(3) However, insurers having a combined total of direct and assumed premiums pursuant to contracts and/or treaties of reinsurance of one million dollars (\$1,000,000) or more will not be so exempt.

(c) Foreign or alien insurers filing the audited financial report in another state, pursuant to that state's requirement for filing of audited financial reports, which has been found by the Insurance Commissioner to be substantially similar to the requirements herein, are exempt from 23 CAR §§ 12-103 – 12-112 if:

(1)(A) A copy of the audited financial report, communication of internal control related matters noted in an audit, and the accountant's letter of qualifications that are filed with another state are filed with the Insurance Commissioner in accordance with the filing dates specified in 23 CAR §§ 12-103, 12-110, and 12-111, respectively.

(B) Canadian insurers may submit accountants' reports as filed with the Office of the Superintendent of Financial Institutions, Canada; and

(2) When applicable, a copy of any notification of adverse financial condition report filed with another state is filed with the Insurance Commissioner within the time specified in 23 CAR § 12-109.

(d) Foreign or alien insurers required to file management's report of internal control over financial reporting in another state are exempt from filing the report in this state provided the other state has substantially similar reporting requirements and the report is filed with the commissioner of the other state within the time specified.

(e) This rule shall not prohibit, preclude, or in any way limit the Insurance Commissioner from ordering, conducting, or performing examinations of insurers under the:

- (1) Rules of the department;
- (2) Provisions of the Arkansas Insurance Code; and
- (3) Practices and procedures of the department.

certified public accountant or accounting firm retained to conduct the annual audit set forth in this rule.

(2) Insurers not retaining an independent certified public accountant on the effective date of this rule shall register the name and address of their retained independent certified public accountant not less than six (6) months before the date when the first audited financial report is to be filed.

(b) The insurer shall obtain a letter from the accountant, and file a copy with the commissioner, simultaneously with the registration required in subsection (a) of this section, stating that the accountant is aware of the provisions of the insurance laws and rules of the insurance department of the state of domicile that relate to accounting and financial matters and affirming that the accountant will express his or her opinion on the financial statements in terms that conform to the statutory accounting practices prescribed or otherwise permitted by that insurance department, specifying such exceptions as he or she may believe are appropriate.

(c) If an accountant who was the accountant for the immediately preceding filed audited financial report is dismissed or resigns, the insurer shall:

(1) Notify the commissioner of this event within five (5) business days;

(2)(A) Furnish the commissioner with a separate letter within ten (10) business days of the above notification stating whether in the twenty-four (24) months preceding such event there were any disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure and which disagreements, if not resolved to the satisfaction of the former accountant, would have caused him or her to make reference to the subject matter of the disagreement in connection with his or her opinion.

(C) Disagreements contemplated by this section are those that occur at the decision-making level, i.e., between personnel of the insurer responsible for

presentation of its financial statements and personnel of the accounting firm responsible for rendering its report;

23 CAR § 12-106. Qualifications of independent certified public accountant.

(a) The Insurance Commissioner shall not recognize a person or firm as a qualified independent certified public accountant if the person or firm:

(1) Is not in good standing with the AICPA and in all states in which the accountant is licensed to practice, or, for a Canadian or British company, that is not a chartered accountant; or

(2) Has either directly or indirectly entered into an agreement of indemnity or release from liability, collectively referred to as "indemnification", with respect to the audit of the insurer.

(b) Except as otherwise provided in this rule, the commissioner shall recognize an independent certified public accountant as qualified as long as he or she conforms to the:

(1) Standards of his or her profession, as contained in the Code of Professional Conduct of the AICPA; and

(2) Rules, code of ethics, and rules of professional conduct of the Arkansas State Board of Public Accountancy or similar code.

(c)(1) A qualified independent certified public accountant may enter into an agreement with an insurer to have disputes relating to an audit resolved by mediation or arbitration.

(2) However, in the event of a delinquency proceeding commenced against the insurer under Arkansas Code § 23-68-101 et seq., the mediation or arbitration provisions shall operate at the option of the statutory successor.

(d)(1)(A) The lead or coordinating audit partner having primary responsibility for the audit may not act in that capacity for more than five (5) consecutive years.

(B) The person shall be disqualified from acting in that or a similar capacity for the same company or its insurance subsidiaries or affiliates for a period of five (5) consecutive years.

(C)(i) An insurer may make application to the commissioner for relief from the above rotation requirement based on unusual circumstances.

(ii) This application should be made at least thirty (30) days before the end of the calendar year.

(D) The commissioner may consider all relevant factors, including the following, in determining whether the relief should be granted:

(i) Number of partners, expertise of the partners, or the number of insurance clients in the currently registered firm;

(ii) Premium volume of the insurer; or

(iii) Number of jurisdictions in which the insurer transacts business.

(2)(A) If the commissioner grants relief under subdivision (d)(1) of this section, the insurer shall file the approval for relief with the states in which it is licensed or doing business and with the NAIC with its annual statement filing.

(B) If the nondomestic states accept electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

(e) The commissioner shall neither recognize as a qualified independent certified public accountant, nor accept an annual audited financial report prepared in whole or in part by, a natural person who has:

(1) Been convicted of fraud, bribery, a violation of the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. §§ 1961 – 1968, or any dishonest conduct or practices under federal or state law;

(2) Been found to have violated the insurance laws of this state with respect to any previous reports submitted under this rule; or

(3) Demonstrated a pattern or practice of failing to detect or disclose material information in previous reports filed under the provisions of this rule.

(f)(1) The commissioner may, as provided in Arkansas Code §§ 23-61-303 – 23-61-305, hold a hearing to determine whether an independent certified public accountant is qualified based on the evidence presented.

(2) Following the hearing, the commissioner may:

(A) Rule that the accountant is not qualified for purposes of expressing his or her opinion on the financial statements in the annual audited financial report made pursuant to this rule; and

(B) Require the insurer to replace the accountant with another who is qualified within the meaning of this rule.

(g)(1) The commissioner shall not recognize as a qualified independent certified public accountant, nor accept an annual audited financial report prepared in whole or in part by an accountant who provides to an insurer, contemporaneously with the audit, the following nonaudit services:

(A) Bookkeeping or other services related to the accounting records or financial statements of the insurer;

(B) Financial information systems design and implementation;

(C) Appraisal or valuation services, fairness opinions, or contribution-in-kind reports;

(D)(i) Actuarially-oriented advisory services involving the determination of amounts recorded in the financial statements.

(ii) The accountant may assist an insurer in understanding the methods, assumptions, and inputs used in the determination of amounts recorded in the financial statement only if it is reasonable to conclude that the services provided will not be subject to audit procedures during an audit of the insurer's financial statements.

(iii) An accountant's actuary may also issue an actuarial opinion or certification ("opinion") on an insurer's reserves if the following conditions have been met:

(a) Neither the accountant nor the accountant's actuary has performed any management functions or made any management decisions;

(b) The insurer has competent personnel, or engages a third party actuary, to estimate the reserves for which management takes responsibility; and

(c) The accountant's actuary tests the reasonableness of the reserves after the insurer's management has determined the amount of the reserves;

(E) Internal audit outsourcing services;

(F) Management functions or human resources;

(G) Broker or dealer, investment adviser, or investment banking services;

(H) Legal services or expert services unrelated to the audit; or

(I) Any other services that the commissioner determines, by rule or otherwise, are impermissible.

(2)(A) In general, the principles of independence with respect to services provided by the qualified independent certified public accountant are largely predicated on three (3) basic principles, violations of which would impair the accountant's independence.

(B) The principles are that the accountant cannot:

(i) Function in the role of management;

(ii) Audit his or her own work; and

(iii) Serve in an advocacy role for the insurer.

(h)(1) Insurers having direct written and assumed premiums of less than one hundred million dollars (\$100,000,000) in any calendar year may request an exemption from the provisions of subdivision (g)(1) of this section.

(2) The insurer shall file with the commissioner a written statement discussing the reasons why the insurer should be exempt from these provisions.

(3) If the commissioner finds, upon review of this statement, that compliance with those provisions would constitute a financial or organizational hardship upon the insurer, an exemption may be granted.

(i) A qualified independent certified public accountant who performs the audit may engage in other nonaudit services, including tax services, that are not described in subdivision (g)(1) of this section or that do not conflict with subdivision (g)(2) of this section, only if the activity is approved in advance by the audit committee in accordance with subsection (j) of this section.

(j)(1) All auditing services and nonaudit services provided to an insurer by the qualified independent certified public accountant of the insurer shall be preapproved by the audit committee.

(2) The preapproval requirement is waived with respect to nonaudit services if the insurer is a SOX compliant entity or a direct or indirect wholly-owned subsidiary of a SOX compliant entity or the:

(A) Aggregate amount of all such nonaudit services provided to the insurer constitutes not more than five percent (5%) of the total amount of fees paid by the insurer to its qualified independent certified public accountant during the fiscal year in which the nonaudit services are provided;

(B) Services were not recognized by the insurer at the time of the engagement to be nonaudit services; and

(C) Services are promptly brought to the attention of the audit committee and approved prior to the completion of the audit by the audit committee or by one (1) or more members of the audit committee who are the members of the board of directors to whom authority to grant such approvals has been delegated by the audit committee.

(k)(1) The audit committee may delegate to one (1) or more designated members of the audit committee the authority to grant the preapprovals required by subsection (j) of this section.

(2) The decisions of any member to whom this authority is delegated shall be presented to the full audit committee at each of its scheduled meetings.

(l)(1)(A) The commissioner shall not recognize an independent certified public accountant as qualified for a particular insurer if a member of the board, president, chief executive officer, controller, chief financial officer, chief accounting officer, or any person serving in an equivalent position for that insurer, was employed by the independent certified public accountant and participated in the audit of that insurer during the one-year period preceding the date that the most current statutory opinion is due.

(B) This subsection shall only apply to partners and senior managers involved in the audit.

(C) An insurer may make application to the commissioner for relief from the above requirement based on unusual circumstances.

(2)(A) The insurer shall file, with its annual statement filing, the approval for relief from subdivision (l)(1) of this section with the states in which it is licensed or doing business and the NAIC.

insurance companies that utilizes a pooling or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer cedes all of its direct and assumed business to the pool.

(b) In such cases, a columnar consolidating or combining worksheet shall be filed with the report as follows:

(1) Amounts shown on the consolidated or combined audited financial report shall be shown on the worksheet;

(2) Amounts for each insurer subject to this section shall be stated separately;

(3) Noninsurance operations may be shown on the worksheet on a combined or individual basis;

(4) Explanations of consolidating and eliminating entries shall be included; and

(5) A reconciliation shall be included of any differences between the amounts shown in the individual insurer columns of the worksheet and comparable amounts shown on the annual statements of the insurers.

(a) This section shall not apply to:

- (1) Foreign or alien insurers licensed in this state; or
- (2) An insurer that is a SOX compliant entity or a direct or indirect wholly-owned subsidiary of a SOX compliant entity.

(b)(1) The audit committee shall be directly responsible for the appointment, compensation, and oversight of the work of any accountant, including resolution of disagreements between management and the accountant regarding financial reporting, for the purpose of preparing or issuing the audited financial report or related work pursuant to this rule.

(2) Each accountant shall report directly to the audit committee.

(c) The audit committee of an insurer or group of insurers shall be responsible for overseeing the insurer's internal audit function and granting the person or persons performing the function suitable authority and resources to fulfill their responsibilities if required by 23 CAR § 12-114.

(d) Each member of the audit committee shall be a member of the board of directors of the insurer or a member of the board of directors of an entity elected pursuant to 23 CAR § 12-113(g) and § 12-102(3).

(e)(1) In order to be considered independent for purposes of this section, a member of the audit committee may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept any consulting, advisory, or other compensatory fee from the entity or be an affiliated person of the entity or any subsidiary thereof.

(2) However, if the law requires board participation by otherwise nonindependent members, that law shall prevail and such members may participate in

the audit committee and be designated as independent for audit committee purposes, unless they are an officer or employee of the insurer or one (1) of its affiliates.

(f)(1) If a member of the audit committee ceases to be independent for reasons outside the member's reasonable control, that person, with notice by the responsible entity to the Insurance Commissioner, may remain an audit committee member of the responsible entity until the earlier of:

(A) The next annual meeting of the responsible entity; or

(B) One (1) year from the occurrence of the event that caused the member to no longer be independent.

(2) The responsible entity is the entity whose board of directors established the audit committee.

(g)(1) To exercise the election of the controlling person to designate the audit committee for purposes of this rule, the ultimate controlling person shall provide written notice to the commissioners of the domiciliary states of the affected insurers.

(2) Notification shall be timely made prior to the issuance of the statutory audit report and include a description of the basis for the election.

(3)(A) The election can be changed through notice to the Insurance Commissioner by the insurer, which shall include a description of the basis for the change.

(B) The election shall remain in effect until rescinded.

(h)(1) The audit committee shall require the accountant that performs an audit required by this rule to timely report to the audit committee in accordance with the requirements of SAS 61, Communication with Audit Committees, or its replacement, including:

(A) All significant accounting policies and material permitted practices;

(B) All material alternative treatments of financial information within statutory accounting principles that have been discussed with management officials of the insurer, ramifications of the use of the alternative disclosures and treatments, and the treatment preferred by the accountant; and

(C) Other material written communications between the accountant and the management of the insurer, such as any management letter or schedule of unadjusted differences.

(2) If an insurer is a member of an insurance holding company system, the reports required by 23 CAR § 12-106(g)(1) may be provided to the audit committee on an aggregate basis for insurers in the holding company system, provided that any substantial differences among insurers in the system are identified to the audit committee.

(i) The proportion of independent audit committee members shall meet or exceed the following criteria based on prior calendar year direct written and assumed premiums, which shall be the combined total of direct premiums and assumed premiums from nonaffiliates for the reporting entities:

(1) An insurer with prior calendar year direct written and assumed premiums of up to three hundred million dollars (\$300,000,000) is not subject to minimum requirements;

(2) A majority, fifty percent (50%) or more, of the members shall be independent with regard to an insurer with prior calendar year direct written and assumed premiums of between three hundred million dollars (\$300,000,000) and five hundred million dollars (\$500,000,000);

(3) All insurers with less than five hundred million dollars (\$500,000,000) in prior year direct written and assumed premiums are encouraged to structure their audit committees with at least a supermajority, seventy-five percent (75%) or more, of independent audit committee members; and

(4) A supermajority of the members, seventy-five percent (75%) or more, shall be independent with regard to an insurer with prior calendar year direct written and assumed premiums in excess of five hundred million dollars (\$500,000,000).

(j) The commissioner has authority afforded by state law to require the entity's board to enact improvements to the independence of the audit committee membership if the insurer:

(1) Is in a RBC action level event;

(2) Meets one (1) or more of the standards of an insurer deemed to be in hazardous financial condition; or

(3) Otherwise exhibits qualities of a troubled insurer.

(k)(1) Excluding premiums reinsured with the Federal Crop Insurance Corporation and the National Flood Insurance Program, an insurer with direct written and assumed premium of less than five hundred million dollars (\$500,000,000) may make application to the commissioner for a waiver from the requirements of this section based upon hardship.

(2) If the waiver is approved, the insurer shall file, with its annual statement filing, the approval for relief from this section with the states in which it is licensed or doing business and the NAIC.

(3) If the nondomestic states accept electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

Authority. Arkansas Code § 23-61-108.

Codification Notes. "RBC" means risk-based capital.

23 CAR § 12-114. Internal audit function requirements.

(a) **Exemption.** An insurer is exempt from the requirements of this section if:

(2) If the insurer is a member of a group of insurers, the group has annual direct written and unaffiliated assumed premium including international direct and assumed premium, but excluding premiums reinsured with the Federal Crop Insurance

Corporation and the National Flood Insurance Program, less than one billion dollars (\$1,000,000,000).

(b) **Function.**

(1) The insurer or group of insurers shall establish an internal audit function providing independent, objective, and reasonable assurance to the audit committee and insurer management regarding the insurer's:

(B) Employing other techniques deemed necessary to:

- (i) Protect assets;
- (ii) Evaluate control effectiveness and efficiency; and
- (iii) Evaluate compliance with policies and regulations.

(c) **Independence.**

(1) In order to ensure that internal auditors remain objective, the internal audit function must be organizationally independent.

(2) Specifically, the internal audit function will not defer ultimate judgment on audit matters to others, and shall appoint an individual to head the internal audit function who will have direct and unrestricted access to the board of directors.

(3) Organizational independence does not preclude dual-reporting relationships.

(d) **Reporting.** The head of the internal audit function shall report to the audit committee regularly, but no less than annually, on:

- (1) The periodic audit plan;

- (2) Factors that may adversely impact the internal audit function's independence or effectiveness;

(b) No officer or director of an insurer, or any other person acting under the direction thereof, shall directly or indirectly take any action to coerce, manipulate, mislead, or fraudulently influence any accountant engaged in the performance of an audit pursuant to this rule if that person knew or should have known that the action, if successful, could result in rendering the insurer's financial statements materially misleading.

(c) For purposes of subsection (b) of this section, actions that “if successful, could result in rendering the insurer’s financial statements materially misleading” include, but are not limited to, actions taken at any time with respect to the professional engagement period to coerce, manipulate, mislead or fraudulently influence an accountant:

(B) The SOX Section 404 report and a report required under this section for those internal controls that have a material impact on the preparation of the

insurer's or group of insurers' audited statutory financial statements not covered by the SOX Section 404 report.

(1) A statement that management is responsible for establishing and maintaining adequate internal control over financial reporting;
