(c) For an insurance holding company system that has previously met an exemption with respect to the group capital calculation pursuant to subsections (a) or (b) of this section, the lead state commissioner may require at any time the ultimate controlling person to file an annual group capital calculation, completed in accordance with the National Association of Insurance Commissioners (NAIC) Group Capital Calculation Instructions, if any of the following criteria are met:

(1) Any insurer within the insurance holding company system is in a risk-based capital action level event as set forth in the Risk-Based Capital Act, Arkansas Code § 23-63-1301 et seq., or similar standard for a non-United States insurer;

- (A) The type and volume of business written;
- (B) Ownership and organizational structure;
- (C) Federal agency requests; and
- (D) International supervisor requests.

(d) A non-United States jurisdiction is considered to "recognize and accept" the group capital calculation if it satisfies the following criteria:

(1) With respect to the calculation required by Arkansas Code § 23-63-514(n)(3)(A)(iv):

(A) The non-United States jurisdiction recognizes the United States state regulatory approach to group supervision and group capital, by providing confirmation by a competent regulatory authority in such jurisdiction, that insurers and insurance groups whose lead state is accredited by the NAIC under the NAIC Accreditation Program shall be subject only to worldwide prudential insurance group supervision, including worldwide group governance, solvency and capital, and reporting, as applicable, by the lead state and will not be subject to group supervision, including worldwide group governance, solvency and capital, and reporting, at the level of the worldwide parent undertaking of the insurance or reinsurance group by the non-United States jurisdiction; or

(B)(i) Where no United States insurance groups operate in the non-United States jurisdiction, that non-United States jurisdiction indicates formally in writing to the

lead state with a copy to the International Association of Insurance Supervisors that the group capital calculation is an acceptable international capital standard.

(ii) This will serve as the documentation otherwise required in subdivision (d)(1)(A) of this section; and

(2)(A) The non-United States jurisdiction provides confirmation by a competent regulatory authority in such jurisdiction that information regarding insurers and their parent, subsidiary, or affiliated entities, if applicable, shall be provided to the lead state commissioner in accordance with a memorandum of understanding or similar document between the commissioner and such jurisdiction including but not limited to the International Association of Insurance Supervisors Multilateral Memorandum of Understanding or other multilateral memoranda of understanding coordinated by the NAIC.

(B) The Insurance Commissioner shall determine, in consultation with the NAIC Committee Process, if the requirements of the information sharing agreement are in force.

(e) A list of non-United States jurisdictions that "recognize and accept" the group capital calculation will be published through the NAIC Committee Process:

(1)(A) A list of jurisdictions that "recognize and accept" the group capital calculation pursuant to Arkansas Code § 23-63-514(n)(3)(A)(iv), is published through the NAIC Committee Process to assist the lead state commissioner in determining which insurers shall file an annual group capital calculation.

(B) The list will clarify those situations in which a jurisdiction is exempted from filing under Arkansas Code § 23-63-514(n)(3)(A)(iv).

(C) To assist with a determination under Arkansas Code § 23-63-514(n)(3)(B), the list will also identify whether a jurisdiction that is exempted under either Arkansas Code § 23-63-514(n)(3)(A)(iii) or (iv) requires a group capital filing for any United States insurance group's operations in that non-United States jurisdiction;

(2) For a non-United States jurisdiction where no United States insurance groups operate, the confirmation provided to meet the requirement of subdivision (d)(1)(B) of this section will serve as support for recommendation to be published as a

jurisdiction that “recognizes and accepts” the group capital calculation through the NAIC Committee Process;

(3) If the lead state commissioner makes a determination pursuant to Arkansas Code § 23-63-514(n)(3)(A)(iv) that differs from the NAIC list, the lead state commissioner shall provide thoroughly documented justification to the NAIC and other states;

(4) Upon determination by the lead state commissioner that a non-United States jurisdiction no longer meets one (1) or more of the requirements to “recognize and accept” the group capital calculation, the lead state commissioner may provide a recommendation to the NAIC that the non-United States jurisdiction be removed from the list of jurisdictions that “recognize and accept” the group capital calculation.
