 3. Recordkeeping Requirements for Dispensaries, Processors, and Cultivation Facilities**

#### **20 CAR § 810-301. Records required to be kept for current year and three preceding calendar years.**

Records required to be kept for the current year and three (3) preceding calendar years:

(1) Records regarding the disposal of medical marijuana;

(2)(A) General business records.

(B) Licensed facilities shall keep all books and records necessary to fully account for each business transaction conducted under its license;

(3) Records of all required inventory reports;

(4) Records of pesticide and chemical applications as required by 20 CAR § 810-1106;

(5)(A) Medical marijuana product transactions as set out.

(B) Dispensaries shall keep a record of each transaction, including the:

(i) Amount of marijuana dispensed;

(ii) Amount of compensation received; and

(iii) Registry identification number of the qualifying patient or designated caregiver.

(C) Cultivation facilities and processors shall keep a record of all transactions for medical marijuana to another licensed facility; and

(6) Personnel records.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

### **Subpart 4. Construction Specifications and Security Requirements for Cultivation Facilities**

**20 CAR § 810-401. Duty to operate a secure premises.**

(a) All cultivation facilities shall implement appropriate security measures to deter and prevent the unauthorized entrance into areas containing marijuana and the theft and diversion of marijuana.

(b) A licensee is responsible for the security of all marijuana and marijuana processed products on the licensed premises or in transit from the facility when self-transporting.

(c) Cultivation facilities shall comply with all applicable security requirements set forth in this part.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-402. Construction of premises.**

(a) **Enclosed and secure facility.** All cultivation of medical marijuana shall take place within a building, greenhouse, or other structure that:

(1) Has a complete roof enclosure supported by connecting walls, constructed of solid materials, extending from the ground to the roof;

(2) Is secure against unauthorized entry;

(3) Has a foundation, slab, or equivalent base to which the floor is securely attached;

(4) Meets performance standards ensuring that cultivation and processing activities cannot be and are not perceptible from the structure in terms of:

(A) Common visual observation;

(B) Odors, smell, fragrances, or other olfactory stimulus;

(C) Light pollution, glare, or brightness;

(D) Adequate ventilation to prevent mold; and

(E) Noise;

(5) Provides complete visual screening; and

(6) Is accessible only through one (1) or more lockable doors.

(b)(1) Commercial grade, nonresidential door locks shall be installed on every

external door, and gate if applicable.

(2) All external locks shall be equipped with biometric access controls with two-factor authentication, and the two-factor authentication must be in use at all times.

(3) Only authorized personnel shall have access to locked and secured areas.

(4)(A) Facilities shall maintain detailed records of employees with access to locked and secured areas.

(B) Records shall be made available to the Alcoholic Beverage Control Division upon request.

(c)(1) All cultivation facilities shall maintain detailed plans and elevation drawings of all operational areas involved with the production, processing, and manufacturing of medical marijuana.

(2) The plan shall identify the following:

(A) All storage areas, ventilation systems, and equipment used for production, processing, and manufacturing;

(B) All entrances and exits to the facility;

(C) All windows, skylights, and retractable mechanisms built into the roof;

(D) The location of all required security cameras;

(E) The location of all alarm inputs, detectors, and sirens;

(F) All video and alarm system surveillance areas;

(G) All production, processing, and manufacturing areas shall be labeled according to the specific activity occurring within the area;

(H) All restricted and limited access areas shall be identified; and

(I) All nonproduction areas shall be labeled according to their purpose.

(d)(1) Floor plans and elevation drawings shall be kept current and on the premises of the cultivation facility.

(2) Plans and elevation drawings shall be made available to the division upon request.

(e) Floors, walls, and ceilings shall be constructed in such a manner that they may be adequately cleaned and kept clean and in good repair.

(f) Cultivation facilities shall have adequate lighting in all areas where medical

marijuana is stored and where equipment and utensils are cleaned.

(g)(1) Plumbing shall be of adequate size and design and adequately installed and maintained to:

(A) Carry sufficient quantities of water to required locations throughout the facility; and

(B) Properly convey sewage and liquid disposable waste from the facility.

(2) There shall be no cross-connections between the potable and waste water lines.

(h) All facilities shall be constructed to meet the standards of any applicable state and local electrical, fire, plumbing, and building specification codes.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-403. Storage area requirements.**

Harvested marijuana and any product processed from harvested marijuana shall be stored in one (1) of the following types of secured areas:

(1)(A) A safe or steel cabinet.

(B) Which safe or steel cabinet shall have the following specification or the equivalent:

(i) Thirty (30) man-minutes against surreptitious entry;

(ii) Ten (10) man-minutes against forced entry;

(iii) Twenty (20) man-hours against lock manipulation; and

(iv) Twenty (20) man-hours against radiological techniques;

(C) If it weighs less than seven hundred fifty pounds (750 lbs.), is bolted or cemented to the floor or wall in such a way that it cannot be readily removed; and

(D) If necessary, depending upon the quantities and type of controlled substances stored, is equipped with an alarm system as described in 20 CAR § 810-404;  
or

(2)(A) A vault.

(B) The walls, floors, and ceilings of which vault are constructed of at

least eight inches (8") of reinforced concrete or other substantial masonry, reinforced vertically and horizontally with one-half inch (1/2") steel rods tied six inches (6") on center, or the structural equivalent to such reinforced walls, floors, and ceilings.

(C) The door and frame unit of which vault shall conform to the following specification or the equivalent:

- (i) Thirty (30) man-minutes against surreptitious entry;
- (ii) Ten (10) man-minutes against forced entry;
- (iii) Twenty (20) man-hours against lock manipulation; and
- (iv) Twenty (20) man-hours against radiological techniques.

(D) Which vault, if operations require it to remain open for frequent access, is equipped with a "day-gate" which is self-closing and self-locking, or the equivalent, for use during the hours of operation in which the vault door is open.

(E) The walls or perimeter of which vault are equipped with an alarm system as described in 20 CAR § 810-404.

(F) The door of which vault is equipped with contact switches.

(G) Which vault has one (1) of the following:

- (i) Complete electrical lacing of the walls, floor, and ceilings;
- (ii) Sensitive ultrasonic equipment within the vault;
- (iii) A sensitive sound accumulator system; or
- (iv) Other such device designed to detect illegal entry.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-404. Alarm system.**

(a)(1) All cultivation facilities shall be equipped with an alarm system which, upon attempted unauthorized entry, shall transmit a signal directly to a central protection company or a local or state police agency which has a legal duty to respond.

(2) A designated agent of the cultivation facility shall also receive notification of any such signal.

(b) Alarm systems shall provide coverage for all points of ingress and egress to the facility, including, but not limited to:

- (1) Doorways;
- (2) Windows;
- (3) Loading bays;
- (4) Skylights; and
- (5) Retractable roof mechanisms.

(c) Alarm systems shall provide coverage of any room with an exterior wall, any room containing a safe, and any room used to grow or store medical marijuana.

(d) Alarm systems shall be equipped with a "panic device" that upon activation will not only sound any audible alarm components but will also notify law enforcement.

(e) Alarm systems shall have "duress" and "hold up" features to enable an agent to activate a silent alarm notifying law enforcement of an emergency.

(f) Alarms system must be equipped with failure notification systems to notify cultivation facilities and law enforcement of any failure in the alarm system and such systems must be in use at all times.

(g) Alarm systems shall have the ability to remain operational during a power outage and shall remain operational regardless of the length of the power outage.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-405. Video surveillance system.**

(a) All cultivation facilities shall be equipped with video surveillance systems consisting of the following:

(1) Digital video cameras with a minimum resolution of ten (10) frames per second;

(2) Twenty-four (24) hour per day, seven (7) day per week continuous recording;

(3) The ability to remain operational during a power outage and shall remain operational regardless of the length of the power outage;

(4) Digital archiving capabilities and shall maintain digital archiving for one (1) year;

(5) On-site and off-site monitoring; and

(6)(A) All facilities must always maintain at least one (1) on-site display monitor connected to the surveillance system.

(B) The monitor shall have a screen size of at least twelve inches (12").

(b) All cultivation facilities shall maintain camera coverage of the following areas:

(1) All points of ingress and egress to the facility, including, but not limited to:

(A) Doorways;

(B) Windows;

(C) Loading bays;

(D) Skylights; and

(E) Retractable roof mechanisms;

(2) Any room with an exterior wall, except restrooms, any room containing a safe, and any room or area used to grow, process, manufacture, or store medical marijuana;

(3) All areas in which any part of the disposal process of marijuana occurs;

and

(4) All parking areas and any alley areas immediately adjacent to the building.

(c) All recording devices shall display a date and time stamp on all recorded video.

(d) All recording devices shall have the capability to produce a still image from the video recording, and each facility shall maintain, on site, a video printer capable of immediately producing a clear still image from any video camera image.

(e)(1) Access to on-site surveillance system controls and monitoring shall be limited to authorized personnel.

(2) Cultivation facilities shall identify individuals with access to surveillance system controls and monitoring upon request by the Alcoholic Beverage Control Division.

(f) All surveillance recordings shall be maintained for a minimum of ninety (90) days.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-406. Perimeter requirements.**

(a)(1) The perimeter of all cultivation facilities shall be maintained in such a way to discourage theft and diversion of marijuana.

(2) All cultivation facilities shall maintain the following:

(A) Adequate lighting to facilitate surveillance; and

(B) Foliage and landscaping that does not allow for a person or persons to conceal themselves from sight.

(b) All stages of medical marijuana production and the disposal of unusable medical marijuana on the premises of a cultivation facility shall not be visible or accessible to the public.

(c) The cultivation facility shall maintain any walls or fencing necessary to shield the operations of the facility from public access and view.

(d) The cultivation facility shall ensure any odors that may arise from any stage of marijuana production or the disposal of marijuana are not detectable by the public from outside the cultivation facility.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**Subpart 5. Construction Specifications and Security Requirements for Dispensaries**

**20 CAR § 810-501. Duty to operate a secure premises.**

(a) All dispensaries shall implement appropriate security measures to deter and prevent the theft and diversion of marijuana.

(b) A licensee is responsible for the security of all marijuana items on the licensed premises or in transit from the facility when self-transporting.

(c) Dispensaries shall comply with all applicable security requirements set forth in

this part.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-502. Construction of premises.**

(a) **Enclosed and secure facility.** Dispensaries shall be enclosed on all sides by permanent walls and doors.

(b) All cultivation of medical marijuana by a dispensary shall take place within a building, greenhouse, or other structure connected to the dispensary that:

(1) Has a complete roof enclosure supported by connecting walls, constructed of solid materials, extending from the ground to the roof;

(2) Is secure against unauthorized entry;

(3) Has a foundation, slab, or equivalent base to which the floor is securely attached;

(4) Meets performance standards ensuring that cultivation and processing activities cannot be and are not perceptible from the structure in terms of:

(A) Common visual observation;

(B) Odors, smell, fragrances, or other olfactory stimulus;

(C) Light pollution, glare, or brightness;

(D) Adequate ventilation to prevent mold; and

(E) Noise;

(5) Provides complete visual screening; and

(6) Is accessible only through one (1) or more lockable doors.

(c)(1) Commercial grade, nonresidential door locks shall be installed on every external door, and gate, if applicable.

(2) All external locks shall be equipped with biometric access controls with two-factor authentication, and the two-factor authentication must be in use at all times.

(3) Only authorized personnel shall have access to locked and secured areas.

(4)(A) Facilities shall maintain detailed records of employees with access to locked and secured areas.

(B) Records shall be made available to the Alcoholic Beverage Control Division upon request.

(d)(1) All dispensaries shall maintain detailed plans and elevation drawings of all operational areas involved with the dispensing and production of medical marijuana.

(2) The plan shall identify the following:

(A) All entrances and exits to the facility;

(B) All windows, skylights, and retractable mechanisms built into the roof;

(C) All designated areas for qualified patients and designated caregivers;

(D) All limited access areas;

(E) All storage areas, ventilation systems, and equipment used for:

(i) Production;

(ii) Processing; and

(iii) Manufacturing;

(F) The location of all required security cameras;

(G) The location of all alarm:

(i) Inputs;

(ii) Detectors; and

(iii) Sirens;

(H) All video and alarm system surveillance areas;

(I) All production, processing, and manufacturing areas shall be labeled according to the specific activity occurring within the area;

(J) All restricted and limited access areas shall be identified; and

(K) All areas shall be labeled according to their purpose.

(e)(1) Floor plans and elevation drawings shall be kept current and on the premises of the dispensary.

(2) Plans and elevation drawings shall be made available to the division upon request.

(f) Floors, walls, and ceilings shall be constructed in such a manner that they may be adequately cleaned and kept clean and in good repair.

(g) Dispensaries shall have adequate lighting in all areas where medical marijuana

is stored and where equipment and utensils are cleaned.

(h)(1) Plumbing shall be of adequate size and design and adequately installed and maintained to:

(A) Carry sufficient quantities of water to required locations throughout the facility; and

(B) Properly convey sewage and liquid disposable waste from the facility.

(2) There shall be no cross-connections between the potable and wastewater lines.

(i) All facilities shall be constructed to meet the standards of any applicable state and local electrical, fire, plumbing, and building specification codes.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

#### **20 CAR § 810-503. Storage area requirements.**

(a) Any dispensary storing usable marijuana harvested from mature plants pursuant to 20 CAR § 810-1103, marijuana stored for retail, or marijuana products for retail shall comply with the storage area requirements in 20 CAR § 810-403.

(b)(1) Dispensaries may keep usable marijuana in locked display case during business hours for patients to inspect.

(2) All usable marijuana shall be stored in accordance with subsection (a) of this section after operating hours.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

#### **20 CAR § 810-504. Alarm system.**

(a)(1) All dispensaries shall be equipped with an alarm system which, upon attempted unauthorized entry, shall transmit a signal directly to a central protection company or a local or state police agency that has a legal duty to respond.

(2) A designated agent of the dispensary shall also receive notification of any such signal.

(b) Alarm systems shall provide coverage for all points of ingress and egress to the facility, including, but not limited to:

- (1) Doorways;
- (2) Windows;
- (3) Loading bays;
- (4) Skylights; and
- (5) Retractable roof mechanisms.

(c) Alarm systems shall provide coverage of:

- (1) Any room with an exterior wall;
- (2) Any room containing a safe; and
- (3) Any room used to grow or store medical marijuana.

(d) Alarm systems shall be equipped with a "panic device" that upon activation will not only sound any audible alarm components but will also notify law enforcement.

(e) Alarm systems shall have "duress" and "hold up" features to enable an agent to activate a silent alarm notifying law enforcement of an emergency.

(f) Alarm systems must be equipped with failure notification systems to notify dispensaries and law enforcement of any failure in the alarm system and such systems shall be in use at all times.

(g) Alarm systems shall have the ability to remain operational during a power outage and shall remain operational regardless of the length of the power outage.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-505. Video surveillance system.**

(a) All dispensaries shall be equipped with video surveillance systems consisting of the following:

- (1) Digital video cameras with a minimum resolution of ten (10) frames per second;
- (2) Twenty-four (24) hour per day, seven (7) day per week continuous recording;

- (3) The ability to remain operational during a power outage;
- (4) Digital archiving capabilities and shall maintain digital archiving for ninety (90) days;
- (5) On-site and off-site monitoring; and
- (6)(A) All facilities must maintain at least one (1) on-site display monitor connected to the surveillance system at all times.
  - (B) The monitor shall have a screen size of at least twelve inches (12").
- (b) All dispensaries shall maintain camera coverage of the following areas:
  - (1) All points of ingress and egress to the facility, including, but not limited to:
    - (A) Doorways;
    - (B) Windows;
    - (C) Loading bays;
    - (D) Skylights; and
    - (E) Retractable roof mechanisms;

(d) The processor shall ensure any odors that may arise from any stage of marijuana manufacture and production or the disposal of marijuana are not detectable by the public from outside the processor.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24.

## **Subpart 7. Operational Requirements for Cultivation Facilities**

### **20 CAR § 810-701. Hours of operation.**

(a) A cultivation facility may operate twenty-four (24) hours a day.

(b)(1) Cultivation facilities shall not be open to the public.

(2) Only the following individuals shall be allowed on the premises:

(A) Individuals authorized by law or this part to be on the premises; and

(B) Visitors and contractors shall only be present on the property pursuant to 20 CAR § 810-703 and shall have access to Limited Access Areas pursuant to 20 CAR § 810-704.

(c) A cultivation facility may transport medical marijuana to another cultivation facility, dispensary, processor, or approved laboratory between the hours of 7:00 a.m. and 9:00 p.m.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

### **20 CAR § 810-702. Registry identification card required.**

Any employee, supervisor, or agent employed by a cultivation facility must have a current registry identification card issued by the Alcoholic Beverage Control Division on

their person at all times while present at a cultivation facility.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-703. Visitor policy.**

(a) All cultivation facilities shall prepare and keep written policies regarding any visitors to the premises who are not in possession of a registry identification card.

(b)(1) All cultivation facilities shall maintain a log of visitors to the premises.

(2) The log shall consist of the:

- (A) Visitor's name;
- (B) Name of agent assigned to escort the visitor;
- (C) Purpose of visit;
- (D) Time of arrival; and
- (E) Time of departure.

(c) Visitor logs shall be maintained for a minimum of three (3) years.

(d)(1)(A) All visitors shall be issued a visitor identification tag.

(B) The tag shall bear the individual's name and be worn by the visitor for the duration of the individual's time on the premises.

(2) Contractors shall be presented with a tag identifying them as contractors.

(e) All visitors shall be escorted by a cultivation facility agent at all times while present on the property.

(f) A cultivation facility may allow access by visitors to limited access areas of the cultivation facility if:

- (1) The visitor presents government-issued identification;
- (2) The visitor is not under twenty-one (21) years of age; and
- (3) The visitor has been invited to the facility by an employee of the facility or management of the cultivation facility.

(g) **Contractors.**

(1)(A) If it is necessary for a contractor to enter a cultivation facility to conduct

repairs, perform maintenance or other specific duties on the property, they may be escorted to their work site and left unaccompanied while completing a job.

(B) If the contractor is left unattended, cultivation facility personnel shall ensure the contractor and area under repair are under video surveillance for the duration of the contractor's time spent on the premises.

(2)(A) If it is necessary for a contractor to enter a cultivation facility's limited access area, the contractor shall be escorted to their work site and must remain in the company of a cultivator's agent while the work is being completed.

(B)(i) The contractor may be left unattended, in the limited access area, if there is no marijuana or marijuana products being stored in the area while the contractor is present.

(ii) If left unattended, cultivator's agent shall ensure the contractor and area are under video surveillance for the duration of the contractor's time spent on the premises.

(3) If a contractor is required on the premises for more than two (2) consecutive days, the cultivation facility shall notify the Alcoholic Beverage Control Division of the contractor's identity and purpose for being on the premises.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-704. Limited access areas.**

(a) Cultivation facilities shall limit access to areas where marijuana is grown, harvested, processed, and stored to authorized personnel.

(b) **Signage.** Limited access areas shall be clearly marked.

(c) **Controlled access.**

(1) Limited access areas shall be locked and accessible only by:

(A) Authorized personnel;

(B) Individuals authorized by law;

(C) Members of the Alcoholic Beverage Control Division or Alcoholic Beverage Control Enforcement Division;

(D) Laboratory personnel licensed by the Department of Health to conduct required testing; and

(E) Contractors.

(2) Cultivation facilities shall keep current rosters of personnel authorized to enter limited access areas.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-705. General sanitation requirements for cultivation facilities.**

(a) Any person who, by medical examination or supervisory observation, is shown to have, or appears to have an illness, open lesion, including boils, sores, or infected wounds, or any other abnormal source of microbial contamination for whom there is a reasonable possibility of contact with medical marijuana shall be excluded from any operations which may be expected to result in such contamination until the condition is corrected.

(b)(1) Cultivation facilities shall maintain hand-washing areas that are adequate and convenient to agents.

(2) Hand-washing or sanitizing areas shall include running water at a suitable temperature and a sanitary towel service or suitable drying device.

(c) Licensees shall ensure any person working in direct contact with medical marijuana shall:

(1) Maintain adequate personal cleanliness; and

(2) Wash hands and exposed portions of his or her arms thoroughly in an adequate hand-washing area before starting work and at any other time when the hands may have become soiled or contaminated, including but not limited to:

(A) Any time after handling possibly soiled equipment or utensils; and

(B) After leaving the initial room in which he or she was working, and before resuming work in any room, including the initial room.

(d) Litter and waste shall be properly removed, and waste disposal systems shall

be maintained so that they do not constitute a source of contamination in areas where medical marijuana is exposed.

(e)(1) Cultivation facilities shall provide adequate screening against the entry of pests.

(2) Rubbish shall be disposed of so as to minimize the development of odor and minimize the potential for the waste becoming an attractant or breeding place for pests.

(f) Toxic cleaning compounds, sanitizing agents, solvents used in the production of medical marijuana concentrates, and pesticide chemicals shall be identified, held, and stored in a manner that protects against contamination of medical marijuana, and in a manner that is in accordance with any applicable local, state, or federal:

- (1) Law;
- (2) Rule;
- (3) Regulation; or
- (4) Ordinance.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-706. Material safety data sheet required.**

(a) All cultivation facilities shall maintain a material safety data sheet for any:

- (1) Toxic cleaning compounds;
- (2) Sanitizing agents;
- (3) Solvents used in the production of medical marijuana extracts and concentrates;
- (4) Pesticide chemicals; and
- (5) Other agricultural chemicals used or stored on the premises.

(b) A copy of the material safety data sheets shall be kept in any area of the facility where the products are used or stored.

(c)(1) Material safety data sheets shall be kept for the period of time required by any applicable state or federal regulation.

(2) If a state or federal regulation does not apply to a particular material, the material data sheet shall be kept for a minimum of three (3) years.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

## **Subpart 8. Operational Requirements for Dispensaries**

### **20 CAR § 810-801. Hours of operation.**

(a) A dispensary may only operate between the hours of 7:00 a.m. and 10:00 p.m.

(b) A dispensary may transport, or contract with a third-party transporter licensed by the Alcoholic Beverage Control Division, medical marijuana to another dispensary, cultivation facility, approved laboratory, or processing facility between the hours of 7:00 a.m. and 9:00 p.m.

(c) A dispensary may deliver medical marijuana to a qualified patient or designated caregiver between the hours of 9:00 a.m. and 7:00 p.m.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

### **20 CAR § 810-802. Registry identification card required.**

Any employee, supervisor, or agent employed by a dispensary must have a current registry identification card issued by the Alcoholic Beverage Control Division on their person at all times while present at the dispensary.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

### **20 CAR § 810-803. Qualified patient/designated caregiver areas.**

Dispensaries shall identify and clearly define areas where medical marijuana will be dispensed to qualified patients and designated caregivers.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-804. Access to the dispensary.**

(a) Only the following individuals shall be allowed to access a dispensary:

(1)(A) Individuals in possession of a current registry identification card issued by the Department of Health or the Alcoholic Beverage Control Division.

(B) An individual in possession of a current registry identification card issued by the department or division in need of physical assistance may bring one (1) guest, over the age of eighteen (18), into a waiting area inside a dispensary.

(C) A parent with a registry identification card may bring his or her child or children into a dispensary for the purpose of purchasing usable marijuana.

(D) A parent without a registry identification card may accompany his or her child that is under the age of eighteen (18) into a dispensary if that child has a registry identification card for the purpose of purchasing usable marijuana for the child;

(2) Individuals authorized by law and this part to be on the premises; and

(3)(A) Contractors.

(B)(i) If it is necessary for a contractor to enter a dispensary to conduct repairs, maintenance, or other specific duties on the property, the contractor may be escorted to their work site and left unaccompanied while completing a job.

(ii) If left unattended, dispensary personnel shall ensure the contractor and area under repair are under video surveillance for the duration of the contractor's time spent on the premises.

(C)(i) If it is necessary for a contractor to enter a cultivation facility's limited access area the contractor shall be escorted to their work site and must remain in the company of a dispensary's agent while the work is being completed.

(ii)(a) The contractor may be left unattended, in the limited access area, if there is no marijuana or marijuana products being stored in the area while the contractor is present.

(b) If left unattended, the dispensary agent shall ensure the contractor and area are under video surveillance for the duration of the contractor's

time spent on the premises.

(D) If a contractor is required on the premises for more than two (2) consecutive days, the dispensary facility shall notify the division of the contractor's identity and purpose for being on the premises.

(b) Dispensaries may maintain an educational facility accessible to the general public as set forth in their compassionate care plan as follows:

(1) The educational facility shall not be accessible from inside the dispensary;

(2) If the educational facility is attached to the dispensary, it must maintain a separate exterior door, and there shall be no door from inside the facility which accesses any portion of the dispensary;

(3) The educational facility may be a separate structure from the dispensary and contained upon the dispensary's property; and

(4) Any educational facility maintained or operated by the dispensary shall adhere to the rules set forth in Subpart 17 of this part.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-805. Limited access areas.**

(a) Dispensaries shall limit access to areas where marijuana is grown, harvested, processed, or stored to authorized personnel.

**(b) Signage.**

(1) Limited access areas shall be clearly marked.

(2) Any doorways separating qualified patient/designated caregiver areas and limited access areas shall be posted and equipped with controls to restrict entry.

**(c) Controlled access.**

(1) Limited access areas shall be locked and accessible only by:

(A) Authorized personnel;

(B) Individuals authorized by law;

(C) Members of the Alcoholic Beverage Control Division or Alcoholic Beverage Control Enforcement Division; and

(D) Laboratory personnel licensed by the Department of Health to conduct required testing.

(2) Dispensaries shall keep current rosters of personnel authorized to enter limited access areas.

(3) Contractors may access limited access areas subject to the provisions in 20 CAR § 810-804(a)(3)(A).

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-806. General sanitation requirements for dispensaries facilities.**

(a) Any person who, by medical examination or supervisory observation, is shown to have, or appears to have, an illness, open lesion, including boils, sores, or infected wounds, or any other abnormal source of microbial contamination for whom there is a reasonable possibility of contact with medical marijuana shall be excluded from any operations which may be expected to result in such contamination until the condition is corrected.

(b)(1) Dispensaries shall maintain hand-washing areas that are adequate and convenient to agents.

(2) Hand-washing or sanitizing areas shall include running water at a suitable temperature and a sanitary towel service or suitable drying device.

(c) Licensees shall ensure any person working in direct contact with medical marijuana shall:

(1) Maintain adequate personal cleanliness; and

(2) Wash hands and exposed portions of his or her arms thoroughly in an adequate hand-washing area before starting work and at any other time when the hands may have become soiled or contaminated, including but not limited to:

(A) Any time after handling possibly soiled equipment or utensils; and

(B) After leaving the initial room in which he or she was working, and before resuming work in any room.

(d) Litter and waste shall be properly removed and waste disposal systems shall be maintained so that they do not constitute a source of contamination in areas where medical marijuana is exposed.

(e)(1) Dispensaries shall provide adequate screening against the entry of pests.

(2) Rubbish shall be disposed of so as to minimize the development of odor and minimize the potential for the waste becoming an attractant or breeding place for pests.

(f) Toxic cleaning compounds, sanitizing agents, solvents used in the production of medical marijuana concentrates, and pesticide chemicals shall be identified, held, and stored in a manner that protects against contamination of medical marijuana and in a manner that is in accordance with any applicable local, state, or federal:

- (1) Law;
- (2) Rule;
- (3) Regulation; or
- (4) Ordinance.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-807. Material safety data sheet required.**

(a) All dispensaries shall maintain a material safety data sheet for any:

- (1) Toxic cleaning compounds;
- (2) Sanitizing agents;
- (3) Solvents used in the production of medical marijuana concentrates and extracts;
- (4) Pesticide chemicals; and
- (5) Other agricultural chemical used or stored on the premises.

(b)(1) A copy of the material data sheet shall be kept in any area of the facility where the products are used or stored.

(2)(A) Material data sheets shall be kept for the period of time required by any applicable state or federal rules or laws.

(B) If a state or federal law does not apply to a particular material, the material data sheet shall be kept for a minimum of three (3) years.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

## **Subpart 9. Operational Requirements for Processors**

### **20 CAR § 810-901. Hours of operation.**

(a) A processor may operate twenty-four (24) hours a day.

(b) A processor may transport medical marijuana between licensed facilities between the hours of 7:00 a.m. and 9:00 p.m.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24.

### **20 CAR § 810-902. Registry identification card required.**

Any employee, supervisor, or agent employed by a processor must have a current registry identification card issued by the Alcoholic Beverage Control Division on their person at all times while present at the processor.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25.

### **20 CAR § 810-903. Access to processors.**

(a) Only the following individuals shall be allowed to access a processor:

(1) Individuals authorized by law and this part to be on the premises; and

(2)(A) Contractors.

(B)(i) If it is necessary for a contractor to enter a processor to conduct repairs, maintenance, or other specific duties on the property, the contractor may be escorted to their work site and left unaccompanied while completing a job.

(ii) If the contractor is left unattended, processor personnel shall

ensure that the contractor and area under repair are under video surveillance for the duration of the contractor's time spent on the premises.

(C)(i) If it is necessary for a contractor to enter a processor's limited access area the contractor shall be escorted to their work site and must remain in the company of a processor's agent while the work is being completed.

(ii)(a) The contractor may be left unattended, in the limited access area, if there is no marijuana or marijuana products being stored in the area while the contractor is present.

(b) If left unattended, processor's agent shall ensure the contractor and area are under video surveillance for the duration of the contractor's time spent on the premises.

(D) If a contractor is required on the premises for more than two (2) consecutive days, the processor shall notify the Alcoholic Beverage Control Division of the contractor's identity and purpose for being on the premises.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24.

**20 CAR § 810-904. Limited access area.**

(a) Processors shall limit access to areas where marijuana is manufactured and processed and stored to authorized personnel.

(b) **Controlled access.**

(1) Limited access areas shall be clearly marked "Controlled Access".

(2) Limited access areas shall be locked and accessible only by:

(A) Authorized personnel;

(B) Individuals authorized by law;

(C) Members of the Alcoholic Beverage Control Division or Alcoholic Beverage Control Enforcement Division;

(D) Laboratory personnel licensed by the Department of Health to conduct required testing; and

(E) Contractor to complete repairs.

(c) A processor shall keep current rosters of employees authorized to enter limited access areas.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24.

**20 CAR § 810-905. General sanitation requirements for processors.**

(a) Any person who, by medical examination or supervisory observation, is shown to have, or appears to have, an illness, open lesion, including boils, sores, or infected wounds, or any other abnormal source of microbial contamination and for whom there is a reasonable possibility of contact with medical marijuana shall be excluded from any operations which may be expected to result in such contamination until the condition is corrected.

(b)(1) A processor shall maintain hand-washing areas that are adequate and convenient to agents.

(2) Hand-washing or sanitizing areas shall include running water at a suitable temperature and a sanitary towel service or suitable drying device.

(c) Any person working in direct contact with medical marijuana shall:

(1) Maintain adequate personal cleanliness; and

(2) Wash hands and exposed arms thoroughly in an adequate hand-washing area before starting work and at any other time when the hands may have become soiled or contaminated.

(d) Litter and waste shall be properly removed and waste disposal systems shall be maintained so that they do not constitute a source of contamination in areas where medical marijuana is exposed.

(e)(1) A processor shall provide adequate screening against the entry of pests.

(2) Rubbish shall be disposed of so as to minimize the development of odor and minimize the potential for the waste becoming an attractant or breeding place for pests.

(f) Toxic cleaning compounds, sanitizing agents, solvents used in the production of medical marijuana concentrates, and pesticide chemicals shall be identified, held, and

stored in a manner that protects against contamination of medical marijuana and in a manner that is in accordance with any applicable local, state, or federal:

- (1) Law;
- (2) Rule; or
- (3) Ordinance.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24.

**20 CAR § 810-906. Material safety data sheet required.**

(a) A processor shall maintain a material safety data sheet for any:

- (1) Toxic cleaning compounds;
- (2) Sanitizing agents;
- (3) Solvents used in the production of medical marijuana concentrates and extracts;
- (4) Pesticide chemicals; and
- (5) Other agricultural chemicals used or stored on the premises.

(b)(1) A copy of the material safety data sheet shall be kept in any area of the facility where the products are used or stored.

(2)(A) Material safety data sheets shall be kept for the period of time required by any applicable state or federal law.

(B) If a state or federal law does not apply to a particular material, the material data sheet shall be kept for a minimum of three (3) years.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24.

**Subpart 10. Inventory and Tracking**

**20 CAR § 810-1001. Inventory and tracking requirements.**

Failure to comply with the tracking requirements set forth in this part may result in suspension or revocation of the license, and/or imposition of a monetary fine.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1002. Minimum inventory requirements.**

Each dispensary, processor, and cultivation facility shall:

(1) Conduct an initial comprehensive inventory of all marijuana, including without limitation usable marijuana available for dispensing, mature marijuana plants, and seedlings at each authorized location prior to the first date the applicable license first dispenses usable marijuana or cultivates, prepares, manufactures, processes, or packages usable marijuana; and

(2)(A) Conduct a biannual comprehensive inventory of all marijuana, including without limitation usable marijuana available for dispensing, mature marijuana plants, and seedlings at each authorized location.

(B) Biannual inventories shall be conducted every six (6) months.

(C) The first inventory required under subdivision (2)(A) of this section shall be conducted six (6) months after the initial comprehensive inventory described in subdivision (1) of this section.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1003. Inventory tracking system.**

(a) All licensed facilities shall utilize the inventory tracking system implemented by the State of Arkansas to track medical marijuana from seed to distribution to qualified patients and designated caregivers.

(b) All usable marijuana shall be tagged or labeled with a unique identification number and entered into the inventory tracking system.

(c)(1) The cultivation facility, processors, and dispensary shall bear the cost of the labels and tags.

(2) All licensed facilities shall acquire and maintain all software, hardware, and communications infrastructures to ensure connectivity to the inventory tracking system.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1004. Batching required.**

At the time of harvesting, all plants shall be accounted for as a batch with a unique batch number that shall remain with the batch through final packaging.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1005. Plant identification.**

(a) All plants shall be assigned a specific number and so tagged with an individual tag with a unique identification number that will be recorded electronically or kept in an electronic file until harvest or destruction.

(b)(1) Immature, nonflowering marijuana plants under twenty-four inches (24") shall be individually tagged.

(2) Each tag shall contain a legible UIN and may either be physically on the plant or in the soil or other growth medium.

(3) Such label must be clearly legible and free from dirt and debris.

(4) After plants reach twenty-four inches (24") in height or width or begin flowering, whichever occurs earlier, the UIN tag must be physically attached to the plant.

(c)(1) Clones are not required to be individually tagged until they are eight inches (8") in height or length and placed in soil or other growth medium, whichever occurs earlier.

(2) Clones shall, however, be recorded in the inventory tracking system.

(d) Marijuana seeds must be individually tagged once they are placed in soil or

other growth medium.

(e)(1) Plant tissue is not required to be individually tagged until such tissue has grown to eight inches (8") in height or length.

(2) Plant tissues shall, however, be recorded in the inventory tracking system.

(f) All plants, regardless of accounting strategy, shall be physically inventoried on a weekly basis and records of the inventory shall be kept at the facility for at least three (3) years.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1006. Cultivation facility tracking requirements.**

(a) Cultivation facilities shall ensure the following events are logged into the inventory tracking system:

(1) The purchase or acquisition of medical marijuana:

(A) Seeds;

(B) Plants (including immature plants and seedlings); or

(C) Its derivatives.

(2) The sale or transfer of medical marijuana or its derivatives to a licensed facility or approved laboratory by the Medical Marijuana Commission or the Department of Health;

(3) The transport of medical marijuana or its derivatives to a facility licensed by the commission or the department; and

(4) Disposal of medical marijuana.

(b) The following information, without limitation, shall be provided for each transaction described in subsection (a) of this section:

(1) Date of transaction or event;

(2) Agent identification number responsible for data entry;

(3) License number of receiving licensed facility licensed by the commission or the department or name of approved laboratory;

- (4) Batch identification number; and
- (5) Plant identification number, if applicable.

(c)(1) Each transaction described in subsection (a) of this section must be recorded by a licensee immediately upon occurrence.

(2) Any licensee who fails to record any transaction listed in (a) within twenty-four (24) hours of the transaction, or who fails to include all of the requisite information listed in subsection (b) of this section, may be subject to the disciplinary actions provided in this part.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1007. Dispensary tracking requirements.**

(a) Dispensaries shall ensure the following events are logged into the inventory tracking system:

- (1) The purchase or acquisition of marijuana, including immature plants and seedlings;
- (2) The sale or transfer of medical marijuana or its derivatives to another licensed facility or approved laboratory;
- (3) The transport of medical marijuana or its derivatives to a facility licensed by the Medical Marijuana Commission or the Department of Health;
- (4) Disposal of medical marijuana; and
- (5) Sale of medical marijuana to:
  - (A) A qualified patient;
  - (B) Visiting qualified patient; or
  - (C) Designated caregiver.

(b) The following information, without limitation, shall be provided for each transaction described in subsection (a) of this section:

- (1) Date of transaction or event;
- (2) Agent identification number responsible for data entry;
- (3) License number of receiving licensed facility or approved laboratory;

(4) Batch identification number;  
(5) Plant identification number, if applicable; and  
(6) Sales to a qualified patient, visiting qualified patient, or designated caregiver shall include the following in addition to any applicable information required above:

- (A) The registry identification number of the patient or caregiver; and
- (B) The quantity of medical marijuana dispensed.

(c)(1) Each transaction described in subsection (a) of this section must be recorded by a licensee immediately upon occurrence.

(2) Any licensee who fails to record any transaction listed in subsection (a) within twenty-four (24) hours of the transaction, or who fails to include all of the requisite information listed in subsection (b) of this section, may be subject to the disciplinary actions provided in this part.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1008. Processor tracking requirements.**

(a) A processor shall ensure the following events are logged into the inventory tracking system:

- (1) The acquisition of medical marijuana;
- (2) The transport of medical marijuana to a licensed cultivator or dispensary;

and

- (3) Disposal of medical marijuana.

(b) The following information, without limitation, shall be provided for each transaction described in subsection (a) of this section:

- (1) Date of transaction or event;
- (2) Agent identification number responsible for data entry;
- (3) License number of receiving cultivator or dispensary;
- (4) Batch identification number; and
- (5) Plant identification number, if applicable.

(c)(1) Each transaction described in subsection (a) of this section must be recorded by a licensee immediately upon occurrence.

(2) A licensee that fails to record any transaction listed in subsection (a) of this section within twenty-four (24) hours of the transaction or that fails to include all of the requisite information listed in subsection (b) of this section may be subject to suspension or revocation of license or licenses and/or imposition of monetary fines.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24.

### **Subpart 11. Cultivation of Medical Marijuana**

#### **20 CAR § 810-1101. Operations plan required.**

(a) All cultivation facilities and any dispensary cultivating medical marijuana shall establish and maintain a written operations plan for the production of marijuana in the facility.

(b) The plan shall include:

(1) Standard operating procedures for the cultivation of marijuana in each production area of the facility; and

(2) Information regarding chemicals and pesticides applied during the production process, including but not limited to, when and the manner in which they are applied.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

#### **20 CAR § 810-1102. Limitation on plants in a dispensary.**

(a) A dispensary may grow or possess:

(1) Fifty (50) mature marijuana plants at any one (1) time;

(2) Immature plants, clones, and other precursor genetics; and

(3) All usable marijuana derived from the plants under subdivision (a)(1) of this section or predecessor plants.

(b) A dispensary may contract with a cultivation facility to cultivate one (1) or more mature marijuana plants the dispensary is permitted to grow.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1103. Limitation on harvests in a dispensary.**

(a) No more than fifty (50) mature marijuana plants shall be harvested for usable marijuana per month.

(b) Dispensaries storing usable marijuana harvested from mature plants must be stored pursuant to the requirements of 20 CAR § 810-503.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1104. Limitation on plants in a cultivation facility.**

(a) A cultivation facility may grow and possess usable marijuana in an amount reasonably necessary to meet the demand for and needs of qualifying patients as determined by the Medical Marijuana Commission with the assistance of the Department of Health.

(b) A cultivation facility may also possess marijuana seeds.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1105. Production areas.**

(a) The size and canopy of production areas shall be maintained in accordance with the plans provided to the Medical Marijuana Commission in the application for cultivation facility or dispensary licenses.

(b) Each production area shall be maintained to allow for adequate observation and inventory.

(c) Hygiene and sanitation requirements in 20 CAR §§ 810-705 and 810-806 shall be observed at all times in production areas.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1106. Pesticides and chemicals.**

(a) All pesticides and chemicals shall only be applied to medical marijuana pursuant to the operations plan.

(b) All facilities cultivating medical marijuana shall maintain the following:

(1) The material safety data sheet required of all cultivation facilities and dispensaries; and

(2) The original label or a copy thereof for all pesticides and other agricultural chemicals used during cultivation.

(c) All facilities cultivating medical marijuana and applying any pesticide or agricultural chemical during any stage of cultivation of medical marijuana shall document and maintain a record of the following:

(1) The date and time of application;

(2) The name of the individual or individuals who applied the pesticide or chemical;

(3) The batch number or numbers of all plants receiving the application;

(4) The name of the product applied;

(5) The United States Environmental Protection Agency registration number of the pesticide or chemical; and

(6) The amount of product applied.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**Subpart 12. Manufacturing and Processing of Medical Marijuana**

**20 CAR § 810-1201. General requirements for manufacturing and processing medical marijuana.**

(a) Medical marijuana and medical marijuana products shall only be manufactured

and processed in accordance with this part.

(b) All equipment, counters, and surfaces used for processing shall be food-grade and shall not react adversely with any solvent being used.

(c) All counters and surfaces shall be constructed in a manner that reduce the potential for development of microbials, molds, and mildews and that can be easily cleaned.

(d) Every process lot shall be assigned a unique identification number that shall be entered into the inventory tracking system.

(e) With the exception of medical marijuana, all ingredients used to make medical marijuana edibles must meet the requirements for food products set forth by the United States Food and Drug Administration and the Department of Health.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1202. General prohibitions for manufacturing and processing medical marijuana.**

(a) A cultivation facility, processor, or dispensary shall not process or manufacture a medical marijuana product in a nonchildproof package or container:

(1) That by its shape or design is likely to appeal to minors due to shape, color, taste, or design, including but not limited to:

(A) Products that are modeled after noncannabis products primarily consumed by and marketed to children;

(B) Products in the shape of:

(i) An animal;

(ii) A vehicle;

(iii) A person; or

(iv) A character; and

(C) Products that:

(i) Contain cannabinoid concentrates or extracts that, as determined

by the Alcoholic Beverage Control Division, closely resemble foods or beverages that are attractive to minors; and

(ii) Are commonly sold in retail establishments in individually packaged portions or multiple packs of individually packaged portions, regardless of whether the foods or beverages are generic, trademarked, or branded products, including, but without limitation to:

- (a) Candy;
- (b) Cookies;
- (c) Cakes;
- (d) Pastries;
- (e) Chewing gum; and
- (f) Brownies; or

(2) That is manufactured by applying cannabinoid concentrates or extracts to trademarked or branded food, candy, or beverages that are commercially available without cannabinoid concentrates or extracts and are commonly sold at retail establishments in individual portions or in multiple packs of individually packaged portions.

(b) A cultivation facility, processor, or dispensary shall not treat or otherwise adulterate a cannabinoid product, concentrate, or extract with any noncannabinoid additive that would increase potency, toxicity, or addictive potential, or that would create an unsafe combination, with caffeine or other chemical that may increase carcinogenicity or cardiac effects.

(c) A cultivation facility, processor, or dispensary is authorized to sell and possess hemp derived products so long as the product is clearly labeled "hemp derived" and does not violate the restrictions set forth in subsection (b) of this section.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

## **20 CAR § 810-1203. Manufacturing and processing policies and**

**procedures.**

(a) Cultivation facilities, processors, and dispensaries shall create and maintain written policies and procedures for the following:

(1) Instructions for making each cannabinoid concentrate, extract, or product produced on the premises;

(2) Ingredients and amount of each ingredient used for each process lot;

(3) Process for making each product;

(4) Number of servings in a process lot;

(5) Intended amount of THC per serving and in a unit of sale of the product;

and

(6) Process for making each process lot homogenous.

(b) Licensed facilities that manufacture and process cannabinoid concentrates or extracts shall create and maintain written policies and procedures regarding:

(1) Procedures for conducting necessary safety checks prior to processing;

(2) Process for purging any solvent or other unwanted components from a cannabinoid concentrate or extract;

(3) Sanitization procedures for working surfaces and equipment;

(4) Procedures for handling or storage of any solvent, gas, or other chemical used in processing;

(5) Quality control procedures; and

(6) Emergency procedures in case of:

(A) A fire;

(B) Chemical spill; or

(C) Other emergency.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**Codification Notes.** "THC" means Tetrahydrocannabinol.

**20 CAR § 810-1204. Manufacturing and processing of cannabinoid edibles.**

Cultivation facilities and dispensaries manufacturing, and processing cannabinoid edibles shall comply with the following:

(1) The requirements of this section, the requirements of 20 CAR §§ 810-705 and 810-806;

(2) Any state and local kitchen-related health and safety standards for retail food establishments;

(3) Before sale, food or drink that has been combined with usable marijuana shall not exceed ten milligrams (10 mg) of active tetrahydrocannabinol per portion and shall be physically demarked; and

(4) If the portions cannot be physically determined, the entirety of the food or drink that has been combined with usable marijuana shall not contain more than ten milligrams (10 mg) of active tetrahydrocannabinol.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1205. Manufacturing and processing of cannabinoid concentrates and cannabinoid extracts.**

(a) Licensed facilities producing cannabinoid concentrates and extracts shall:

(1) Not use solvent classified as "Class 1" by the United States Food and Drug Administration Guidance, Table 1, published in the Federal Register on December 24, 1997, 62 Fed. Reg. 67,377;

(2) Only use a hydrocarbon-based solvent that is at least 99 percent (99%) purity;

(3) Only use a nonhydrocarbon-based solvent that is food grade;

(4) Work in an environment with proper ventilation, controlling all sources of ignition where a flammable atmosphere is or may be present; and

(5) Use only potable water and ice made from potable water in processing.

(b) Licensed facilities producing cannabinoid extracts shall:

(1) Not use pressurized canned flammable fuel, including but not limited to butane and other fuels intended for use in:

- (A) Camp stoves;
- (B) Handheld torch devices;
- (C) Refillable cigarette lighters; and
- (D) Similar consumer products;

(2) Process only in a fully enclosed room clearly designated on the floor plan of the licensed facility;

(3) Ensure that all processing rooms and equipment, including all electrical installations, comply with applicable electrical codes and fire codes;

(4) Use a professional grade closed loop extraction system designed to recover the solvents and built to recognized codes and generally accepted engineering standards, such as those of:

- (A) American National Standards Institute (ANSI);
- (B) Underwriters Laboratories (UL); or
- (C) The American Society for Testing and Materials (ASTM);

(5) If using carbon dioxide in processing, use a professional-grade, closed-loop carbon dioxide gas extraction system where every vessel is rated to a minimum of six hundred pounds (600 lbs.) per square inch;

(6) Have equipment and facilities used in processing approved for use by the local fire code official;

(7) Have a licensed engineer certify that the closed-loop system was commercially manufactured, and is safe for its intended purposes;

(8) Have an emergency eye-wash station in any room in which cannabinoid extract is being processed; and

(9) Have all applicable material safety data sheets readily available in processing areas.

(c) Licensed facilities producing cannabinoid concentrates may use a:

- (1) Mechanical extraction process;

(2) Chemical extraction process using a nonhydrocarbon-based or other solvent, such as:

- (A) Water;
- (B) Vegetable glycerin;
- (C) Vegetable oils;
- (D) Animal fats;
- (E) Isopropyl alcohol; or
- (F) Ethanol; and

(3) Chemical extraction process using the hydrocarbon-based solvent carbon dioxide, provided that the process does not involve the use of pressure or heat over one hundred eighty degrees (180°).

(d) Licensed facilities producing cannabinoid concentrates shall:

(1) Not use denatured alcohol;

(2) Not apply pressure or heat over one hundred eighty degrees (180°) if using carbon dioxide; and

(3) Only use or store dry ice in a well-ventilated room to prevent against the accumulation of dangerous levels of carbon dioxide.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

### **Subpart 13. Packaging of Medical Marijuana**

#### **20 CAR § 810-1301. Medical marijuana packaging.**

(a) Cultivation facilities, processors, and dispensaries shall:

(1) Package usable medical marijuana that is intended for transport to another licensed facility, and not intended for sale to qualified patients and designated caregivers without repackaging, in a shipping container affixed with a UIN generated by the inventory tracking system; and

(2)(A) Package usable medical marijuana that is intended for sale to a

qualified patient or designated caregiver without repackaging in a medical marijuana container.

(B) All medical marijuana containers shall:

(i) Be sealed, traceable, and food compliant; and

(ii) Be child-proof so that it:

(a) Cannot be opened by a child; or

(b) Prevents ready access to toxic or harmful amounts of the packaged product; and

(c) Meets the testing requirements in accordance with the method described in 16 C.F.R. § 1700.20, as existing on January 1, 2017.

(C) Medical marijuana packages shall not be shaped or designed in a manner that is likely to appeal to minors, including but not limited to packaging that:

(i) Is modeled after noncannabis products primarily consumed by and marketed to children;

(ii) Is in the shape of or that depicts an animal, vehicle, person, or character; and

(iii) Closely resembles that of familiar food and drink items, including candy.

(b) All medical marijuana containers shall be labeled according to the standards established by the Department of Health.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

## **Subpart 14. Distribution of Medical Marijuana**

### **20 CAR § 810-1401. Dispensaries.**

A dispensary may:

(1) Acquire marijuana seedlings, plants, or usable marijuana from another licensed facility;

(2) Acquire marijuana seeds from any individual lawfully entitled to possess marijuana seeds, seedlings, and plants under the laws of the state in which the individual resides;

(3) Enter into a contract with a licensed transporter to transport medical marijuana or marijuana products to and from another:

- (A) Dispensary;
- (B) Cultivator;
- (C) Processing facility; or
- (D) Licensed laboratory;

(4) Transfer or sell marijuana seedlings, plants, or usable marijuana to other licensed facilities and approved laboratories; and

(5) Sell usable marijuana to qualified patients, qualified visitor patients, and designated caregivers within the parameters set forth by:

- (A) The Medical Marijuana Commission;
- (B) The Department of Health; and
- (C) The Alcoholic Beverage Control Division.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1402. Cultivation facilities.**

(a) A cultivation facility may sell marijuana plants, seeds, and usable marijuana only to a dispensary, other cultivation facility, or processing facility within the State of Arkansas or outside of the state as federal law permits.

(b) Enter into a contract with a licensed transporter to transport medical marijuana or marijuana products to and from another:

- (1) Dispensary;
- (2) Processor;
- (3) Cultivator; or
- (4) Licensed laboratory.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1403. Processors.**

(a) A processor may acquire medical marijuana from and supply medical marijuana to a licensed cultivator or dispensary.

(b) Enter into a contract with a licensed transporter to transport medical marijuana or marijuana products to and from another:

- (1) Dispensary;
- (2) Processor;
- (3) Cultivator; or
- (4) Licensed laboratory.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24.

**20 CAR § 810-1404. Weights and measures.**

(a) Cultivation, dispensary, and processors shall utilize standardized weights and measures in accordance with the Arkansas Weights and Measures laws and rules.

(b) Any scale located within a cultivation, dispensary, or processing facility shall be certified once every twelve (12) months by the Department of Agriculture Division of Weights and Measures or a private scale company, certified by the department, and shall comply with their rules for weights and measures.

(c) A copy of the certification report for any scale within a facility shall be produced, on request, to the Alcoholic Beverage Control Division or Alcoholic Beverage Control Enforcement Division.

(d) A cultivation, dispensary, or processor may have certification performed less frequently, so long as they maintain compliance with Arkansas Weights and Measures' laws and rules.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

## **Subpart 15. Dispensing of Medical Marijuana and Related Supplies**

### **20 CAR § 810-1501. Dispensing medical marijuana.**

(a) Prior to dispensing medical marijuana to a qualified patient or designated caregiver, a dispensary agent shall:

- (1) Verify the identity of the qualifying patient or the designated caregiver;
- (2) Verify the validity of the qualifying patient or designated caregiver's registry identification card;
- (3) Enter the qualifying patient or designated caregiver's registry identification number listed on the registry identification card into the inventory tracking system;
- (4) Verify that the qualified patient or designated caregiver has a current authorization by the Department of Health to purchase medical marijuana;
- (5) Verify that the amount of medical marijuana the qualifying patient or designated caregiver is requesting would not cause the qualifying patient to exceed the limit on obtaining no more than two and one-half ounces (2 1/2 oz.) of usable medical marijuana during any fourteen-day period; and
- (6) Enter the following information into the inventory tracking system:
  - (A) The dispensary agent's registry identification number;
  - (B) The dispensing organization's registry identification number;
  - (C) The amount, type, and strain of medical marijuana dispensed;
  - (D) Any UIN associated with the medical marijuana;
  - (E) Purchase price of the medical marijuana;
  - (F) Identity of the individual to whom the medical marijuana was dispensed, whether the qualifying patient or the qualifying patient's designated caregiver;
  - (G) The date and time the medical marijuana was dispensed; and
  - (H) If an order is placed for delivery, the following information shall also be recorded:
    - (i) Registry identification numbers for the agents assigned to deliver the medical marijuana;

- (ii) Address for delivery;
- (iii) Estimated time of delivery; and
- (iv) Actual time of delivery.

(b)(1) Dispensaries may sell medical marijuana to a visiting qualifying patient if the patient produces evidence of his or her registry identification card or its equivalent that is issued under the laws of another state, district, territory, commonwealth, or insular possession of the United States and proof of registration with the Department of Health.

(2) For each sale to a visiting qualifying patient, the following information shall be entered into the inventory tracking system:

- (A) The dispensary agent's registry identification number;
- (B) The dispensing organization's registry identification number;
- (C) The amount, type, and strain of medical marijuana dispensed;
- (D) Any UIN associated with the medical marijuana;
- (E) Identity of the individual to whom the medical marijuana was

dispensed; and

- (F) The date and time the medical marijuana was dispensed.

(c) A dispensary shall not use a self-service machine such as a vending machine for the purchase and dispensing of medical marijuana.

(d) Use or consumption of medical marijuana on the premises of the dispensary is prohibited.

**Authority.** Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-1502. Marijuana paraphernalia, supplies, and educational materials.**

(a) A dispensary shall:

(1) Make marijuana vaporizers available for sale to qualifying patients and designated caregivers; and

(2) Provide educational materials to qualified patients, qualified visiting patients, and caregivers regarding methods of ingestion to qualifying patients and

designated caregivers, including without limitation:

(A) Warnings on the potential health risks of smoking or combusting marijuana; and

(B) Information on potential health benefits of vaporizing marijuana compared to smoking or combusting.

(b)(1) A dispensary may acquire, possess, manufacture, process, prepare, deliver, transfer, transport, supply, and dispense marijuana paraphernalia, marijuana-related supplies, and educational materials to qualifying patients and designated caregivers.

(2) However, a dispensary shall not supply, possess, manufacture, deliver, transfer, or sell marijuana paraphernalia that requires the combustion of marijuana to be properly utilized, including the following:

(A) Pipes;

(B) Water pipes;

(C) Bongs;

(D) Chillums;

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution,

Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-2204. Conduct of hearing by the director or hearing officer.**

In the conduct of any hearing held by the Director of the Alcoholic Beverage Control Division or the hearing officer designated as provided in this part, the director or such hearing officer shall be authorized:

- (1) To examine or cause to be examined under oath any person and to examine or cause to be examined books and records of any licensee or agent;
- (2) To hear testimony, to take proof material for his or her information and for the purposes of the hearing;
- (3) To administer or cause to be administered oaths; and
- (4)(A) For such purposes, to issue subpoenas to require the appearance of witnesses and the production of books and records, which subpoenas shall be effective in any part of this state.  
  
(B) Any circuit court may by order duly entered require the attendance of witnesses or the production of relevant books and records subpoenaed by the director, and the court may compel obedience to its orders by proceedings for contempt.  
  
(C) Any licensee or agent involved in a hearing before the director shall be entitled, on request, to a subpoena for the compulsory attendance of witnesses desired by him or her.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-2205. Order denying, suspending, revoking, or imposing a money fine against licensee or agent.**

(a) Whenever the Director of the Alcoholic Beverage Control Division shall deny, suspend, or revoke any license or application or impose a money fine against any

licensee or agent, he or she shall prepare an order so providing, which shall be signed by the director or some person designated by him or her.

(b) Said order shall:

(1)(A) Include findings of fact and conclusions of law, separately stated.

(B) Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings;

(2) Be mailed by certified mail by the director to the licensee or agent to the address provided by the licensee or the agent; and

(3) Be final and binding on all parties until such order has been appealed as provided in this part and a decision rendered by the Alcoholic Beverage Control Board.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-2206. Appeal by person aggrieved by order of the director.**

(a)(1) Any licensee or agent aggrieved by an order of denial, suspension, revocation, or the imposition of a money fine by the Director of the Alcoholic Beverage Control Division may appeal from such order to the Alcoholic Beverage Control Board by filing a notice of appeal with the board.

(2) The notice of appeal must be mailed or delivered to the offices of the division within fifteen (15) days after the order to be appealed from was received by the recipient, as shown by the certified mail return receipt card returned to the division.

(3) The notice of appeal shall designate the name of the licensee or agent.

(b)(1) At least ten (10) days before the time set for the hearing, the division shall notify the licensee or agent of the time and place where said appeal shall be heard by the board or by a hearing officer designated as provided in this part.

(2) Such notice to the licensee or agent shall be mailed by regular first-class mail.

(c) Said hearing shall be held within at least sixty (60) days after the date of the filing of the notice of appeal unless the person appealing shall consent to a later hearing.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-2207. Conduct of hearing by the Alcoholic Beverage Control Board.**

For the purpose of hearing or conducting any appeal authorized to be heard by it, the Alcoholic Beverage Control Board or any hearing officer designated as provided in this part shall have the power:

- (1) To examine or cause to be examined:
  - (A) Under oath any licensee or agent or any other person; and
  - (B) The books and records of any such licensee or agent;
- (2) To hear testimony and to take proof, presented by the Alcoholic Beverage Control Division, Alcoholic Beverage Control Enforcement Division, or such licensee or agent material for its information or the information of such hearing officer in hearing such appeal;
- (3) To administer or cause to be administered oaths; and
- (4)(A) For such purposes, to issue subpoenas requiring the attendance of witnesses and the production of books and records, such subpoenas to be effective in any part of this state.
  - (B) Any circuit court may by order duly entered require the attendance of witnesses and the production of relevant books and records subpoenaed by the board, and the court may compel obedience to its orders by proceedings for contempt.
  - (C) A licensee or agent involved in a hearing before the board shall be entitled, on request, to a subpoena for the compulsory attendance of witnesses desired by him or her.

**20 CAR § 810-2208. Order by the board.**

(a) Within five (5) days after a hearing is concluded by the Alcoholic Beverage Control Board, the board shall render its written decision or order.

(b)(1) Such written order shall include findings of facts and conclusions of law, separately stated.

(2) Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings.

(c) A copy of such order shall be mailed by the board by certified mail to the licensee or agent.

(d)(1) Said order shall be final and binding on the licensee or agent.

(2) Provided, however, that an appeal may be taken from any order against a licensee or agent as provided for in this part.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-2209. Appeal from board to courts.**

(a) Any licensee or agent aggrieved by an order of the Alcoholic Beverage Control Board may appeal to the circuit court system in accordance with the Arkansas Administrative Procedure Act, Arkansas Code § 25-15-201 et seq.

(b) An appeal from the judgment of the circuit court may be taken to the Court of Appeals or the Supreme Court in the manner provided for the appeal of civil matters from the circuit court.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-2210. Appellant to pay costs of preparing transcript of board hearings.**

(a)(1) Pursuant to the provisions of the Arkansas Administrative Procedure Act, Arkansas Code § 25-15-201 et seq., the Alcoholic Beverage Control Division shall prepare the certified copy of the agency record for filing in any appeal filed under the Arkansas Administrative Procedure Act.

(2) However, the division will recover one dollar and fifty cents (\$1.50) per page for each page of the transcript of the division proceedings filed with the circuit court if the division is determined to be the prevailing party in the Arkansas Administrative Procedure Act review.

(b)(1) In the event any parties request that the division provide a copy of the agency record, the division shall be entitled to recover forty cents (40¢) per page for each copy of the transcript.

(2) Any copies of division files, records, or transcripts shall be paid for at the rates noted above.

(3) All monies received by the division pursuant to the above provisions shall be deposited to the general revenues of the State of Arkansas.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-2211. Admissibility of evidence of hearings.**

In any hearing provided for by this part or by any law of the State of Arkansas, the Director of the Alcoholic Beverage Control Division, the Alcoholic Beverage Control Board, and any hearing officer designated pursuant to this part to conduct such

hearing, shall not be bound by the legal rules of evidence in conducting any hearing and in making any decision, and may take into consideration any testimony, papers, or documents which may be deemed relevant to the issues involved.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-2212. Designation of hearing officer.**

Pursuant to the power granted to the Alcoholic Beverage Control Division, in part by Arkansas Code § 25-15-213, and pursuant to other powers granted to the Director of the Alcoholic Beverage Control Division and the Alcoholic Beverage Control Board, the director or the board may designate any member of the division to conduct any hearing authorized by this part or by any medical marijuana law of the State of Arkansas.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-2213. Right to counsel and to cross-examine witnesses for any person compelled to appear at hearing.**

Any person compelled to appear at any hearing provided by this part or by any Arkansas medical marijuana law of the State of Arkansas, including but not limited to the violation recipient, shall have the right to be accompanied and advised by counsel and to cross-examine witnesses.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**20 CAR § 810-2214. Suspended or revoked license or registry identification card to be surrendered.**

After a license or registry identification card has been suspended or revoked by order of the Director of the Alcoholic Beverage Control Division, the Alcoholic Beverage Control Board, or any court order which has become final, notice thereof shall be given by the director to any authorized agent of the Alcoholic Beverage Control Enforcement Division and said agent shall immediately take possession of the license or registry identification card and return it to the director.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 25; Arkansas Constitution, Amendment 98, sec. 8; Arkansas Constitution, Amendment 98, sec. 9.

**Subpart 23. Abandonment of License**

**20 CAR § 810-2301. Notice of intent to commence operations.**

(a) If a licensed cultivator, licensed processor, licensed dispensary, or licensed transporter within three hundred sixty-five (365) days of its initial license being issued or within three hundred sixty-five (365) days of its renewal, if the initial license was issued prior to January 1, 2020, fails to notify the Alcoholic Beverage Control Division of its intent to commence operations pursuant to 20 CAR § 810-202, the license shall be considered abandoned and shall be immediately surrendered to the Director of the Alcoholic Beverage Control Division.

(b) A licensed cultivator, licensed processor, licensed dispensary, or licensed transporter, prior to the abandonment of the license, may submit a written petition to director for a one-time sixty-day extension, which will be granted upon a finding that:

- (1) The delay was not due to inattention on the part of the licensee; and
- (2) There is a good faith basis to grant the extension.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution,

Amendment 98, sec. 8.

**20 CAR § 810-2302. Petition for return.**

Within thirty (30) days of the date the license is abandoned, the licensee may petition the Alcoholic Beverage Control Board to have the license returned by submitting evidence of the following information:

- (1) That all taxes and fees owed to the state have been paid;
- (2) The reason for the delay; and
- (3) The date the licensee intends to commence operations.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.

**20 CAR § 810-2303. License revocation.**

If the licensee does not petition for the return of the license, or if the Alcoholic Beverage Control Board rejects the petition, the license shall be considered revoked.

**Authority.** Arkansas Constitution, Amendment 98, sec. 24; Arkansas Constitution, Amendment 98, sec. 8.
