(2) Validated by one (1) of the board investigators as being submitted by an identifiable person; and

(3) Determined by the ethics subcommittee as credible and, if true, would constitute a violation by an Arkansas educator of the Code of Ethics as set forth in this part.

(6)(A) If in the course of an authorized investigation the board investigative staff discovers credible information that the named educator has committed additional violations of the Code of Ethics, the board staff may request additional authority to investigate from the ethics subcommittee.

(iv) If a request for a transcript will cause the resolution of the case to exceed the statutory timeline, the board may:

(a) Decline the transcript request; or

(b) Request that the educator agree to extend the timeline until the educator receives and submits payment for the transcript;

(C) Written notice that the ethics subcommittee will consider taking action against the named educator; and
