

**SPECIAL REPORT TO THE  
JOINT ADEQUACY EVALUATION OVERSIGHT SUBCOMMITTEE  
February 2, 2010**

**ACADEMIC FACILITIES DISTRESS PROGRAM**

**INTRODUCTION:**

- ❖ Designed to provide intensive state oversight and assistance to those school districts that fail to properly maintain their academic facilities in accordance with the academic facility laws and the related rules.
- ❖ The school district can be required to cease immediately all expenditures that do not relate to providing an adequate education. Those funds would then be placed in an escrow account to be released only by the approval of the Division for local academic facilities projects.
- ❖ The Division may recommend and the Commission can exercise an option to take over the operation of the school district in order to secure, for the students of the district, the opportunity for an adequate education.

**PROGRAM INTENT:**

- ❖ The execution of the program, while appearing to be punitive in nature, is not used that way. The Division exercises this program as another tool to both monitor and insure the advancement of school districts facilities towards being suitable and adequate while maintaining the states posture as general overseer of the state facility program. While significant authorities have been given the Commission and the Division under this law, the enforcement to date has allowed a reasonable approach, well documented instances and procedures and reasonable decisions.

**AUTHORITY:**

- ❖ The program is governed by AR. Code Ann. § 6-21-811.

**DIVISION RESPONSIBILITIES:**

- ❖ The Division shall conduct random unannounced on-site inspections of all academic facilities that have been funded wholly or in part by moneys from the state to ensure compliance with the school district's facilities master plan.

**MATERIAL FACILITY DISTRESS INDICATORS:**

- ❖ The Commission shall identify a public school or school district as being in academic facilities distress if the Division recommends and the Commission concurs that the public school or school district has engaged in actions or inactions that result in:

- Material failure to properly maintain academic facilities in accordance with state law and Rules adopted by the Commission;
- Material violation of local, state, or federal fire, health, or safety code provisions or laws;
- Material violation of applicable building code provisions or laws;
- Material failure to provide timely and accurate facilities master plans to the Division;
- Material failure to comply with state law governing purchasing , bid requirements or school construction related laws and rules in relation to academic facilities projects;
- Material default on any school district debt obligation;
- Material failure to plan and progress satisfactorily toward accomplishing the priorities established by the Division and the approved school district master plan;
- Any other condition of an academic facility or facilities in a public school or school district that is determined by the Division to have a detrimental impact on educational services provided by that public school or school district.

#### **PROGRAM ENFORCEMENT:**

- ❖ The Division shall require a school district to submit an Improvement Plan by providing written notice, to the president of the school board and the superintendent of the public school or school district identified if one or more of the following occur:
  - Failed to apply for state funding under the Academic Facilities Partnership Program for necessary facilities to meet adequacy requirements, and was notified by the Division of any deficiencies;
  - Having been identified as being in facility distress;
  - During its biennial review of school district's master plans, beginning February 1, 2009, the Division determines whether the progress of each school district complies with the district's facilities master plan and notifies the district of any noncompliance.
  
- ❖ When a school district is identified by the Commission to be in facilities distress, the Division may with the approval of the Commission:
  - Provide on-site technical evaluation and assistance;
  - Require the superintendent to relinquish all administrative authority with respect to the school district;
  - Appoint an individual in place of the superintendent to administratively operate the school district under the supervision and approval of the Commissioner of Education, or his designee;
  - Direct the school district to compensate from school district funds the individual appointed to operate the school district;
  - Suspend or remove all of the current board of directors and call for the election of a new school board for the school district, in which case the school district shall

reimburse the county board of election commissioners for election costs as otherwise required by law;

- Require the school district to operate without a local school board under the supervision of the local superintendent;
- Require the school district to operate without a local school board under the supervision of an individual or panel appointed by the Commissioner;
- Return the administration of the school district to the former board or place the administration of the school district in a newly elected school board;
- Require school district staff and employees to attend training in areas of concern for the public school or school district;
- Require a school district to cease all expenditures related to activities not described as part of an adequate education in Ark. Code Ann. § 6-20-2302 and place money that would have been spent on the activities into an academic facilities escrow account to be released only upon approval by the Division for use in conjunction with a local academic facilities project. School districts shall include a clause addressing this contingency in all contracts with personnel who are involved with activities not described as part of an adequate education;
- Notify the public school or school district in writing that the deficiencies regarding academic facilities shall be corrected within a time period designated by the Division;
- Correct the failure of the school district to complete its agreed plan or to pass the millage in the special election as described in Section 6.02 of these Rules by contracting for and completing the necessary improvements under the agreed plan;
- Take any other action allowed by law that is deemed necessary to assist a public school or school district in removing criteria of facilities distress.

❖ If a school district is identified as being in facilities distress and has immediate repairs, growth or suitability improvement issues, the Division, in addition to any other remedy under these Rules and Ark. Code Ann. § 6-21-811 and 6-21-812, may provide a loan to the school district to be repaid from any funds available that are not required to provide an adequate education.

- Fund balances and any cash on hand that are not part of foundation funding or categorical funding required to provide an adequate education for students in the public school district;
- Revenues that are not obligated on bonds;
- Funds remaining after the annual payment on a bond obligation are included in funds that are not required to provide an adequate education.

#### **FAILED MILLAGE ELECTIONS:**

- ❖ A public school district whose millage election, necessary to fulfill its obligations under its master plan, fails to pass will meet for a conference with the Division to determine whether as a result of the failed millage there are facilities issues relating to:
- Immediate repairs under Ark. Code Ann. § 6-20-2504(b)(4);

- Presence and number of suitability needs of public school academic facilities and;
  - Immediate needs for facilities to meet student growth.
- ❖ At the conference the sanctions and requirements that are available to the Commission if the school district is identified as being in facilities distress will be thoroughly discussed and explained.
- If it determines that there are existing immediate repairs, growth or suitability issues, the Commission may direct the school district to conduct a special election to vote on a millage increase.
  - A public school district able to finance the immediate repairs, growth and suitability improvements determined to exist by the Commission without the necessity of a special election on increasing its millage may enter into an agreement with the Division, to fund its improvements separately;

**SCHOOL CHOICE AND ACADEMIC FACILITIES DISTRESS;**

- ❖ Any student attending a public school district classified as being in facilities distress shall automatically be eligible and entitled under the Arkansas Public School Choice Act of 1989, Ark. Code Ann. § 6-18-206, to transfer to another geographically contiguous school district not in facilities distress during the time period that a district is classified as being in facilities distress.

**STATE BOARD AUTHORITY:**

- ❖ The Division may, with the approval of the Commission, petition the State Board at any time for the consolidation, annexation, or reconstitution of a school district in facilities distress, or to take other appropriate action as allowed by law in order to secure and protect the best interest of the educational resources of the state or to provide for the best interests of students in the school district;

**NON MATERIAL FACILITY DISTRESS INDICATORS:**

- ❖ “Nonmaterial Failure” - an act such that the failure to immediately intervene and correct the act or remedy the cause of the act could develop into a “Material Failure”.
- ❖ By August 31 of each year, the division shall notify the superintendent of a school district if the division is aware the school district has experienced two (2) or more indicators of facilities distress in one (1) school year that the division deems to be nonmaterial, but that without intervention could place the district in facilities distress.
- ❖ The superintendent of a school district shall report to the division if the superintendent is aware the school district has experienced two (2) or more indicators of facilities distress in one (1) school year that the superintendent deems to be nonmaterial, but that without intervention could place the district in facilities distress.

**FACILITY DISTRESS IMPLEMENTATION RECORD:**

- ❖ 1 School district placed on Facility Distress for construction code violations and incorrect procurement procedures. On for 1 year then released by Commission.
- ❖ 1 School district monitored at this time for possible infractions.
- ❖ 22 Conferences held as a result of failed millage elections.
- ❖ 165 identifiers of Non Material indicators realized this year. All school districts notified.

**COMMISSION FOR ARKANSAS PUBLIC SCHOOL ACADEMIC  
FACILITIES AND TRANSPORTATION  
RULES GOVERNING THE ACADEMIC FACILITIES DISTRESS PROGRAM  
January 1, 2010**

1.00 AUTHORITY

- 1.01 The Commission for Public School Academic Facilities and Transportation's (Commission) authority for promulgating these Rules is pursuant to Ark. Code Ann. §§ 6-21-804, 6-21-811, 25-15-201 *et seq.*, and Acts 989 and 996 of 2007, and Acts 798 and 1473 of 2009.
- 1.02 These Rules shall be known as the Commission for Arkansas Public School Academic Facilities and Transportation Rules Governing the Academic Facilities Distress Program and will replace any former rules Governing the Academic Facilities Distress Program. previously adopted

2.00 PURPOSE

- 2.01 The purpose of these Rules is to establish how the Arkansas Division of Public School Academic Facilities and Transportation (Division) will evaluate, assess, identify and address those school districts in academic facilities distress.

3.00 DEFINITIONS - For the purposes of these Rules, the following terms mean:

- 3.01 "Academic Facilities Distress status" - a public school district determined by the Division as being identified in academic facilities distress pursuant to Ark. Code Ann. § 6-21-811.
- 3.02 "Commission" - the Commission for Arkansas Public School Academic Facilities and Transportation.
- 3.03 "Commissioner" – the Commissioner of Education.
- 3.04 "Division" - the Arkansas Division of Public School Academic Facilities and Transportation.
- 3.05 "Facilities Improvement Plan" (Plan) - an improvement plan developed by a school district for a public school or school district as a result of having been identified as being in academic facilities distress that supplements the school district's facilities master plan by:
  - a.) Identifying specific interventions and actions the public school or school district will undertake in order to correct deficient areas of practice with regard to custodial, maintenance, repair, and renovation activities in the school district; and
  - b.) Describing how the school district will remedy those areas in which the school district is experiencing facilities distress, including the designation of the time period by which the school district will correct all deficiencies that placed the school district in facilities distress status.
- 3.06 "Material Failure" – an act so significant as to jeopardize any academic facility used by a public school or school district or any other condition of an academic facility or facilities in a public school or school district that is determined by the Division to have a detrimental impact on educational services provided by that public school or school district.
- 3.07 "Nonmaterial Failure" - an act such that the failure to immediately intervene and correct the act or remedy the cause of the act could develop into a "Material Failure".

- 3.08 "School District" - a geographic area with an elected board of directors that qualifies as a taxing unit for purposes of ad valorem property taxes under Title 26 of the Arkansas Code and which board conducts the daily affairs of public schools under the supervisory authority vested in it by the General Assembly and Title 6 of the Arkansas Code.
- 3.09 "Reconstitution" - the reorganization of the administrative unit or the governing school board of a school district, including, but not limited to, the replacement or removal of a current superintendent or the removal or replacement of a current school board or both.
- 3.10 "State Board" - the Arkansas State Board of Education.
- 4.00 PROCESS AND PROCEDURE FOR THE IDENTIFICATION OF DISTRICTS IN ACADEMIC FACILITIES DISTRESS
- 4.01 The Commission shall identify a public school or school district as being in academic facilities distress if the Division recommends and the Commission concurs that the public school or school district has engaged in actions or inactions that result in:
- 4.01.1 Any act or violation determined by the Division to jeopardize any academic facility used by a public school or school district, including, but not limited to:
- a. Material failure to properly maintain academic facilities in accordance with state law and Rules adopted by the Commission;
  - b. Material violation of local, state, or federal fire, health, or safety code provisions or laws;
  - c. Material violation of applicable building code provisions or laws;
  - d. Material failure to provide timely and accurate facilities master plans to the Division;
  - e. Material failure to comply with state law governing purchasing or bid requirements or school construction related laws or rules in relation to academic facilities projects;
  - f. Material default on any school district debt obligation; or
  - g. Material failure to plan and progress satisfactorily toward accomplishing the priorities established by the Division and the approved school district master plan; and
- 4.01.2 Any other condition of an academic facility or facilities in a public school or school district that is determined by the Division to have a detrimental impact on educational services provided by that public school or school district.
- 4.02 The Division shall provide written notice, via certified mail, return receipt requested, to the president of the school board and the superintendent of the public school or school district identified as being in facilities distress.
- 5.00 SUBMISSION OF FACILITIES IMPROVEMENT PLAN AND DIVISION AUTHORITY
- 5.01 A public school district will be required to submit a facilities improvement plan within thirty (30) days after being notified by the Division to do so if the district: (a) effective February 1, 2008,

failed to apply for state funding under the Academic Facilities Partnership Program for necessary facilities to meet adequacy requirements, and was notified by the Division of any deficiencies; (b) having been identified as being in facilities distress; or (c) during its biennial review of school district's master plans, beginning February 1, 2009, the Division determines whether the progress of each school district complies with the district's facilities master plan and notifies the district of any noncompliance.

- 5.02 If the Division does not approve the facilities improvement plan submitted by the school district, it shall identify the school district as being in facilities distress.
- 5.03 A public school or school district identified as being in facilities distress shall develop a facilities improvement plan within thirty (30) days from the date of receipt of the notice and promptly submit the facilities improvement plan to the Division for review and approval.
- 5.04 A public school or school district shall review and revise its facilities improvement plan on a periodic basis as determined by the Division and submit the updated facilities improvement plan to the Division in order for the Division to determine whether the public school or school district is correcting its deficient areas of practice regarding academic facilities.
- 5.05 A school district shall use facilities improvement plans as necessary to supplement and update its facilities master plan.
- 5.06 A public school or school district in facilities distress may petition the Commission for removal from facilities distress status only after the Division has certified in writing that the public school or school district has corrected all criteria for being classified as in facilities distress and has complied with all Division recommendations and requirements for removal from facilities distress.
- 5.07 The Division shall submit a written evaluation on the status of each district in facilities distress to the Commission and the State Board at least once every six (6) months.
- 5.08 If a school district is identified as being in facilities distress and has immediate repairs, growth or suitability improvement issues, the Division, in addition to any other remedy under these Rules and Ark. Code Ann. § 6-21-811 and 6-21-812, may provide a loan to the school district to be repaid from any funds available that are not required to provide an adequate education.
- 5.08.1 Funds available that are not required to provide an adequate education include:
- 5.08.1.1 Fund balances and any cash on hand that are not part of foundation funding or categorical funding under Ark. Code Ann. § 6-20-2305 and are not otherwise required to provide an adequate education for students in the public school district;
- 5.08.1.2 Revenues that are not obligated on bonds; and
- 5.08.1.3 Funds remaining after the annual payment on a bond obligation are included in funds that are not required to provide an adequate education.
- 5.08.2 The public school district shall repay the loan on the schedule determined by the Division.

## 6.00 FAILED MILLAGES

- 6.01 A public school district whose millage election, necessary to fulfill its obligations under its master plan, fails to pass will be provided written notice by the Division, within ten (10) days from the date of the election, to meet for a conference with the Division to determine whether as a result of the failed millage there are facilities issues relating to:

- 6.01.1 Immediate repairs under Ark. Code Ann. § 6-20-2504(b)(4);
  - 6.01.2 Presence and number of suitability needs of public school academic facilities and;
  - 6.01.3 Immediate needs for facilities to meet student growth.
- 6.02 At the conference the sanctions and requirements that are available to the Commission if the school district is identified as being in facilities distress will be thoroughly discussed and explained.
- 6.03 The written notice required under Section 6.01 of these Rules shall be provided via certified mail to the president of the school board and the superintendent of the school district.
- 6.04 If it determines that there are existing immediate repairs, growth or suitability issues, the Commission may direct the school district to conduct a special election to vote on a millage increase.
- 6.04.1 The special election shall only include those issues that are mutually agreed upon between the Division and the school district.
  - 6.04.2 The special election date will be mutually agreed to by the Division and the school district and will not be later than seven (7) months after the date of the election at which the millage failed. (Unless an extension beyond seven (7) months is necessary because of restrictions on the number of elections that may be held within a calendar year.)
- 6.05 If within ninety (90) days from the notice provided to the district pursuant to Section 6.01 of these Rules, the school district has not set an election date, the Division shall identify the school district as being in facilities distress.
- 6.06 A public school district able to finance the immediate repairs, growth and suitability improvements determined to exist by the Commission without the necessity of a special election on increasing its millage may enter into an agreement with the Division, to fund its improvements separately; the agreement shall include timeframes for completion.
- 6.06.1 A public school district which fails to implement the agreement stated above, within the specified time frame, shall be identified by the Division as being in facilities distress.
- 7.00 PRIOR APPROVAL OF DEBT
- 7.01 No school district identified by the Division as being in facilities distress may incur any debt without the prior written approval of the Commission.
- 8.00 DIVISION AUTHORITY OVER PUBLIC SCHOOLS AND SCHOOL DISTRICTS IN ACADEMIC FACILITIES DISTRESS
- 8.01 When a school district is identified by the Commission to be in facilities distress, the Division may with the approval of the Commission:
- 8.01.1 Provide on-site technical evaluation and assistance and make recommendations to the district superintendent regarding the care and maintenance of any academic facility in the district. Any school district identified as being in facilities distress status shall accept on-site technical evaluation and assistance from the Division. The recommendations of the Division are binding on the district, the superintendent, and the school board.
  - 8.01.2 Require the superintendent to relinquish all administrative authority with respect to the school district;
  - 8.01.3 Appoint an individual in place of the superintendent to administratively

operate the school district under the supervision and approval of the Commissioner of Education, or his designee;

- 8.01.4 Direct the school district to compensate from school district funds the individual appointed to operate the school district;
  - 8.01.5 Suspend or remove all of the current board of directors and call for the election of a new school board for the school district, in which case the school district shall reimburse the county board of election commissioners for election costs as otherwise required by law;
  - 8.01.6 Require the school district to operate without a local school board under the supervision of the local superintendent;
  - 8.01.7 Require the school district to operate without a local school board under the supervision of an individual or panel appointed by the Commissioner;
  - 8.01.8 Return the administration of the school district to the former board or place the administration of the school district in a newly elected school board;
  - 8.01.9 Require school district staff and employees to attend training in areas of concern for the public school or school district;
  - 8.01.10 Require a school district to cease all expenditures related to activities not described as part of an adequate education in Ark. Code Ann. § 6-20-2302 and place money that would have been spent on the activities into an academic facilities escrow account to be released only upon approval by the Division for use in conjunction with a local academic facilities project. School districts shall include a clause addressing this contingency in all contracts with personnel who are involved with activities not described as part of an adequate education;
  - 8.01.11 Notify the public school or school district in writing that the deficiencies regarding academic facilities shall be corrected within a time period designated by the Division;
  - 8.01.12 Correct the failure of the school district to complete its agreed plan or to pass the millage in the special election as described in Section 6.02 of these Rules by contracting for and completing the necessary improvements under the agreed plan;
  - 8.01.13 Take any other action allowed by law that is deemed necessary to assist a public school or school district in removing criteria of facilities distress.
- ~~8.02 If a school district is identified as being in facilities distress and has immediate repairs, growth or suitability issues, the Division, in addition to any other remedy under these Rules and Ark. Code Ann. § 6-21-812, may provide a loan to the school district to be repaid from any funds available that are not required to provide an adequate education.~~

## 9.00 STATE BOARD AUTHORITY

- 9.01 The Division may, with the approval of the Commission, petition the State Board at any time for the consolidation, annexation, or reconstitution of a school district in facilities distress, or to take other appropriate action as allowed by law in order to secure and protect the best interest of the educational resources of the state or to provide for the best interests of students in the school district.
- 9.02 The State Board may approve the petition or take other appropriate action as allowed by law. The State Board may take any other action allowed by law that is deemed necessary to assist a public school or school district in removing criteria of facilities distress.

- 9.03 The State Board shall consolidate, annex, or reconstitute any school district that fails to remove itself from the classification of a school district in facilities distress within two (2) consecutive school years of receipt of notice of identification of facilities distress status by the Division.
- 9.04 If the Division recommends and the Commission concurs that the academic facilities in the public school district in facilities distress are inadequate to provide an adequate education, the State Board may dissolve the district and transfer students to public schools in other public school districts.
- 9.04.1 The State Board shall assign the public school district's territory, property and debt.

## 10.00 APPEAL PROCESS

- 10.01 A school district may appeal any determination of the Division to the Commission as follows by submitting that appeal commensurate with Commission Rules Governing Commission Appeals dated March 2008.
- (i) ~~A school district may request and the Division shall provide upon request a written determination of any appealable issue by the division.~~
  - (ii) ~~After receipt of a written determination from the Division, the school district shall file its written appeal within ten (10) calendar days via first class mail, return receipt requested, in the Office of the Director of the Division of Public School Academic Facilities and Transportation, 501 Woodlane St., Suite 600, Little Rock, Arkansas 72201, no later than 4:30 p.m. on the tenth calendar day from receipt of the Division's written determination. The Division shall within thirty (30) calendar days receipt of the appeal schedule the appeal for the Commission's consideration and determination.~~
  - (iii) ~~The school district shall provide in clear express terms a detailed explanation and evidence showing that the Division's decision was clearly erroneous or outside the legal authority vested in the division.~~
  - (iv) ~~The school district shall have the burden to establish a *prima facie* case, unless the Commission shall decide to hear the appeal *sua sponte*.~~
  - (v) ~~The school district shall not be entitled to a hearing before the Commission unless the Commission should indicate in writing that it desires to hear the appeal and provides notice of the time and location of the hearing.~~
  - (vi) ~~Any appeal hearing shall be conducted pursuant to the hearing policy established by the Commission.~~
  - (vii) ~~Provided the Commission determines the school district has established a *prima facie* case or the Commission *sua sponte* decides to hear an appeal, the Commission shall render a decision to approve or deny the appeal within sixty (60) calendar days of receipt of the appeal by the Commission from the division.~~
- ~~10.02 All decisions of the Commission regarding a school district's appeal of a division determination shall be final and shall not be subject to any right of further appeal or request for rehearing to the Commission or subject to right to petition for judicial review under the Arkansas Administrative Procedure Act, § 25-15-201, et seq.~~
- ~~10.03 Section 10.00 of these rules shall remain effective until new rules governing Commission appeals have been promulgated at that time. Section 10.00 of these Rules shall be sunsetted and will be of no further force or effect. All subsequent appeals shall be considered under the new Commission Rules Governing Commission Appeals when such Rules are promulgated and become effective.~~

## 11.00 SCHOOL CHOICE AND ACADEMIC FACILITIES DISTRESS

- 11.01 Any student attending a public school district classified as being in facilities distress shall automatically be eligible and entitled under the Arkansas Public School Choice Act of 1989, Ark. Code Ann. § 6-18-206, to transfer to another

geographically contiguous school district not in facilities distress during the time period that a district is classified as being in facilities distress. The student is not required to file a petition by July 1 but shall meet all other requirements and conditions of the Arkansas Public School Choice Act of 1989, Ark. Code Ann. § 6-18-206.

- 11.02 The resident district shall pay the cost of transporting the student from the resident district to the nonresident district.
- 11.03 The nonresident district shall count the student for average daily membership purposes.

## 12.00 INSPECTIONS

- 12.01 The Division shall conduct random unannounced on-site inspections of all academic facilities that have been funded wholly or in part by moneys from the state to ensure compliance with the school district's facilities master plan and, if applicable, the school district's facilities improvement plan in order to preserve the integrity of and extend the useful life of public school academic facilities and equipment across the state.
- 12.02 The Division shall submit reports regarding its on-site inspections of academic facilities to the Commission within thirty (30) days of completion of the on-site inspections.
- 12.03 Based on the Division's on-site inspection or notification by the Division to the Commission that the changes or additions to a school district's facilities master plan or facilities improvement plan required by the Division have not been implemented within the time period prescribed by the Division, the Commission shall restrict the use of the necessary funds or otherwise allocate funds from moneys appropriated by the General Assembly.

## 13.0 EARLY INDICATORS OF FACILITY DISTRESS

- 13.01 By August 31 of each year, the Division shall notify the superintendent of a school district if the Division is aware the school district has experienced two (2) or more indicators of facilities distress in one (1) school year that the Division deems to be nonmaterial, but that without intervention could place the district in facilities distress.
- 13.02 By August 31 of each year, the superintendent of a school district shall report to the Division if the superintendent is aware the school district has experienced two (2) or more indicators of facilities distress in one (1) school year that the superintendent deems to be nonmaterial, but that without intervention could place the district in facilities distress.
- 13.03 The Division and the superintendent shall review all data related to the nonmaterial indicators of facilities distress.
  - 13.03.1 Within thirty (30) days of the Division's determination that the school district may be experiencing facilities distress at a nonmaterial level, the Division shall provide a notice to the school district's superintendent and board of directors that:
    - 13.03.1.1 Describes the nonmaterial indicators of facilities distress that could have a detrimental impact on educational services provided by the affected public school or the school district if not addressed; and
    - 13.03.1.2 Identifies the support available from the Division to address each

nonmaterial indicator of facilities distress.

- 13.03.2 The board of directors shall place on the agenda for the next regular scheduled meeting of the board of directors a discussion of the notice of nonmaterial indicators of facilities distress.
- 13.04 If any condition of an academic facility raises a significant health or safety issue, the superintendent of the school district where the academic facility is located or the person responsible for the management of the academic facility shall immediately notify the Division and the board of directors of the school district.
  - 13.04.1 The board of directors shall place on the agenda for the next regularly scheduled meeting of the board of directors a discussion of the notice of the significant health or safety issue.
